## NORTH-EASTERN HILL UNIVERSITY

The North-Eastern Hill University (NEHU) was setup on 19<sup>th</sup> July, 1973 by an Act of Parliament. The objectives of the university, as laid down in the Act, are “to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to pay special attention to the improvement of the social and economic conditions and welfare of the people of the hill areas of the North-Eastern region, and, in particular their intellectual, academic and cultural advancement”.

With the establishment of Nagaland University in September, 1994 and Mizoram University in June, 2001, the jurisdiction of NEHU is now confined to the state of Meghalaya only. Initially, the academic departments and the administration of NEHU functioned from three countries. The Mayurbhanj Complex acquired from the former Maharaja of Mayurbhanj, the Bijni Complex acquired from the Rani of Bijni and the Horse Shoe Building taken on hire from the Government of Meghalaya. Subsequently, the University started functioning from its own campus located in the picturesque surroundings of pine forests in Mawkynroh-Umshing, Shillong and in Chandmari at Tura Town.

NEHU has matured into an institution with proven academic excellence of higher learning and research, social commitment and cultural interest with a clear vision for its future growth. In 2006, it was recognised as a ‘**University with Potential for Excellence**’ by the University Grants Commission (UGC). It has been able to attract persons of proven academic excellence from all parts of the country to serve on its faculty; the present faculty strength is 406. Its student community is drawn not only from different parts of North-East India but also from other regions of the country and abroad.

NEHU has 44 academic departments and 2 Centres of study under eight Schools. Eight departments of the University receive special grants from UGC under its Special Assistance Programme(SAP) and three of the science departments also received grants under UGC’s Committee on Strengthening of Infrastructure in Science and Technology (COSIST) programme. The Department of Science and Technology (DST) has extended financial support to six science departments as part of its Fund for Improvement of Science & Technology Infrastructure in Universities and Higher Educational Institutions (FIST) programme. Further, the DST has chosen the University for a special infrastructure strengthening programme under the Promotion of Universities Research and Scientific Excellence (PURSE) scheme due to the H-index of publications of science departments. In addition, Cultural of Scientific and Industrial Research (CSIR), Department of Science & Technology (DST), Department of Atomic Energy- Board of Research in Nuclear Science (DAE-BRNS), Defense Research & Development Organisation (DRDO), UGC, Ford Foundation, Department of Biotechnology (DBT), and Ministry of Environment & Forest (MoEF), NEC, etc. have awarded a number of research projects to members of the faculty of different departments. The University is the recipient of a number of endowments of various organizations and individuals. Several awards like the Dr. Shankar Dayal Sharma Literary Award, Prof. M. K. Khare Memorial Prize, Smti. Sarada Krishna Iyer Memorial Award, U Tirot Sing Memorial Prize, Prof. M. N. Karna Young Sociologist Award, Rajendra Kumar Sunheri Devi Jain Charitable Prize/Award. Kiang Nongbah Award and Dr. D.S. Babu Memorial Award have been instituted. NEHU has two prestigious Rajiv Gandhi Chairs for

research on “Protective Discrimination” and “Contemporary Studies” (Tribal Development). Several members of the faculty of NEHU have been honoured with the high academic awards of distinction in the country. Many of the faculty members are involved in collaborative research projects with universities in USA, Europe and Asia. One of the basic ways in which the University endeavours to fulfill its responsibility, as enshrined in its Act, is by focusing its attention on the North-East in its curricular programmes including research.

The Central Library of the University has nearly 300,000 volume and 40,000 bound periodicals. It subscribes to hundreds of National and International journals. The University has a state-of-the-art NEHU Data & Voice Network (NDVN) in the campus providing telephony and on-line access to Internet. The UGC-INFONET link provides on-line access to over 3500 scholarly e-journals through NDVN. At the moment the University has limited Wifi connectivity which is expected to be enhanced soon.

