Message

Dr. Shivinder Singh
Vice-Chancellor, BFUHS, Faridkot

Baba Farid University of Health Sciences has been established at Faridkot under an Act of Punjab State Legislature (Punjab Act No. 18 of 1998) in the name of great sufi saint Sheikh Farid Ganj-E-Shakar.

Efficient hospital management is yet to be recognized as an important specialty. To overcome the existing problems, there is an urgent need to train the concerned people in the hospital setup to improve the management and functioning of the hospitals. Keeping this in mind, Baba Farid University of Health Sciences joined hands with Punjab Technical University to launch joint courses for training of specialists who will be in a position by way of their training to meet the challenges of the present times. To begin with, both the partners universities have started a Post Graduate Diploma in Hospital Engineering & Management and a post graduate degree course as Masters in Public Health & Engineering in 2012.

I extend my good wishes to all involved in this joint venture and to all the prospective candidates for the above said courses.

(Dr. Shivinder Singh)

Message

Dr. Rajneesh Arora
Vice-Chancellor, PTU, Kapurthala

It is a matter of ecstatic moment for me to welcome all our new aspirants, and I am delighted to announce that Punjab Technical University entered through a Memorandum of Understanding (MoU) with Baba Farid University of Health Sciences, Faridkot, which was signed in April 2011, with the sole aim of producing, training of professionals to help in setting up modern hospitals, manage them efficiently, as well to provide supportive services in the field of maintenance of building and equipments etc.

The two Universities have started a PG Diploma in Hospital Engineering & Management and a post graduate degree course as Masters in Public Health Engineering in 2012.

I extend my heartiest wishes to our aspiring students who are going to choose this course as their dream destination to achieve the professional excellence in their respective fields.

I hope their respective stay in this healthy environment and under the proficient guidance of experienced faculty and staff of PTU & BFUHS will install enough confidence in them, not only to make them niche for themselves but also to help themselves playing a leading role wherever they will go.

I hope they will be able to shape up their personality and thoughts to face the challenges of life with strong and basic human values such as solidarity, compassion and commitment parallel to their academic achievements. Thus, they will go ahead for the realization of the dream of a society based on man's allegiance to men.

I wish them success in their cherished dreams of achieving greatest heights.

(Dr. Rajneesh Arora)

Message

Dr. P.S. Sandhu
Dean (CD), BFUHS, Faridkot

Baba Farid University of Health Sciences came into existence at Faridkot under an Act of Punjab State Legislature (Punjab Act No. 18) in 1998 to commemorate the sacred memory of great sufi saint Baba Sheikh Farid Ganj-E-Shakar.

The modern hospitals particularly teaching hospitals are very complex in their nature and establishment. We need to have skilled manpower to efficiently manage them. To overcome the existing problems, there is an urgent need to train the manpower to bring about the desired results in so far these complex hospitals are concerned. To fulfill this objective, Baba Farid University of Health Sciences and Punjab Technical University have decided to start new venture in the area of management of modern hospitals. Both the universities have started from the Academic Session 2012 a PG Diploma in Hospital Engineering & Management and a post graduate degree as Masters in Public Health & Engineering.

I am sure the faculties of medical college and engineering college will be able to conduct the joint courses. I wish them good luck in this venture. I also extend my good wishes to all professionals who will be joining the above said courses.

(Dr. P.S. Sandhu)

Baba Farid University of Health Sciences, Faridkot (PB)

A brief Introduction

Baba Farid University of Health Sciences established at Faridkot under an Act of Punjab State Legislature (Punjab Act No. 18 of 1998) in the name of great Sufi Saint Sheikh Farid Ganj-E-Shakar, (1173 1265 A.D.) for purposes of affiliating, teaching and ensuring proper and systematic instruction, training and research in Modern Systems of Medicine and Indian Systems of Medicine.

Established as it is with a mission to create an intellectual, academic and physical environment conducive to free flow of ideas and exchange of information between various faculties of the university, between this university and other universities of health sciences in the country and abroad, thereby opening a window to the world for the health professionals, health planners, health managers, biomedical and social scientists and educations in health sciences of the country. Efforts are on to establish contact with various institutions towards achieving the goal.

The University now encompasses 132 affiliated colleges and 5 Constituent Colleges (with an aggregate of 24,000 students). Faculty-wise distribution is 10 Medical, 15 Dental, 95 Nursing, 12 Physiotherapy and 1 Sports Medicine. The University has recently added to its academic convoy Department of Health Sciences Library & Information System.

