STUDYING AT JNU
Learning skills that shape the world

JODHPUR NATIONAL UNIVERSITY

Pioneered the concept of technical and professional education in the Western part of Rajasthan.

It was established by Govt. of Rajasthan u/s 2(f) of the UGC Act, 1956 as state private university since its inception, it has strived to provide excellence in all fields of technical and professional education by attracting the best of the faculty from a wide spread spectrum of intellectuals from all over the country and abroad.

The University is situated in the suburbs of Jodhpur and is housed in a sprawling campus of 31 acres. It provides a highly stimulating and intellectually vibrant ambience to the students wishing to pursue quality education and excellence in their chosen field.

JNU CAMPUS

Chairperson's Message

Dear Students and Friends,

It is a matter of great pride and privilege for me and for those, who were incessantly associated with a group of institutions beginning 2002, having a dream to impart the state of art education to one and all.

I feel honoured that our efforts have paid through and today we have become, for which we have aspired, a university in the name and style of Jodhpur National University (JNU).

I am indeed very happy that we carry the name of city as our prefix for which I pledge that I along with my team will leave no stone unturned to make this name globally known place for excellence in higher and technical education.

We have focused much of our past few years revising our strategic plans and on envisioning what an educational institution can become in the next five years. With all planning exercises, we shall achieve some of our goals and re-evaluate others. And, given the dynamic nature of higher education, we will no doubt pursue some new innovations in those areas which are barely imaginative today.

The one constant will be our commitment to maintain JNU's role as an institution dedicated to diverse and ever expanding community that comprises students, scholars, academicians, corporate leaders and intellectuals of the city and region that we serve without losing its commitment to available to society at large specially elderly people for their need of Education & Medicare.

Our success will be measured by the number of students we educate and quality of education we provide. It will be reinforced by talented men and women who commit their professional lives JNU as teachers, researchers and support staff, who truly view university as a great place to work.

And last but not the least I thank all the students, their parents, the teachers, the staff and all those who were directly or indirectly associated with us and have made our current growth possible.

Welcome Aboard
CA Kamal Mehta

QUALITY EDUCATION

STATE OF ART INFRASTRUCTURE

University is committed to "Ready to work" culture, placement, multi-skilling, influencing practice and promoting value based growth. The University will emphasize skill and attitudes as much as knowledge of developing indigenous learner centric pedagogic technologies and adopting practices from elite institutions. It will try to integrate education with action oriented research, group dynamics, customized practice exercises. Two pillars on which rest the edifices of our educational pedagogy and development are social relevance and responsiveness, concurrent co-operation and competition.

Engineering

Medicine and Health

Computer Application

The faculty of Computer Applications is having focus on developing software professionals acceptable to the industry.

Management

Faculty of Management, its not theory, which rules the roots, its activities based learning throughout the course.

