Message From The Desk of Hon'ble Vice Chancellor

Professor Gopalchandra Misra

has taken charge as the Vice-Chancellor on October 22, 2013

The land of Gour Banga has been held in high esteem as a seat of learning from the hoary antiquity of the history of Bengal. Hence the foundation of the University of Gour Banga on this illuminated land in a momentous moment of 2008 is one of the memorable events in the educational and the social history of North Bengal. The occurrence inevitably plays a vital role of a catalyst to bring about social changes especially among educationally backward and economically diffident Muslims and other tribal communities of the region. The University, in fact, started its journey with a firm vision to enkindle the ever effulgent light of knowledge and research intent of the students of underprivileged class and communities so that they can achieve high academic standing and redeem their innate potential. Being surrounded by a rural setting with enormous human resource and diverse Nature, our beloved University is determined to pay back something significant to the society by means of rendering a centre for its faculties who will embody the spirit of excellence in teaching, research, scholarship, creative activities, and community engagement. And the mission of all sections of faculty members of this University, so far I believe, is to contribute their best for fostering morally distinguished, ethically grounded and socially compassionate students who will evolve a breakthrough in regard to varied social evils and problems. Even more, in search of attaining the status of one of the leading centres of learning, research and professional training, the University looks forward to its future with a note of confidence. Therefore, in the coming years, I hope that the University will surely be able to cater its best services and benefits to its students to make them fit for combating local, national and global challenges and, positively respond to community needs of this part of Bengal. Let us all be happy as well as enchanted with the warm association of our University which is dedicated to be ever adhered to '*Rta*', the everlasting principle, without which none and nothing on earth can survive even for a moment.

UNIVERSITY OF GOUR BANGA AT A GLANCE

The establishment of University of Gour Banga marks one of the most important events in the educational and social history of the Gour Banga region. It is an important catalyst in the process of social change among educationally backward people, especially, economically diffident Muslim and tribal communities of the region. The University has aroused hope for better future in the young people of the region and is going from strength to strength with concerted effort, strong commitment and promises to offer suitable facilities to the students and the faculty in a vibrant and intellectually stimulating ambience.

The University is situated at the outskirts of the English Bazar Municipality (Malda) on an area of land measuring 30.51 acres. All the colleges of the districts of North Dinajpur, South Dinajpur and Malda except Islampur College and Raiganj University College are under the purview of University of Gour Banga, Malda. Currently, there are 53 (Fifty Three) affiliated Colleges out of which 24 (Twenty Four) General Degree Colleges, providing B.A. /B.Sc. /B.Com. / B.C.A. courses, 28 (Twenty Eight) Colleges for B.Ed. course and 01 (One) College offering five years integrated L.L.B. course. The total student strength of the affiliated General Degree Colleges at present stands 1,25,000 approximately. In 2015-2016 academic session two new Government General Degree Colleges, namely, S.B.S. Government College, Hilly and Government General Degree, Kusumundi in the district of Dakshin Dinajpur has been established. The only one Law College is running with 250 nos. of students in five semesters.

Presently there are two Affiliated General Degree Colleges offering PG Courses on self-financing basis. **Malda College**, Malda is offering PG courses on English, History and Bengali and **Balurghat College**, Dakshin Dinajpur is offering PG courses on Bengali, History and Sanskrit.

The 'First Statutes' of the University has already been given assent by his Excellency the Chancellor to which sequel the much coveted 'Appointed Day' has been notified by the order of his Excellency the Governor of West Bengal, vide, Notification No. 472-Edn(U)/1U(GB-02/15, Dated 14th May, 2015.

The University hold its First Convocation Programme in December 10, 2015. The drafts ordinances and rules and regulations of the University are to be prepared immediately after the implantation of Statutes of the University of Gour Banga.

PG Departments like Botany, Chemistry and Zoology have recently received three research projects funded by DST (Department of Science and Technology), Government of India.

The University is looking forward to introduce Post Graduate Studies through Distance Education. In view of the importance of needs and aspirations of the youth of the local region, it is also proposed to introduce the job-oriented courses which have already been sanctioned, but not yet implemented.

The University has constituted a unique debating and quizzing society, namely 'Polyphony' comprising of students, faculty members and other staff members of the University. Quiz and debate competitions are organized by the University among the students in a very amiable and open environment.

Being a growing University with limited resources, the University of Gour Banga has achieved notable success with regard to holding of University Sports Meet on regular intervals.

In these coming years, the University will be looking for ways in which it can provide the services and benefits which it offers to students and research scholars who will in future prove to be skilled and qualified personnel fit to service in a very difficult global environment of competition in a globalized economy. This University looks forward to the future with confidence.

Special features of innovation:

A. Centralized On-line Admission process to B.Ed. Courses for the Affiliated Colleges:

The University of Gour Banga is the pioneer State University in West Bengal to introduce 'Centralized On-line Admission' process to B.Ed. Courses for all the Affiliated Colleges. From the very inception the University of Gour Banga has been successfully conducting On-line Admission process.

B. Introduction of 'Multiple Choice Question' (MCQ) pattern at the Under Graduate Level Examinations

For the first time in the State of West Bengal the University of Gour Banga has introduced 'Multiple Choice Question' (MCQ) pattern at the Under Graduate Level Examinations.

C. Adoption of a Backward Village

The 4th Unit of the NSS of the University of Gour Banga has taken an innovative endeavour of adoption of an isolated village situated 6 K.M. away from the main campus of the University. This is quite innovative from the view point that the students of the said NSS Unit have unearthed a lot of surprising facts lying with residence of the village. In spite of being situated 6 K.M. away from the district town most of the villagers do not have any electric connection so far. Even 99% of the households do not have any individual sanitary latrines as such. Most of the villagers have to take pond water as there is no scope for getting drinking water supplied from the P.H.E. The students are trying their best to redress the deplorable state of the villagers.