Punjab Technical University, Kapurthala (PB)

A brief Introduction

Punjab Technical University (PTU) was established in the Year 1997 under the Punjab Technical University Act, 1996 (Punjab Act No. 1 of 1997) to provide for the establishment and incorporation of a University for the advancement of technical education and development thereof in the State of Punjab and for matters connected therewith. In pursuance of this Act, the University started its journey with 09 engineering colleges and few management colleges affiliated to it. Since then, the University has come a long way and during this Academic Session 2011-12, the University has affiliated 100+ engineering Colleges, 139 Management and Computer Application courses, 37 institutions imparting Pharmacy education, 11 colleges imparting Hotel Management education, 06 Colleges providing Architecture Education and 21 Regional Centre for M.Tech and Ph.D in different branches of Engineering and Management and 01 Regional Centre for M. Pharmacy. More than 2013 Learning Centres of PTU are providing professional education through Distance Learning all over the Country and abroad.

At present, PTU is providing education to approximately 5 lac students in the fields of Engineering, Management, Architecture and Pharmacy. This number includes 50 percent students form the states other than Punjab.

Genesis of collaborative studies between BFUHS, Faridkot and PTU, Kapurthala

Signing of MoU between BFUHS and PTU on 08.04.2011

The genesis of collaborative studies between BFUHS, Faridkot and PTU, Kapurthala goes back to a meeting held in 2010 at Government level wherein Hon'ble Vice-Chancellors of both the universities were present. After prolonged discussions between faculty members of both the Universities and higher authorities of the State Government, a Memorandum of Understanding (MoU) was signed on 08.04.2011 between the two universities to start joint courses. These courses will be of multidisciplinary subject nature integrating professional engineering activities with basic medical knowledge of functioning of the human body. These courses will be aimed to improve hospital management.

The government of India is also paying attention on providing health care in both rural and urban areas. The requirement of professional administrators in the hospitals is growing at a rapid pace primarily because the nature of work in hospitals is quite different from other organizations. Hospitals are expected to deliver quality service 24 hours a day at a minimal cost. The urgent nature of its work and the level of efficiency that is expected have increased the need of well-formulated hospital management courses throughout the world.

With the aim and objectives highlighted above, the joint boards of studies (BFUHS and PTU) have already started making admissions to the following courses from 2012:

1. PG Diploma in Hospital Engineering & Management
2. Masters in Public Health & Engineering

These courses were designed as joint venture of imparting education for preparation of specialists to deal with administration and setting up and running of hospitals to meet the requirements of present times.

Constitution of Joint Board of Studies

List of Members of Board of Studies of BFUHS, Faridkot

1. Dr. P.S. Sandhu, Dean (College Development)
2. Dr. (Col.) J.C. Sanadhaya, Medical Superintendent
3. Dr. Zora Singh, Prof. & Head, Department of Anatomy
4. Dr. Sanjay Gupta, Prof. & Head, Department of SPM
5. Dr. Jasbir Kaur, Prof. & Head, Dental Wing
6. Dr. Rajeev Manhas, Head, Department of Health Sciences & Information System

List of Members of Board of Studies of PTU, Kapurthala

1. Dr. Buta Singh Sidhu, Dean (Academics), PTU, Kapurthala
2. Dr. S.C. Sharma, Director, Rayat Bahara Institute of Engineering & Technology, Hoshiarpur
3. Dr. J.N. Jha, Professor, Department of Civil Engineering, GNDEC, Ludhiana
4. Dr. Sanjiv Aggarwal, Professor, Civil Engineering Department, GZSCET, Bathinda

and
Baba Farid University of Health Sciences, Faridkot**

**POSTGRADUATE COURSES IN HEALTHCARE TECHNOLOGY &
MANAGEMENT**

Course Objectives

Looking into the fast expansion of healthcare organizations in the country, there is growing need of human resources for efficient management of hospital systems. Therefore, in order to meet the demand of professionals for healthcare management, the Punjab Technical University, Jalandhar and Baba Farid University of Health Sciences, Faridkot have signed an MOU to offer the following joint Postgraduate Courses in Healthcare Technology and Management. The specific objective of these courses is to prepare a competent workforce of hospital managers who shall have basic knowledge and skills of efficiently planning, managing and maintaining the physical environment, hospital building maintenance, equipment and systems for health care, plant operations, clinical engineering, biomedical engineering, safety technology and telecommunications. Such professionals shall be well trained to solve the rising challenges and specific necessities of modern day hospitals.

The admission for these courses is now open for the academic session beginning in July – 2013.

Sr. No.	Name of Course	Duration	No. of Seats	Eligibility for Admission
1	Postgraduate Diploma in Hospital Engineering & Management (PGDHEM)	One Year followed by Three months Internship	25	BE/BTech/BArch/MBBS/BDS/BPT/ or BSc-Nursing
2	Masters in Public Health & Engineering (MPHE)	Two Years followed by six months Internship	25	MBBS/BDS or equivalent recognized by Medical Council of India/ Dental Council of India

Salient Features

- These courses are full time, fully residential courses. Hostel facilities shall be provided to the desirous candidates.
- These courses shall have 50 : 50 Engineering and Medical curriculum of study.
- The Engineering component of these courses shall be conducted at PTU, Giani Zail Singh Campus, Bathinda.
- The Medical component of these courses shall be conducted at Guru Gobind Singh Medical College, Faridkot.
- The candidate should have obtained minimum 50% marks in the qualifying degree.
- Reservation of seats shall be as per Punjab Government rules.

