#### Message from Vice Chancellor

#### Congratulations!

You are one of the privileged student, as you now join NMIMS. You joined the University which has been the education and training ground of some of the most distinguished and outstanding professionals, academic leaders and CEOs. You are also privileged, as you will have an outstanding learning environment built assiduously over the years by the faculty and staff. I am sure, you will have an experience which will influence your life.

As a University, we value the intellect you bring along to the program. I am sure you will play an important role in generating new ideas that will transform human lives and the society.

Over the years, NMIMS has grown to being a multi-faculty and multi-campus university. This today has enabled university to innovate and encourage the growth of holistic education at the undergraduate level. It has also encouraged the University to offer interdisciplinary courses at the Master's level. The University is committed to building more flexible structures in Academic Programs, delivery models and assessment technology. We are also committed to engage with you in multiple ways, using classroom and non-classroom activities and technology.

The legacy of this University is built on four pillars, namely **Innovation**, **Market Responsiveness**, **Discovery** and **Employability**. Also ethos of 'giving' combined with 'integrity' is engrained in NMIMS. Hence, one of the key character of NMIMS graduate is social sensitivity.

The faculty at the schools represents an eclectic mix of Industry and Academic experience in National & International environment. They are known in their respective fields for knowledge, industry interaction, research and consultancy work. They are carefully chosen and complement each other as a team. Proactive measures have enhanced Schools partnership with industry through Research, Consultancy, Management Development and other extension programs including student projects. Social Entrepreneurship Cell epitomizes NMIMS belief in developing socially responsible citizens.

We have a supportive administrative system, which cares for the students and proactively addresses your requirements. Should you have any concern, I encourage you to meet your Dean / Director and Administration head first. In case it still does not get resolved, get in touch with Deputy Registrar (Academics), Ms. Varuna Saksena at University Academic office VarunaS@nmims.edu

The student resource book is to guide you on rules and regulations of University and will help you to navigate your journey here at NMIMS. During your stay at NMIMS, we would like to ensure clarity and transparency in our communication with you. The Student Resource Book has been divided into three parts. Part I comprises University information & rules and regulations that you would need to know, Part II has school specific details for your effective and smooth interaction with the school and Part III has annexures. Also listed are facilities provided in the institution.

Please do spend some time and go through this information carefully so that you do not miss out any opportunity NMIMS may have to offer you. There is a Student Undertaking on the last page for your signature and to be handed over to your course coordinator by the last date.

We would also like to have your support to maintain the University image and uphold its values. We value your feedback. Hence whenever you wish to give one, do so to the appropriate authority including me in my capacity as Vice Chancellor at vc@nmims.edu

#### 7.0 Placement Guidelines:

NMIMS is a premier University of the country and the Business School is in existence for over three decades. Our alumni occupy senior positions in leading companies across sectors. Over the years NMIMS has earned recognition from industry & professional associations, corporates, peer group institutions and accreditation agencies. All these laurels and recognitions would have been incomplete without the support of the corporate world.

It is also a great place to recruit potential young managers and business leaders. Leading companies across sectors consider our students for recruitments/ internships.

NMIMS has a cordial relationship with the corporate world and many companies have supported us even during tough times. We would like to continue this mutually symbiotic relationship. Hence, it is expected that students understand this sentiment and behave responsibly at all times. Any untoward incident will jeopardize this relationship and have serious repercussions for placements and for the future.

NMIMS as a premier University of higher learning and the corporate world expects students to display high standards of knowledge, capability and excellence. Recruiters also look for serious candidates who are clear about their long term plans, the sector they want to be and profile they want to undertake.

Placement assistance is offered to students of various programs across Schools. It is the prerogative of the Schools to decide, which of the programs this service should be offered.

The Placement Office of School facilitates the process of placements – internship & recruitment by creating an interface between recruiters and students. Efforts are made to market the programs with their merits with an endeavour to get companies to offer internships/recruit students. The selection process specified by the company is followed. The PlaceCom - Placement Committee of students are actively involved in the placement activities – contacting/visiting companies located in metros & major cities for placement presentations and also coordinate various activities during the placement processes.

