He/she may refer to the for previous year's admission data. This helps the candidate to prepare a List of Choices in order of Preference. Previous year data is available on archive folder-2015 in www.odishajee.com.
- **Exercising choice filling means, the candidate has to select Colleges and courses he/she wishes to join and arrange them in the order of priority. Best choice, 1st choice and 2nd best 2nd choice and it goes on. There is no limit to the choices, candidates are advised to fill their choice judiciously.**

Preparatory work to be made by the candidates at home for filling their choice of college/institute and branches:

- The candidate should consult only his/her parents on the selection of courses and Colleges he/she wishes to join.
- Candidates should arrange the filled in choices in order of their preferences of college / branch. One college with one branch is treated as one choice. For example, College of Engineering & Technology (CET), Mechanical branch is first choice. Similarly, College of Engineering & Technology (CET), Electrical branch is another choice and so on. He/ She may use the **SWAP** and **MOVE** options to change the priority of already filled in choices.

For Tuition Fee Waiver (**TFW**) candidates, the Choices of colleges and branches for both the TFW seats (for example, CET, Mechanical Engg – TFW) and the non-TFW seats (for example, CET, Mechanical Engg) will be offered in the choice filling screens. The TFW candidates can fill in their choices from among the above list of TFW and non-TFW seat matrix mentioning their preferences. Reminding that TFW seats are very few (only 5%, means 3 for 60 seat capacity). So giving only TFW choice may lead to non-allotment.

Procedure to be followed for exercising options on Internet:

1. The procedure for exercising choices and seeking pertinent information is guided through appropriate messages and tabs on the computer screen.
2. As per the eligibility of the candidate, available seat information relating to institutions, disciplines (B. Tech/ B.Arch./ B. Plan / B. Pharm/ B. Tech (Lateral Entry)/B. Pharm (Lateral Entry) / PGAT for M. Tech/ M. Tech(Part Time)/ M. Arch/ M Plan and M. Pharm/ MCA/ MCA(Lateral Entry) / MBA/ Int.MBA), branches (e.g., Mechanical, Electrical, Civil, Electronics, Computer Science Engineering etc.) will be displayed.
3. The candidate can give his/her choices judiciously in order of preference from the list of available seats as per his/her own wish. It is advised to provide as many choices as wishes of candidate. Always save your work intermittently in all sessions you log in.
4. The candidates are permitted, if they so desire, to change or re-order (through **move/swap** options) their choices, delete earlier choices and add new choices any number of times until they lock their final choices by OTP.

III. CHOICE LOCKING OF CHOICES THROUGH OTP (ONE TIME PASSWORD)

After Registration and choice filling at his/her convenient place, the candidate has to lock his final choice on or before the due date notified.

1. After filling the choices in the order of the candidate's preference, he/she must lock his/her choices after giving the One Time Password (OTP) received by the candidate in his/her registered mobile number. **The candidate must take the print out of the locked choices. If the candidate does not lock his choice through OTP, then the last filled choice shall be automatically locked after the period of choice filling and locking is over. (Before proceeding for locking the choice be sure to make a final look to the choices exercised because once locking the choice using OTP, no further modification to choices cannot be done under any circumstances.)**

2. After locking the choices, if a candidate logs in again, then only the locked choices given by the candidate will be displayed. But **he/she cannot change the choices under any circumstances after locking his/her choices.** Even it is out of purview of OJEE officials to allow any changes on choices. Therefore it is strongly recommended that the candidates should make practice of writing choices in own preference and correct its order prior to work out on computer screen. **It is also strongly advised that the candidate should give maximum number of choices in order of his/her preference before final locking.**

Important Note:

1. **It should be clear to the candidate that the choice finally locked through OTP can not be changed under any circumstance. Therefore, candidates should take special care and be very sure before finally locking the choices.