1. Post Graduate Diploma in Hospital Engineering & Management

This course is of two semesters of study of courses followed by a project work and three months unpaid internship.

The first semester is of six month duration and will be conducted at PTUGZS Campus, Bathinda.

Sr. No.	Subject Code	Subject	Load Allocation			Marks Distribution		Total Marks
			L	T	P	Internal	External	
1	DHEM-101	Hospital Planning	3	1	-	50	100	150
2	DHEM-102	Hospital Management	3	1	-	50	100	150
3	DHEM-103	Hospital Facilities Management	3	1	-	50	100	150
4	DHEM-104	Hospital Maintenance	3	1	-	50	100	150
5	DHEM-105	Hospital Management Control System	3	1	-	50	100	150
Total			15	5	-	250	500	750

The second semester is of six month duration and will be conducted at GGSMC, Faridkot.

Sr. No.	Subject Code	Subject	Load Allocation			Marks Distribution		Total Marks
			L	T	P	Internal	External	
1	DHEM-201	Management of Healthcare and Hospital Services	3	1	-	50	100	150
2	DHEM-202	Hospital Administration and Medical Terminology	3	1	-	50	100	150
3	DHEM-203	Material Management, Inventory Control, Managerial Accounting & Financial Management	3	1	-	50	100	150
4	DHEM-204	Computer Fundamental & Software related to Hospitals	3	1	-	50	100	150
5	DHEM-205	Legal Aspects of Hospital Management	3	1	-	50	100	150
Total			15	5	-	250	500	750

On successful completion of the courses of study of two semesters, the candidate will undertake a project work and three months unpaid Internship.

Project Work	Content of Project Work	Presentation with Viva	Total Marks
	50	50	100

NOTE: For details of ordinances and courses of study, kindly visit the partner Universities websites i.e. www.bfuhs.ac.in and www.ptu.ac.in

2. Masters in Public Health & Engineering

This course is of four semesters of study of courses followed by six months unpaid internship. The candidate during study of courses will also undertake dissertation work.

The first semester is of six month duration and will be conducted at GGSMC, Faridkot.

Medical Semester 1

Sr. No.	Subject Code	Subject Name	Teaching Load			Internal Marks	External Marks	Total Marks
			L	T	P			
1	MPHE-101	Concept of Health, disease and Epidemiology	3	1	-	50	100	150
2	MPHE-102	Epidemiology of communicable and non-communicable diseases	3	1	-	50	100	150
3	MPHE-103	Nutrition and M.C.H.	3	1	-	50	100	150
Marks							Total	450

The second semester is of six month duration and will be conducted at PTU-GZS Campus, Bathinda.

Engineering Semester 2

Sr. No.	Subject Code	Subject Name	Teaching Load			Internal Marks	External Marks	Total Marks
			L	T	P			
1	MPHE-201	Planning and Designing of Hospital	3	1	-	50	100	150
2	MPHE-202	Water Supply and Sanitation Systems	3	1	-	50	100	150
3	MPHE-203	Water Pollution and Waste Water Treatment	3	1	-	50	100	150
Marks							Total	450

The third semester is of six month duration and will be conducted at GGSMC, Faridkot.

Medical Semester 3

Sr. No.	Subject Code	Subject Name	Teaching Load			Internal Marks	External Marks	Total Marks
			L	T	P			
1	MPHE-301	Environment and Health	3	1	-	50	100	150
2	MPHE-302	Public Health	3	1	-	50	100	150
3	MPHE-303	Health Informatics and Biostatistics	3	1	-	50	100	150
Marks								Total
								450

The fourth semester is of six month duration and will be conducted at PTU-GZS Campus, Bathinda.

Engineering Semester 4

Sr. No.	Subject Code	Subject Name	Teaching Load			Internal Marks	External Marks	Total Marks
			L	T	P			
1	MPHE-401	Solid Industrial and Hazardous waste management.	3	1	-	50	100	150
2	MPHE-402	Air Pollution monitoring and control	3	1	-	50	100	150
3	MPHE-403	Hospital facilities management	3	1	-	50	100	150
Marks								Total
								450

On successful completion of the courses of study of four semesters, the candidate will undergo six months unpaid Internship. During the course of study, the candidate would have worked and presented his/her work in the form dissertation.

Dissertation Work	Content of Project Work	Presentation with Viva	Total Marks
	100	100	200