There are 66 Undergraduate Colleges affiliated to NEHU awarding professional and other degrees. NEHU is among the first few select Universities, which provide affiliation to ‘Minority Educational Institutions’ from all over the country. It is also a member for ‘Promotion of Indian Higher Education Abroad (PIHEAD)’ and ‘Study India Programme’ of the UGC. A large number of ICCR-sponsored students from different countries are pursuing higher studies in the university. The undergraduate colleges affiliated to the University have about 35,000 students on their rolls.

The University takes pride in the fact that its alumni are doing well and are occupying prestigious positions in various walks of life. A large number of our students of the university cleared NET, GATE and other national level tests every year. Of late, there has been an increasing number of on-campus recruitment. The number of students studying in the University is continuously increasing. The University inter alia also offers undergraduate courses in Law and Technology. The University follows a Grading System for all its courses.

### **Ordinance on Choice Based Credit System (CBCS) for 2-years Master's Degree**

The Ordinance on Post-Graduate Examination provides for Core and Open courses. Core courses are those which are deemed essential for students of a particular Masters' Degree programme. Open courses are intended to allow students to acquire knowledge and skills in areas of their choice. The Open courses shall be offered only in the 2<sup>nd</sup> and 3<sup>rd</sup> semesters.

Ordinarily, a student shall earn **72 credits** during the period of four semesters, of which **60 credits** shall have to be earned from the Core Courses of the programme to which he/she is admitted. The balance of **12 credits** shall have to be earned from the courses offered under the open choice. Students can earn the **72 credits** within a maximum of six semesters. Candidates are required to earn at least **18 credits** to enable them to move to the 3<sup>rd</sup> semester. Candidates securing grade points of **3 or below** may be permitted to improve a paper within the maximum period of six semesters. Candidates securing 1.50 or more aggregate grade points shall be declared successful/pass. Candidates securing grade points less than 1.50 shall be declared unsuccessful/fail. However, no candidate will be allowed to appear in any course more than twice (which shall include the paper which the candidate opts not to appear) and no candidate shall be allowed to appear in any course beyond six semesters of her/his admission to the programme.

**The letter grade, grade points and percentage equivalent obtained shall be as indicated below:**

<b>Letter Grade</b>	<b>Grade Point</b>	<b>Percentage Equivalent</b>
O	5.50 – 6.00	75% to 100%
A	4.50 - 5.49	65% to <75%

B	3.50 – 4.49	55% to <65%
C	2.50 – 3.39	45% to <55%
D	1.50 – 2.49	35% to <45%
E	0.50 – 1.49	25% to <35%
F	0.00 – 0.49	0% to <25%

It is intended that the CBCS will eventually enable students of NEHU to carry their credits to other Universities and that students of other Universities complete open courses at NEHU.

Applicants admitted to the Post-Graduate Courses are required to acquaint themselves with the CBCS by meeting their respective Student Advisor, the Heads of Departments and the information in the CBCS booklet, available on admission in the respective Departments and on the NEHU Website.

UGC may also award fellowships to research scholars who may have cleared NET. A few NEHU Postgraduate Scholarships are available to meritorious students who have passed their Honours degree examinations securing a minimum of 55% marks and are pursuing their postgraduate studies at NEHU. The University at its discretion may also award a scholarship to a fresh candidate of the final class taking into account his/her performance at the previous examination if he/she has obtained at least 55% marks (5% relaxation for SC/ST students). A student who is in full-time employment will not be eligible for these awards or scholarships.

Financial assistance to poor and deserving students is provided under Students' Aid Fund for payment of tuition fees, examination fees, purchase of text books, stationery expenses; to meet hostel charges, expenses on clothes and emergency medical expenses; or to grant interest free

loans for deserving students and to meet any other needs of the students considered to be genuine by a special committee constituted for the purpose.