FIRST PRIVATE UNIVERSITY IN WESTERN RAJASTHAN

Research Program

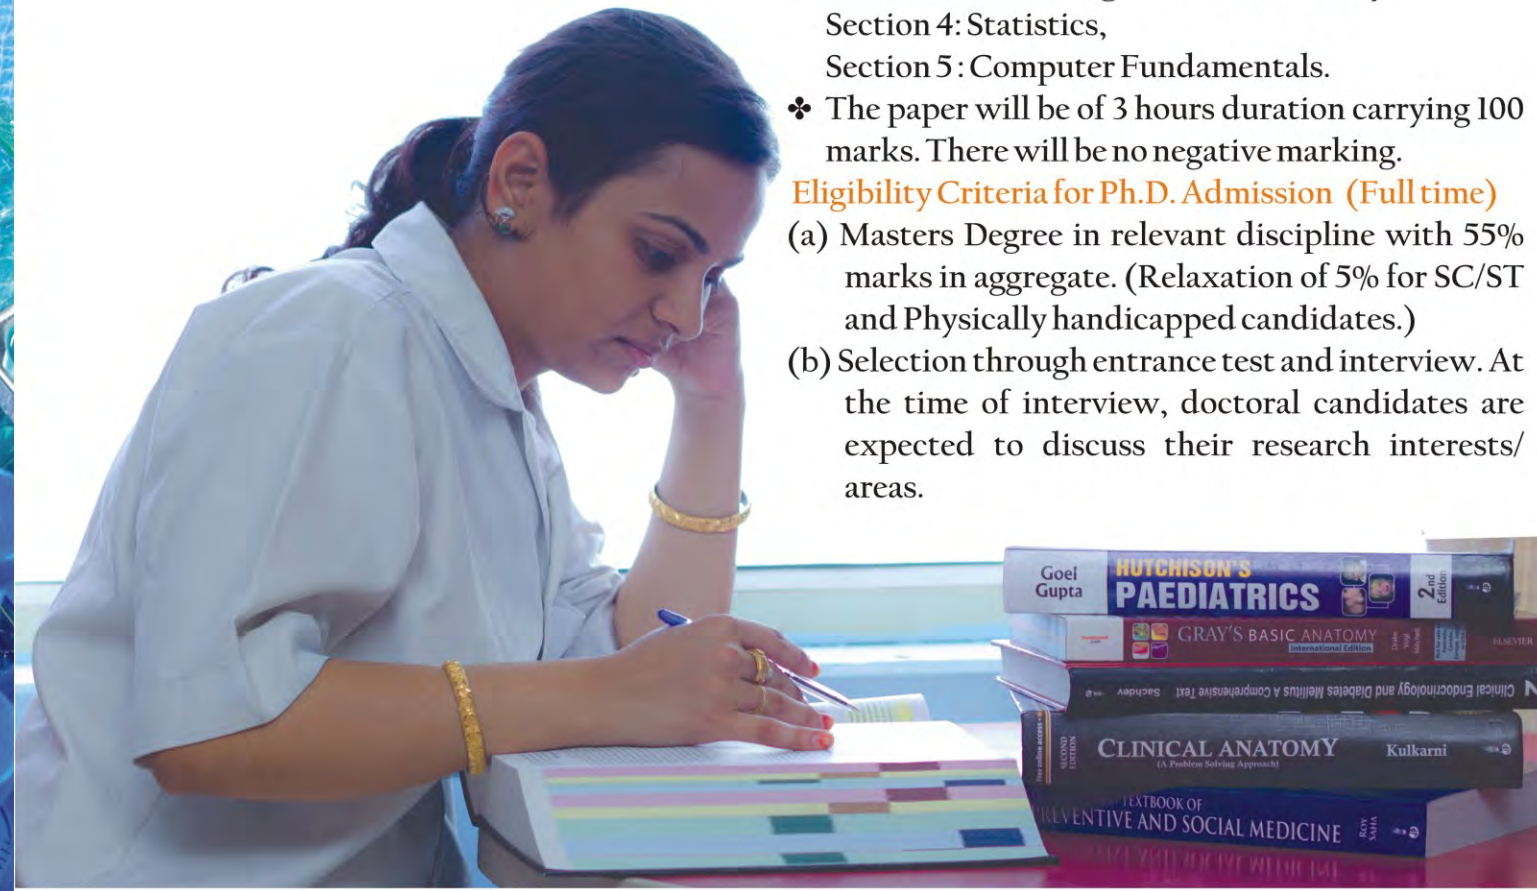

Applications are invited for admission to Ph.D. programme in various subjects. Admission will be made through entrance test and interview as per Ph.D. regulations of the university based on UGC regulation 2009. Syllabus: There will be objective type questions consistent with graduate level from General English, General Awareness, Reasoning and Mental Ability, Statistics and Computer Fundamentals.