A bit of clarity will help students land a good internship/job.
- 7.1.1.9 Hence students should do a thorough research about the company, the business, the sector, other players in the sector, the financials, etc. and be prepared with a background and fact file prior to the process. Also some additional information the number of interns/recruits in the past, whether the company has a PPO policy, the roles offered, the experience of seniors who interned with the company etc. will be of help.
- 7.1.1.10 The Placement Office also involves companies in a number of Campus Engagement activities contests, projects, workshops, seminars, guest talks etc. that would benefit a larger number of students and also help in promoting the excellent quality of the batch.

- 7.3.7 Pre Placement Offer (PPO) is an Offer by the company to the intern acknowledging the excellent work done during the internship. Pre Placement Interview (PPI) is an opportunity by the company for the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.

"Have you had any incidents where you reacted very harshly and then later realised that reacting to the situation was not really needed and in the process you damaged the understanding you had with your friends and family? But you just do not know what went wrong then? Do not understand what triggered?"- Example case

As normal social human beings at any given time in life we could go through difficult times and are confused as well as not able to share our difficulties with others fearing their judging at such times we recommend, personal Counselling.

Personal counselling is very important at every step in life even at the corporate levels. There could be a situation in our lives when we are not able to cope with, example of a simple case given above. Such situations affect our subconscious mind deeply which interferes our present conscious life and could not allow us to lead a healthy life. Consciously, we do not realise the implications of our behaviour on others but it eventually could affect our events and relations in daily life at home, in class, or at work. When the past emotional situations not dealt with therapeutically, we could develop unhealthy negative thoughts and feelings which we need to be aware of like, "I have no one to whom I can share my personal issues, am I happy? Am I feeling lonely?, having sleepless nights?", such thoughts could again lead to further anxiety and can release harmful hormones; which could affect our performance, decision making, logical thinking, studies, relationships, career, and gradually affect our physiological health like hypertension, respiratory ailments, gastrointestinal disturbances, migraine and tension headaches, pelvic pain, impotence, frigidity, dermatitis, and ulcers

A counsellor is a non-judgemental friend who understands, ensures privacy and confidentiality of the client and counsels you by giving choices so that you make the right decision. Counselling is based on realistic, structured and research based study. NMIMS has a full time 'Psychologist and a counsellor' available on the 8th floor, Cabin:-West-855, NMIMS University, at the Mumbai campus for all the students.

- 11.2.3 **Payment of Fees for the academic break:** If the student has informed the Dean regarding academic break before the commencement of the relevant year and not paid the total fee for that year, then if his academic break is granted, he can pay the total fee (100%) prevalent at that time when he seeks re-admission.
- 11.2.4 If a student wants to take academic break after the commencement of the academic year, but he has not attended the classes and if the fee is not paid, then while seeking re-admission he has to pay the total fee (100%) plus 25% of the total fee as re-admission fee to continue his studentship.
- 11.2.5 If the student has paid the total fee for the entire year and then sought the academic break after commencement of that academic year in the middle of semester / trimester again, then he has to pay 25% of the total fee prevalent at that time, towards re-admission in subsequent year.

He/she can take re-admission in different years as long as total period of the programme does not exceed the validity period of that programme. For example, for MBA the validity period is 4 years and for MBA Tech. it is 7 years, so a student can take re-admission maximum two times but in different progressive years. Admission to the subsequent years is subject to maximum duration permissible for completion of the programme (in years). Such admissions will be at the students' own risk of noncompletion of the programme during the maximum permissible duration (in years).

3	4 years	6 years
4	5 years	7 years
5	6 years	8 years

If the student takes re-admission in a particular academic year and is not promoted again, either as per the passing standards of the respective programme or any other reason as per academic rules, then the student will not be given second chance for re-admission. However such a student can re-appear at the subsequent examinations of the said year without keeping the terms (i.e. re-admission) by taking a drop and only appearing for the examinations.

