Vision of DSM

“ To be the epitome of the world class management education and research for meeting the contemporary challenges of business and society. ”

Mission of DSM

“ To develop socially responsible and technology driven innovative managers and future leaders equipped with knowledge and professional ethics. This shall be achieved by evolving a system of quality education and research through sustained institutionalized efforts of students and faculty. ”

ABOUT DSM

Delhi School of Management (DSM) was established in 2009 with the up gradation of Delhi College of Engineering into Delhi Technological University. DSM envisages at making distinctive future managers keeping with the tradition of DCE (and now DTU) of excellence education established for the engineering discipline. DSM teaches not just the arts and science of management, it instils in its students virtues and skills needed to make a difference in tomorrow's world. It endeavours to enable future managers understand the challenges of Information and Knowledge driven tech-savvy work environment and develop their calibre and competencies to meet and greet these challenges.

The academicians at DSM are a veritable treasure of learning and erudition. With a mature lineage of consultancy and research behind them, this exclusive group of academicians is responsible for grooming talents into performing prodigies.

Aided by the state-of-the-art infrastructure, DSM incorporates lectures, case studies, seminars, business games, simulation exercises, mini projects, unstructured group works and field visits in its teaching methods. It is done in an interesting and encouraging manner for the purpose of imparting knowledge in the minds of the students.

DSM offers dual specialization thereby developing the students' skills to alter the requirements of a competitive environment. It follows a semester pattern and offers seven to eight courses per semester. DSM consists of a right mix of students in all aspects ranging from different geographic locations to experience in the corporate world, thereby giving the students an opportunity to gain multicultural skills and share experiences about the workplace with fresher's.