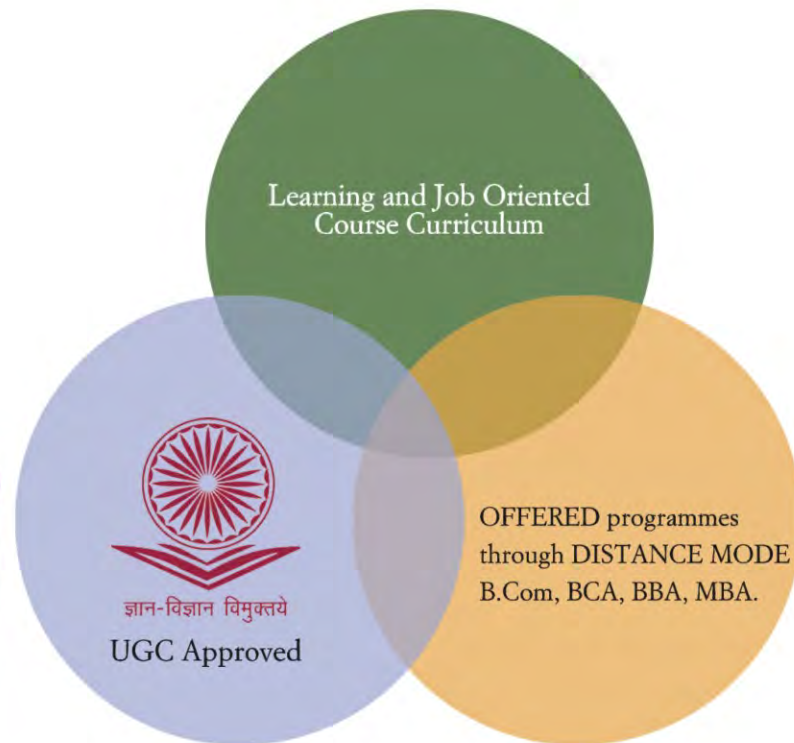

- ❖ There will be an objective type entrance test paper comprising of 5 sections viz.
Section 1: General English,
Section 2: General Awareness,
Section 3: Reasoning and Mental Ability,
Section 4: Statistics,
Section 5: Computer Fundamentals.

- ❖ The paper will be of 3 hours duration carrying 100 marks. There will be no negative marking.

Eligibility Criteria for Ph.D. Admission (Full time)

- (a) Masters Degree in relevant discipline with 55% marks in aggregate. (Relaxation of 5% for SC/ST and Physically handicapped candidates.)
- (b) Selection through entrance test and interview. At the time of interview, doctoral candidates are expected to discuss their research interests/ areas.

Jodhpur National University offered UGC (Distance Education Bureau) Recognized programmes through DISTANCE MODE B.Com, BCA, BBA, MBA.

Distance education is a way to provide alternative option to acquire professional education and access to their chosen programs, specially designed to meet the needs and requirements that arise when learning is taking place outside of a traditional classroom setting.

Distance learning makes it much easier for some students to complete a degree or get additional job-training while balancing work and family commitments.

Our Distance education is backed by professional support and study material support.

JODHPUR MEDICAL COLLEGE HOSPITAL

www.jodhpurmedicalcollegehospital.com

Jodhpur Medical College Hospital is a landmark health destination managed by Jodhpur National University Group. First of its kind in Western Rajasthan, the 300 bedded hospital has the state-of-the-art technology over virtually all specialities. The technology advantage is complemented by the man power excellence providing sophisticated and specialized medical care at affordable cost.

With a team dedicated in bringing you a world of care with every visit. World-class medical care, friendly, devoted service and afford ability are the key features in our every touch. Headed by Dr. D.R. Mathur, the leader with unstinted commitment, the expert team of doctors and support staff ensure the best care is delivered at all time with utmost dedication.

Faculty of Engineering and Technology

Founded in 2002, the bench mark of the institute is to produce engineers at the level of the liT graduates for which purpose it has put appropriate infrastructure in place. The class-room teaching is supported by LDC/OH projected and reinforced with on line learning Materials with a hard copy placed in the library. In a period of ten years it is now a name to reckon within and outside the state of Rajasthan. This has been achieved by sheer hard work, dedication, devotion and commitment of the faculty with environment of discipline, orderliness and timeliness.

Faculty of Medicine and Health

Medicine and Health popularly known as JDCGH, is aided by highly qualified and experienced teaching staff using most modern and innovative teaching aids and methodology. Such an environment is well supported by state of the art well equipped laboratories and clinics, materials and patient simulation system in all branches dentistry including prosthodontics, Restorative Dentistry, Endodontics, Periodontology, Orthodontics and Pediatric Dentistry. Our objective is to provide a rich 'hands-on' clinical experience to prepare the students for future independent practice.

Faculty of Management

Faculty of Management, its not theory, which rules the roots, its activities based learning throughout the course. The institute provides an environment conducive to build business acumen and practical common sense. Personality Grooming is given prime importance. Every Saturday field work is assigned to u dents when budding managers visit industry & get involved in small projects, market surveys so on. A guest lecture by a prominent person from any business area is organized frequently.

Faculty of Pharmaceutical Sciences

Faculty of Pharmaceutical Sciences (FOPS) led the foundation stone of Pharmacy Education as a carrier in Western Rajasthan in the year 2003, to promote quality education and provide value based and affordable education to those who are desirous of outstanding achievements in learning, discovery and citizenship in a creative community, building one of the world's great educational set up for :the Good of All. Our Faculty is approved by Pharmacy Council of India (PCI) and All India Council of Technical Education

Faculty of Law

Faculty of Law, JNU imparts a rigorous and multi-disciplinary quality legal education to meet the growing demand for world-class legal professionals, and consultants. Students are provided with theoretical knowledge and practical experience to meet the challenges and opportunities of a rapidly changing world. Faculty offers undergraduate multi-disciplinary B.A. LL.B (Hons.) program approved by the Bar Council of India and Doctorate program in Law as per the gazette notification of UGC.

Faculty of Computer Application

The faculty of Computer Applications is having focus on developing software professionals acceptable to the industry. Modern software industry requires com etent professionals equipped not only with educational qualifications but also having dear concepts, in depth technical knowledge of various latest technologies and related skills.

Faculty of Applied Science Programme

Applied science is the application of scientific knowledge transferred into a physical environment. Faculty of Applied Science, though still in its infancy has the motto of exploring unexplored scientific adventure through in depth research specially in the field of Environmental Sciences , Biotechnology and various streams of subjects.

Faculty of Education

It is devoted to the promotion of education, research, training, social welfare and new technologies according to the best emerging trends.

Faculty of Arts and Commerces

Faculty of Arts and Commerce's curriculum is designed to provide you holistic approach of subject. The guidance and support provided by the faculty brings good career options. Committed to excellence, we seek to impart knowledge and develop skills in you to become professionals, well versed in modern technology and management practices.

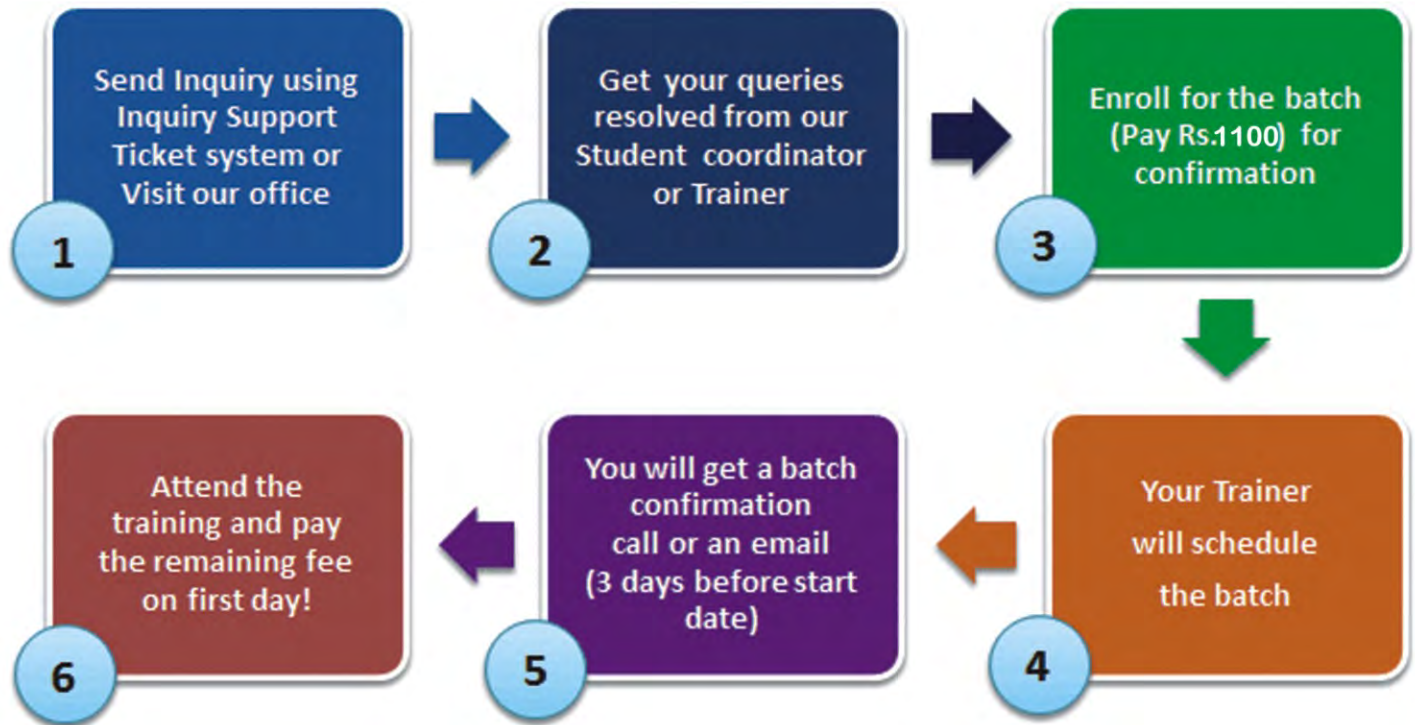

Program At Glance

| Course Name | Faculty | Eligibility | Duration |
|--|-------------------------------------|--|----------------------------------|
| Graduate Program | | | |
| B.Tech. (Computer Science & Engineering) | Faculty of Engineering & Technology | Senior Secondary (10+2) from any approved Board, PCM with 45 % | 4 Years |
| B.Tech. (Information Technology) | Faculty of Engineering & Technology | Senior Secondary (10+2) from any approved Board, PCM with 45 % | 4 Years |
| B.Tech. (E & CE) | Faculty of Engineering & Technology | Senior Secondary (10+2) from any approved Board , PCM with 45 % | 4 Years |
| B.Tech. (Electrical Engineering) | Faculty of Engineering & Technology | Senior Secondary (10+2) from any approved Board , PCM with 45 % | 4 Years |
| B.Tech. (Mechanical Engineering) | Faculty of Engineering & Technology | Senior Secondary (10+2) from any approved Board , PCM with 45 % | 4 Years |
| B.Tech. (Civil Engineering) | Faculty of Engineering & Technology | Senior Secondary (10+2) from any approved Board , PCM with 45 % | 4 Years |
| B.B.A. | Faculty of Management | Senior Secondary (10+2) from any approved Board | 3 Years |
| B.C.A. | Faculty of Computer Application | Senior Secondary (10+2) from any approved Board , PCB/PCM | 3 Years |
| B.P.T | Faculty of Medicine and Health | Senior Secondary (10+2) from any approved Board with PCB/PCM | 4.5 Years |
| B.Pharm. | Faculty of Pharmaceutical Sciences | Senior Secondary (10+2) from any approved Board in PCB/PCM | 4 Years |
| B.D.S. | Faculty of Medicine and Health | I. Senior Secondary (10+2) from any approved Board in PCB II. The candidate shall have obtained not less than 50% of the aggregate marks at the qualifying examination & for SC/ST/OBC candidates 45% | 4 Years+ 1 year Internship |
| B.B.A.,M.B.A. | Faculty of Management | Senior Secondary (10+2) from any approved Board | 4.5 Years + Training |
| B.Tech. M.B.A. | Faculty of Engineering & Technology | Senior Secondary (10+2) from any approved Board with PCM with 45% | 5 Years |
| B.Pharm. M.B.A. | Faculty of Pharmaceutical Sciences | Senior Secondary (10+2) from any approved Board with PCB/PCM | 5 Years |
| B.A. LL.B. (Hons.) | Faculty of Law | Senior Secondary (10+2) from any approved Board with 50 % | 5 Years |
| B.C.A. M.C.A. | Faculty of Computer Application | Senior Secondary (10+2) from any approved Board | 5 Years |
| B.A./ B.Com | Faculty of Arts & Commerce | Senior Secondary (10+2) from any approved Board | 3 Years |
| B.Sc. | Faculty of Applied Sciences | Senior Secondary (10+2) from any approved Board with PCB | 3 Years |
| B.Lib | Faculty of Arts & Commerce | Graduate with minimum 45% marks | 1 Year |
| B.J.M.C | Faculty of Arts & Commerce | Senior Secondary (10+2) from any approved Board | 3 Years |
| Diploma | | | |
| D.Pharm. | Faculty of Pharmaceutical Sciences | Senior Secondary 10+2 with PCB/PCM | 2 Years |
| Diploma in Engineering (Civil, Mechanical, Electrical, Electronics and Communication, Computers, Automobile) | Faculty of Engineering & Technology | Secondary (10th) from any approved Board | 3 Years |
| DCA | Faculty of Computer Application | Senior Secondary (10+2) from any approved Board | 1 Year |
| PGDCA | Faculty of Computer Application | Graduate with minimum 45% marks | 1 Year |
| DMLT | Faculty of Medicine and Health | Senior Secondary (10+2) from any approved Board | 2 Years |