#### 18.0 International Student Exchange Program Policy

#### 18.1 **Introduction**

NMIMS Deemed-to-be-University has developed an extensive International Students Exchange Program in order to provide a cross cultural exposure and a global perspective to the students apart from classroom teaching. The Exchange Program has become increasingly popular with the students and every year students get a chance to spend Semester/Trimesters at a partner Institute. With the dedicated International Linkages department in place, efforts are underway to have larger number of students to avail of this unique opportunity in every school. It is strongly recommended for all students to have international exposure in terms of academics and cultural immersion. However, due to some limitations, the students who do not visit these foreign institutes as part of the exchange program benefit through interaction with the overseas students who visit us.

#### 18.2 **PREAMBLE**

In a world that is increasingly interdependent, it is imperative for the NMIMS Deemed-to-be-University to have an internationalization agenda. This involves creation of a multi ethnic environment in our programs on our campus. This can happen only when students from different countries and communities join NMIMS programs.

This policy on internalization seeks to clarify the philosophy behind the NMIMS Deemed-to-be-University's Internationalization program and sets out the eligibility of students to apply for an international exchange program. It also sets out the selection criteria and guidelines for assessing applications and the expectations from the students going for the exchange program.

This policy also lays out the facilities for international students in our programs and also the expectations from them. We expect our foreign students to conduct themselves at par with other Indian students.

To aggressively pursue the internalization agenda, NMIMS Schools have signed MOUs with leading Universities and Schools as given below:

#### A. The University Level:

### 19.0 Safety Guide for Students on Floods, Fire and Earthquakes Introduction

Mumbai is vulnerable to various natural and manmade disasters such as fire and industrial accidents, floods, chemical (transport and handling), biological, and nuclear hazards, earthquake, cyclones, landslides, bomb blasts, terrorism, riots and tidal surge due to its geographic conditions, industrial growth, increasing population density and squatter settlements have increased Mumbai's vulnerability to disasters.

The safety measures for a few disasters such as 1) Floods, 2) Earthquakes and 3) Fire in Mumbai are highlighted briefly in this document.

#### 19.1 **Floods:**

Floods in Mumbai are attributable to simultaneous occurrence of rainfall and high tides. If the rainfall is in excess of 200 mm in a day (24 hrs), floods can occur anytime irrespective of tides. However, if there is moderate rainfall but the tide is in excess of 4.50 meters at the same time, the city of Mumbai is likely to get flooded.

Precautions to be taken in case of Floods<sup>1</sup> are given in the Table 1 below. Floods in Mumbai -Are we prepared this time? (2009). Retrieved April, 2010 from Deloitte Official Website: http://bcm-india.org/deloitte-mumflood.pdf

#### 19.2 Earthquake

Mumbai is in the 'Moderate Seismic Zone III which can experience quakes up to 6.5 on the Richter scale.

Seismologists say that the major fault lines in Mumbai run along the Thane creek, Panvel creek and the Amba River, all three intersecting at Uran. A fault line also runs from Malabar Hill to Worli passing through Cumballa Hill.

Precautions to be taken in case of earthquakes are displayed in Table 2 below:

# Part II Anil Surendra Modi School of Commerce

### Message from Dean

SVKM's NMIMS Anil Surendra Modi School of Commerce (ASMSOC) imparts undergraduate & post graduate management education through its BBA, B.Com. (Hons.), B.Sc. Finance and MMS programs. The main objective of the school is to impart domain knowledge, and focus on developing competencies so that students can embark on managerial career paths and assume leading role in the corporate world. The course offers high employability for the student community. ASMSOC is engaged in improving and updating the curriculum. Innovative pedagogy helps the students to meet the industry expectations from an entry level graduate.

At the school, our program emphasizes not only on the development of analytical skills but also on indepth application of concepts, tools and techniques to a wide range of situations faced by managers. The curriculum will help students to gain an integrated perspective across functional areas with the capability of assuming higher responsibility and marked degree of flexibility in interpersonal relationships.

We at ASMSOC bring a unique combination of theory and practice. Students' skills are enhanced through soft skills, live projects, internship and experiential learning. This makes our graduates ready for real world challenges. The education imparted at the school helps the students to become good decision makers with social sensitivity.

The MMS program will begin from 2018. The school will use case based learning method as its chief pedagogical tool to bring to the classroom real world scenarios. This program will help to create high quality middle level managers in functional areas.

