

2015-17

Summer Placement Report

Message from HOD

SJMSOM, IIT Bombay has completed its summer placements and with utmost gratification, we announce that this year again, we have succeeded in serving the industry with talented students in diverse areas and profiles. Trust of industry is also reflected by the increase in average stipend of 16%. True to its name, our school has been the preferred choice for leading corporates across the country with the highest stipend offered reaching ₹200,000. The school has strengthened its relationship with its long standing recruiters and invited many new recruiters, forging the base of new relationships. This also is in recognition to appropriate pedagogy and discipline of management education at the School of Management. On behalf of the School, we are extremely grateful to the industry, alumni, faculty, staff and others who were involved in making the placement process a resounding success.

Prof. S. Bhargava
Head of Department

From the Placement Desk

It gives me immense pleasure to witness successful completion of another summer internship process at SJMSOM. The School of Management, IIT Bombay has bastioned its image as one of the best B-schools in the country with the top 50% of the batch securing an average stipend of ₹140,704. With 22% of the batch getting placed in some of the leading FMCG/FMCD companies, 21% of the batch in some of the finest E-commerce and IT/ITES companies and the rest getting placed in some of the premier brands in Consulting, Manufacturing, Healthcare etc. The summer placements saw participation from the industry leaders recognising the reputation and quality of students at SJMSOM, IIT Bombay. With 100% of the batch securing paid internship opportunity with leading corporates across the industry, I, on behalf of SJMSOM, IIT Bombay, would like to thank all the recruiters for selecting our school as their preferred recruitment destination and invite you to read further about the summer placements of 2015-17 batch.