| Course Name | Faculty | Eligibility | Duration |
|--|-------------------------------------|--|------------|
| Post Graduate Program | | | |
| M.Tech (Computer Science) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech (Civil Engineering - Structural) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech. (Civil Engineering -Transportation) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech. (Civil Engineering - Geotechnical) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech. (Civil Engineering - Environmental) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech. (Electrical Engineering - Power Systems) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech. (Electical Engineering - Instrumentation and Controls) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech (Electronics & Communication - Digital Communication) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech. (Mechanical Engineering - Thermal) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Tech. (Production Engineering) | Faculty of Engineering & Technology | B.Tech with minimum 55 % Marks | 2 Years |
| M.Pharm. (Pharmacology) | Faculty of Pharmaceutical Sciences | B.Pharma | 2 Years |
| M.Pharm. (Pharmaceutics) | Faculty of Pharmaceutical Sciences | B.Pharma | 2 Years |
| M.Pharm. (Pharmacognosy) | Faculty of Pharmaceutical Sciences | B.Pharma | 2 Years |
| M.Pharm. (Quality Assurance) | Faculty of Pharmaceutical Sciences | B.Pharma | 2 Years |
| M.Pharm. (Clinical Pharmacy) | Faculty of Pharmaceutical Sciences | B.Pharma | 2 Years |
| M.B.A. | Faculty of Management | Graduate with minimum 45% marks | 2 Years |
| Masters in Hospital Adminstration | Faculty of Medicine and Health | Graduate with minimum 50% marks | 2 Years |
| M.P.H. | Faculty of Medicine and Health | Undergraduate degree in biological, clinical and social sciences with 50% marks in aggregate | 2 Years |
| M.P.T. | Faculty of Medicine and Health | B.P.T./B.Sc (P.T.) with 50% Marks | 2 Years |
| M.C.A. | Faculty of Computer Appilcation | Graduate with minimum 50% marks | 3 Years |
| LLM | Faculty of Law | LLB | 2 Years |
| MA | Faculty of Arts of Commerce | Graduate | 2 years |
| M.Sc. | Faculty of Applied Sciences | B.Sc. (Pass/Honors) | 2 Years |
| M.Lib | Faculty of Arts of Commerce | B.Lib | 2 Years |
| M.J.M.C | Faculty of Arts of Commerce | B.J.M.C | 2 Years |
| MA (Education) | Faculty of Education | B.Ed | 2 Years |
| Research | | | |
| Ph.D | All Faculties | Post Graduate with 55% marks | 30 Months. |
| M.Phil | All Faculties | Post Graduate with 55% marks | 12 Months |

ADMISSION PROCESS

Campus Placement

"Dream Shapers and Dream Makers" of corporate world to unfold new horizons with realization of new dreams and rediscovering strength so that our people could rejoice in every simple pleasure and gear up for new challenges and intend to develop strategic formalities achieve them with prudence.

Jodhpur National University has been effectively contributing to convert demographic workforce into dividend and providing Indian industries with young enthusiastic technocrats, managers and marching ahead with its commitment to shape youngsters into "Live Engineers and Professionals". We believe "future is not a gift, it is an achievement". The guiding philosophy of JNU is influencing practice and promoting value and knowledge based growth.