We are happy to announce that ASMSOC has initiated BBA & B. Sc Finance programs at Bangalore campus.

Wishing you, **all the best**, during your tenure at SVKM's NMIMS Anil Surendra Modi School of Commerce.

Sangita Kher I/C Dean

### 3.2 Passing Criteria

#### 3.2.1 Internal Continuous Assessment

In the internal continuous assessment examinations, a student must secure a minimum of one- third of the total maximum marks allotted to the internal continuous assessment examinations in each subject in order to be declared as successful in every subject of each of the semester.

### 3.2.2 Semester Examination (Theory Paper)

A student must secure a minimum of one-third of the total maximum marks allotted to every subject in each of the semester theory examinations, in order to be declared as successful in that subject in its theory paper.

3.2.3 Essential of IT in BBA and IT application paper in B.Sc. Finance have 3 components – Internal Theory Papers (40 Marks), External Theory Papers (40 Marks) and IT Practical Paper (20 Marks). All 3 components are compulsory. For the Term End Examination (TEE), students have to appear for both theory paper of 40 marks and practical paper of 20 marks. If students misses any of the components in TEE, the candidate will be declared fail in the course and the candidate will have to reappear for both the components.

### 3.2.4 Aggregate Passing

To pass, in a particular subject in any of the semester examination or semester re-examination, a student must

- secure a minimum of one-third of the marks allotted to the internal continuous assessment examination in that subject
- secure a minimum of one-third marks in the theory paper of that subject in the semester examination, and
- secure a minimum of 50% of aggregate marks out of the total marks (that is, internal assessment plus theory paper) allotted to the subject/s.

3.2.5 Grades and Grade points system

Grade	Grade Point
A+	4
A	3.75
A-	3.5
B+	3.25
В	3
B-	2.75
C+	2.5
С	2.25
C-	2
F	0

### Method of calculation of letter grades and GPA/ CGPA:

### For the calculation of grades, the following guidelines are observed

- Maximum marks assigned by the faculty concerned for a course will be taken into account for the batch/ group.
- Difference between the maximum marks and 50 marks would be calculated.
- The said difference will be equally divided into slabs of nine letter grades (i.e. A+, A, and A-, B+, B and B-and C+, C and C-)
- 'F' grade will be assigned to students who have obtained marks less than 50
- Grading will be done on the basis of marks obtained by a student in each course which will be fitted into the above slabs of letter grades

In case of elective courses, the number of students for that course would be considered for the purpose of assigning grades for that course.

### **Calculation of GPA:**

• Grade Point Average will be computed by taking the average of grade points obtained by a student for all the subjects of the relevant semester after considering the credit values assigned for the related subjects.

#### **Calculation of CGPA:**

 Cumulative Grade Point Average is computed by dividing the sum of grade point averages upto the related semester by number of semesters completed by the student till date.

### 3.3 Non – fulfillment of Passing Criteria

- 3.3.1 If a student gets less than the prescribed one-third marks allotted in the internal continuous assessment in a particular subject, a student shall be debarred from appearing at the semester-end examination in the said subject. However, the students will be given a chance to improve their performance to secure the necessary prescribed minimum marks in the internal continuous assessment by way of re-doing the required projects and assignments as decided by the respective subject-teachers, before conclusion of that specific semester and before the commencement of term-end examination of that particular semester. The modalities of the internal continuous assessment shall be decided by the subject teacher and the Dean of the School of Commerce. It is the sole responsibility of the student to comply with the above requirement before the end of every semester. If he/ she fail to do so, he/ she shall be declared failed in that subject. In such cases, he/she will have to take re-admission in the next academic year.
- 3.3.2 In case a student obtains at least one-third of the total marks in a subject in the internal continuous assessment examinations, but fails in the semester examination in the theory paper of that subject, then his / her marks in the internal continuous assessment examinations will be carried forward and shall be added to the marks obtained at the re-examination/s in that subject. The student must obtain a minimum of 50% of the aggregate total marks allotted to the particular subject.
- 3.3.3 In case a student secures the minimum one-third of the total marks in the internal continuous assessment examinations in that subject, and also secures the minimum one-third or the total maximum marks in the semester theory examination in the subject, but fails to secure aggregate 50% marks out the total marks (internal continuous assessment plus semester examination) allotted to that subject, he/she is then required to appear for re-examination/s in theory paper in those subjects in which he/ she has failed to secure 50% aggregate marks. Again, in such a case his / her marks in the internal continuous assessment examinations in the subject will be carried forward as mentioned above.
- 3.3.4 If a student has failed under any head in any subject (i.e. 'Internal Continuous Assessment' or 'Semester Examination' or 'Aggregate'), he/ she shall be deemed to have failed in that subject.