### **HOSTEL ACCOMMODATION**

There are a few hostels providing seats to a limited number of male and female students in both Shillong campus and Tura Campus of NEHU. At present the Shillong Campus has twenty two hostels accommodating students in either single or two/three bedded rooms. All the hostels are provided with a common mess as well as sports and recreational facility. Students seeking hostel accommodation in Shillong Campus shall apply to Dean, Students' Welfare (DSW), North-Eastern Hill University, Shillong, through their respective Heads of department, after completing the process of admission.

**Admission to a course of study in the university does not bestow any guarantee or right for hostel accommodation.**

For Tura Campus, students may apply for hostel accommodation to the Pro-Vice-Chancellor, NEHU, Tura through the Head of the department.

### **LIBRARY**

NEHU has a Central Library in Shillong and a Campus Library at Tura Campus. Further, several departments of the university are maintaining collection of books and reports related to their teaching and research activities and for easy access to the students of the department.

### **TRANSPORT**

The University has its own transport system. There are a number buses operating from the campus to different points in the city at regular intervals. All students of NEHU need to pay a prescribed nominal fee, which entitles them to avail the facility.

### **STUDY TOURS/FIELD VISITS/ TRAVEL CONCESSION**

The University facilitates study tours/field visits conducted by the departments to any part of the country. Students are provided with concessional train fare and a modest daily allowance for the entire period of the study tour/ field visit. Rail travel concession is also provided to all the students for their research/field work and other academic activities. Rail travel concessions are also available to students visiting their hometown during vacations.

### **NATIONAL SERVICE SCHEME**

The National Service Scheme (NSS) Cell, located in the main Shillong Campus and sponsored by the Ministry of Youth Affairs and Sports (MYAS) of Government of India, envisages utilizing free time of students for social work. The scheme operates in 35 affiliated colleges of NEHU in the state of Meghalaya. The NSS Cell has been successfully implementing the charter of the scheme in past years. Many new innovative schemes of student's activities are being implemented and new colleges are being inducted.

## **SPORTS FACILITY**

The Department of Sports facilitates different sports activities at the University and the colleges affiliated to NEHU. The department conducts tournaments for students in Shillong and Tura campuses in sports like cricket, football, martial arts, athletics, table tennis, badminton, chess, basketball, volleyball for men and women. Coaching camps are also organized for the students. The department has coaches for Cricket, Basket Ball and Football. The department has a well equipped gymnasium for both men and women.

## **UNIVERSITY HEALTH CENTRE**

The University Health Centre provides basic medical facility to the students of the university in the form of preventive, curative and promotive health services. Medical officers are available for consultation at fixed hours as well as for emergency consultation outside duty hours. Medicines are issued to the patients free of cost based on the prescription by the university medical officer. The centre has adequate provision for dressing, injection and for minor surgical procedures carried out in the dressing room. Routine immunization is carried out for all the members of NEHU. First aid service is provided at all the sports meets and tournaments. Ambulance service is provided by the health centre during emergencies for transporting a patient from residence to health centre or a hospital as the case may be. Bio-chemical tests for blood and urine analysis have been started at the health centre. The health centre maintains a list of voluntary blood donors from among NEHU community and arranges for blood donors in case of emergency for the needy among NEHU community as well as for persons outside NEHU. A list of voluntary blood donors is available on the official web site of the University [www.nehu.ac.in](http://www.nehu.ac.in).

## **DISCIPLINE**

In the light of the orders of the Hon'ble Supreme Court of India on "Curbing Ragging in Educational Institution", ragging in any form is totally banned by the University. If any ragging comes to the notice of the authority, the concerned student shall be subject to strict disciplinary action as per the procedure laid down. In this regard, students and their guardians are required to sign an affidavit that the students will not be involved in ragging in any form directly or indirectly.

### **SIMPLIFIER ON-LINE PROCEDURE FOR ANTI-RAGGING AFFIDAVITS**

The 'National Ragging Prevention Programme' has simplified the procedure of filing an affidavit by each student admitted to NEHU. Affidavit can be filled on-line and shall neither involve visit of the students to any court of law or advocate nor any expense. The following procedure has to be followed:
