

Middle School Student Code of Conduct

A Christian school is a community working and playing together in an academic and social setting. Those in a school that is Christian show a spirit of Christian love in the classrooms, hallways, sports fields, and meeting rooms. We'd like to see that at RPCS. We are called to work, learn, and play in an environment where God is honored and praised. Here at RPCS, we encourage students to be co-operative in their studies and school activities every day. Respect for the people within the school, respect for the learning environment, and respect for school property are key to create a safe and Godly school.