### 3.4 General rules

- 3.4.1 A student who remains absent from semester examination/s due to any reason in any subject shall be awarded 'F' grade in the subject/s in which he/ she has remained absent. All such students will be allowed to appear at re-examination in the said subject to be conducted at the end of the year but before the beginning of the next academic year. Such student will be awarded 'Normal Grade' grade/s in that re-examination as mentioned above.
- 3.4.2 In order to receive the degree, the student will have to pass in all the examinations of all the years.
- 3.4.3 Grievance Redressal: In case a student is not satisfied with the result/ grade received by him in a particular subject, he/ she may follow the 'Grievance Redressal Procedure' in case he/ she desires.

- 3.4.4 The fees for re-examinations and re-admission will be decided by the University from time to time.
- 3.4.5 In case of any disputes/differences, decision of the University shall be final and binding on the students. If a student desires to institute any legal proceedings against the University, such legal proceedings shall be instituted only in court at Mumbai in whose jurisdiction the application is submitted by the student and not in any other court.
- 3.4.6 Modification in criteria/rules: On the recommendation of the Board of Studies of the School of Commerce and the Board of Examinations, the Academic Council shall have the sole discretionary right to modify all or any of the above criteria at any time without prior notice.

### 4. Placement Guidelines for Students of courses where placement is offered:

The Placement Office coordinates and facilitates the placement activities for the B.Sc. Finance, B.Com (Hons.) and BBA programme under the supervision of the Placement Executive.

### **4.1** Placement is provided to students of Third Year who register for Placement.

Placement should not be considered as a **backup arrangement** as against any competitive exams/admissions abroad. Any student registering for placement is expected to be clear in his intention of applying for placement and further applying to the Companies that participate in the Placement process and also accept an offer made to him/her by the Company. Any misconduct would result in immediate expulsion of the said student from the Placement Process and/or any action as decided by the Competitive Authority.

Students who register for Placements will have to sign an undertaking along with their parents, quoting that they are seriously interested in Placements.

Dress Code for all placement events: Boys – Formal Shirt with Tie & Blazer, Girls – Business formals with blazer and closed formal shoes.

**Pre – Placement Talk (PPT) and Placement Process**: It is compulsory for every student to be present for the PPT of the company to which they are applying before the company arrives and keep their mobile phones, laptops & all other gadgets switched off. Students are expected to be in time for the PPT. Late comers will not be allowed to attend the PPT nor apply to that Company.

Students are expected to read & come prepared with a background & fact file on the Company holding the PPT.

**Resumes:** Students should prepare their resumes in the prescribed University format and submit this to the Placement Office. Information on the resume should be accurate and honest viz. the complete name of the program, CGPA – as it appears in the transcript, academic and corporate projects as approved by the University, contribution made as a part of various committees and cells, etc.

Placement Office reserves the right to regulate this activity. Any discrepancy will lead to immediate expulsion of the candidate from the Placement Process.

Students are expected to maintain decorum & abide by the University rules during the Placement Process.

#### 4.2 Placement Guidelines

NMIMS's ASM-SOC follows a '1 student 1 offer' policy. Each student is entitled to only one offer. Students placed would be withdrawn from subsequent processes.

Companies generally share details of the job profile beforehand. However in some cases the company may give a general idea about the opportunity. Students should be aware of the same before applying.

Companies would be encouraged to give spot offers. Once a student is offered a job, he/she would be out of the placement process and will not be eligible to take up any subsequent job offers.

Offers made by the companies during the placement process cannot be rejected. Thus, students are expected to make informed decisions about applying to companies.

