

MINISTRY OF EDUCATION
EXAMINATIONS DIVISION

NATIONAL GRADE SIX ASSESSMENT 2017

The results of the National Grade Six Assessment (NGSA) written on 12 and 13 April 2017 are being released to schools. Thirteen thousand three hundred twenty-nine (**13,329**) candidates wrote this assessment. The results being released give a report on the candidates' performance at National Grade Six Assessment.

The NGSA results will be available online from 2 pm this afternoon. Parents and students are advised to log onto the Ministry of Education website: education.gov.gy. The candidate's timetable will provide the necessary information to access these results.

The Ministry of Education has continued its collaboration with the Caribbean Examinations Council (CXC) to improve the quality of all primary grade assessments. Teachers, subject specialists and test development officers developed the test items with the technical guidance of the Caribbean Examinations Council, addressing key areas such as item construction, weighting of items, sampling and other psychometric elements. Candidates were tested in four subjects namely, Mathematics, English, Science and Social Studies. The examination in each subject area consist of two papers. Paper One consist of forty multiple choice items while Paper Two is essay or open ended items.

Areas tested for each subjects were:

- | | | |
|------------------|---|---|
| Mathematics | - | Knowledge, Algorithmic Thinking, Reasoning |
| Science | - | Knowledge, Comprehension, Application |
| Social Studies | - | Knowledge, Conceptual Understanding, Use of Knowledge |
| English Language | - | Reading, Comprehension and Vocabulary: Structure and Mechanics; Content, Focus, Vocabulary; Language and Organization |

The **highest possible standardized scores** obtainable were Mathematics –132, English - 132, Social Studies–133 and Science – 132. The **highest possible total score** obtainable was **529**.

OVERALL SUBJECT ANALYSIS – 2017

Improvements were recorded in all the subject areas for 2017 as compared to 2016. The most improved subject was Mathematics, which recorded an increase of over 30 % in the number of candidates gaining 50% and more. The Ministry of Education noted the poor performance in this subject area and implemented the Emergency Mathematical Intervention Plan. This plan entailed a number of aspects such as training for teachers in content and methodology, facilitating fortnightly cluster meetings in all Regions, recruitment of Mathematics coordinators and monitors, training of Officers and School Administrators to supervise the teaching of Mathematics, administering a diagnostic assessment of pupils in the hinterland Regions prior to training of teachers. Enhancement of public relations, parental involvement in the education of children. Acquisition of support materials for student.