In rare cases, if a student gets multiple job offers simultaneously (on one day), he / she will have to choose one offer and reject others on the spot.

Students should participate in the entire process for which they have been shortlisted. In case a student fails to attend any selection process, he / she must submit an application regarding the same. If the reason is found valid and approved by the competent authority, the student will be given further chance to appear for other processes.

The selection process will generally be held in the campus. However in some cases the student may have to go to the company's office for the same. Students will not be able to back out on this account. Absence: Attendance for the PPT is compulsory and absence will lead to disqualification of the student from applying to that company and in case of repeated violations, from the subsequent placement process.

It is mandatory for a student to apply for a profile, which he / she has opted for. e.g. Finance/Marketing. If a student fails to apply for 3 Companies consecutively for the profile that he / she has opted (not considering open profiles), it will be presumed that he/she is not interested in placement and will be barred from Placements.

Students should follow the Placement Guidelines framed by the University from time to time.

Student applying through the Placement Committee for participation in a company selection process MUST complete the entire selection process.

Students withdrawing from a placement process where their resumes have been dispatched to the company will be debarred from any further participation in the placement process of any other recruiter.

It should be understood that once a student registers for placement, his/her resume will be sent to the company for the profile that he/she has opted for. In the event a student does not attend the process as fixed by the company, he/she will be debarred from further participation in the placement process of any other recruiter.

Canvassing in any form will disqualify the students.

ASM-SOC reserves its right to take any disciplinary action, if students do not honour their commitments or resort to unethical behaviour. The management has the right to communicate with the employer/s if students do not adhere to the code of conduct.

Placement information is confidential and any breach of confidentiality will lead to strict action.

The above guidelines are applicable to all Third Year B.Com (Hons.), B.Sc. Finance and BBA students who register for placements. Any student found violating these guidelines would be expelled from the placement process.

The ASM-SOC reserves the right to withhold the final offer letter to the student, if it finds that the student has /had misbehaved, not kept up with course work or any other act of indiscipline.

Relationship with companies is very important and significant to ASM-SOC. Therefore students must cooperate to maintain cordial relationship with all companies at all times.

SVKM's NMIMS ASM - SOC reserves the right to change, modify the guidelines in the best interest of students.

All students who wish to register for Placement are required to get an Undertaking duly signed by their parents.

### 4.3 <u>Internships/Projects</u>

The Placement Office makes all efforts to reach out for internships across varied sectors, companies and profiles. Based on ones interests and capabilities one should seek internships. Choosing the correct company for internships and performing up to the mark is of utmost importance.

The Internships are not only a window to the corporate world but also a relationship building tool for NMIMS. It allows the companies to have a look at the talent at NMIMS, thereby strengthening Final Placements.

Internships are an integral part of the curriculum for securing the degree. It is a great learning platform for our students and goes a long way in shaping the learning obtained in the class room. This experience is of immense use to students to enable them to acclimatize themselves to the intricacies of the corporate world.

Students are encouraged to obtain Industry exposure during summer vacations.

Summer Internship for  $2^{nd}$  year students of each programme is a pre requisite for them to qualify for Placements in Final Year.

The project is expected to build on the theoretical learning with practical experience and help students to identify the gaps in their learning which they can attempt to fill in. They could also discover areas of interest and future career options.

Interactions during the internships both with other interns as well as employees help students to understand the expectations/needs of the organisation, the sector in general, to identify the gaps in their learning and in orienting oneself towards the sector and developing the required skill sets to emerge as the most suitable candidate.

Internships also hold a special significance as it is an apt mechanism for companies to spot bright talent

early. Many companies have structured internship process which is used as a 'testing ground' to gain a direct understanding of the skill and ability of students leading to declaration of PPO's/PPI's. NMIMS too encourages candidates to work towards such offers that are based on internship performance.

Pre Placement Offer (PPO) is an Offer by the company to the intern acknowledging the excellent work done during the internship. Pre Placement Interview (PPI) is an opportunity by the company for the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.

While feedback from the company is sought, the internship is also evaluated by School that could involve faculty guide monitoring the performance; periodic report submissions, evaluations and Viva Voce.
