MESSAGE FROM PROFESSOR — IN - CHARGE

As professor-in-charge of placements in NITIE, I am filled with immense pleasure as yet another successful season of final placements in NITIE for the class of 2016, comes to a close.

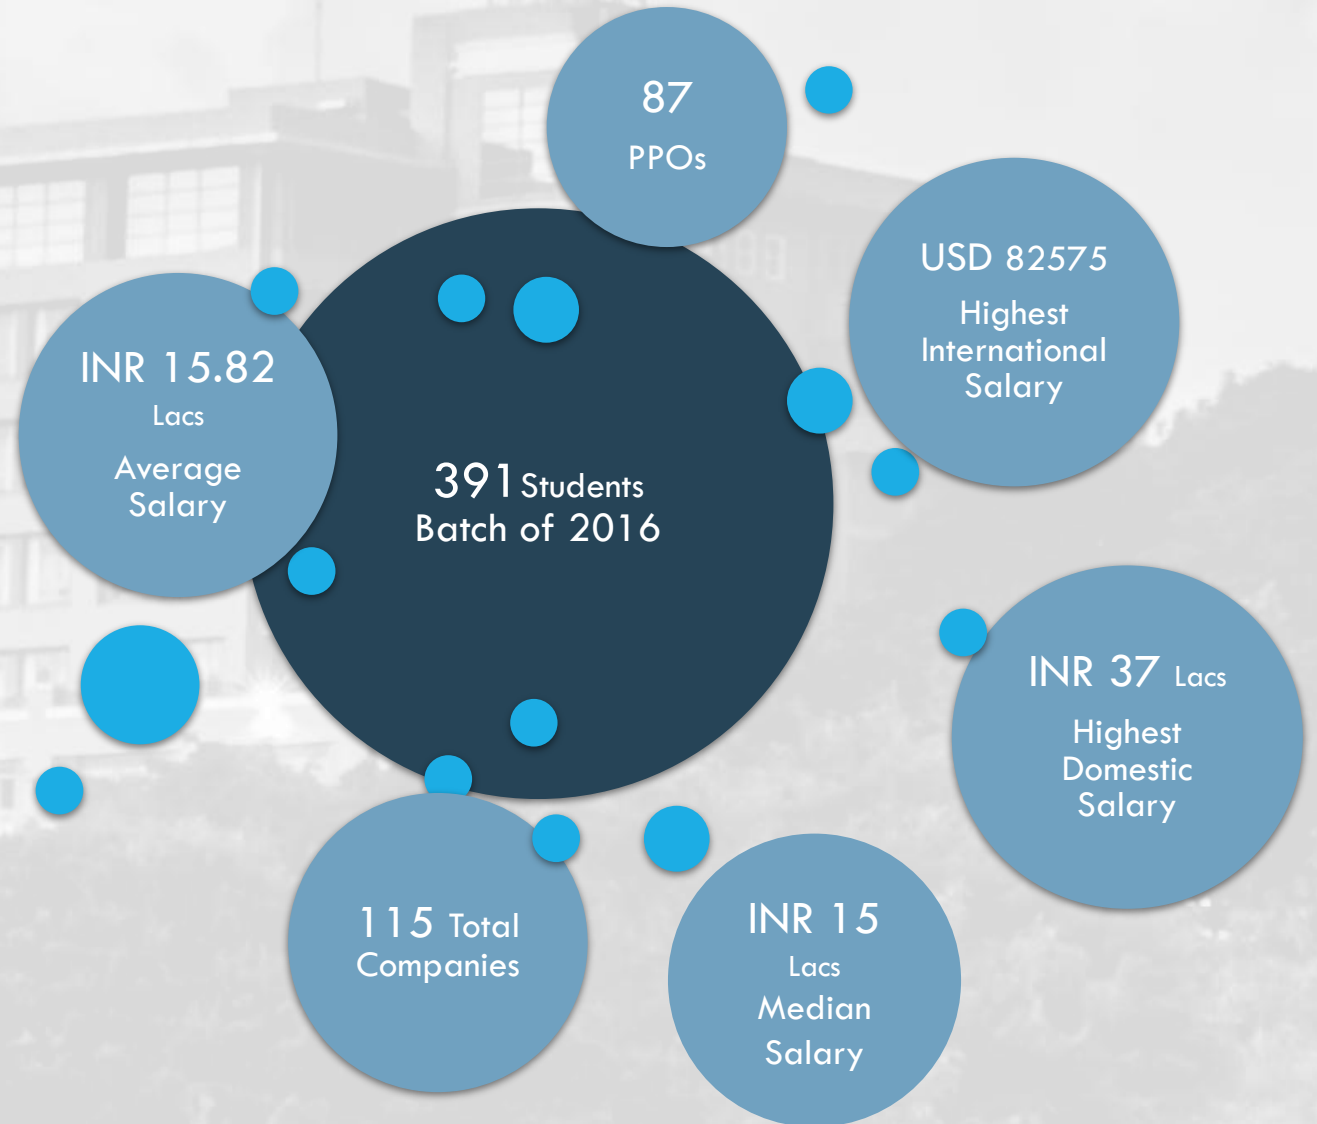

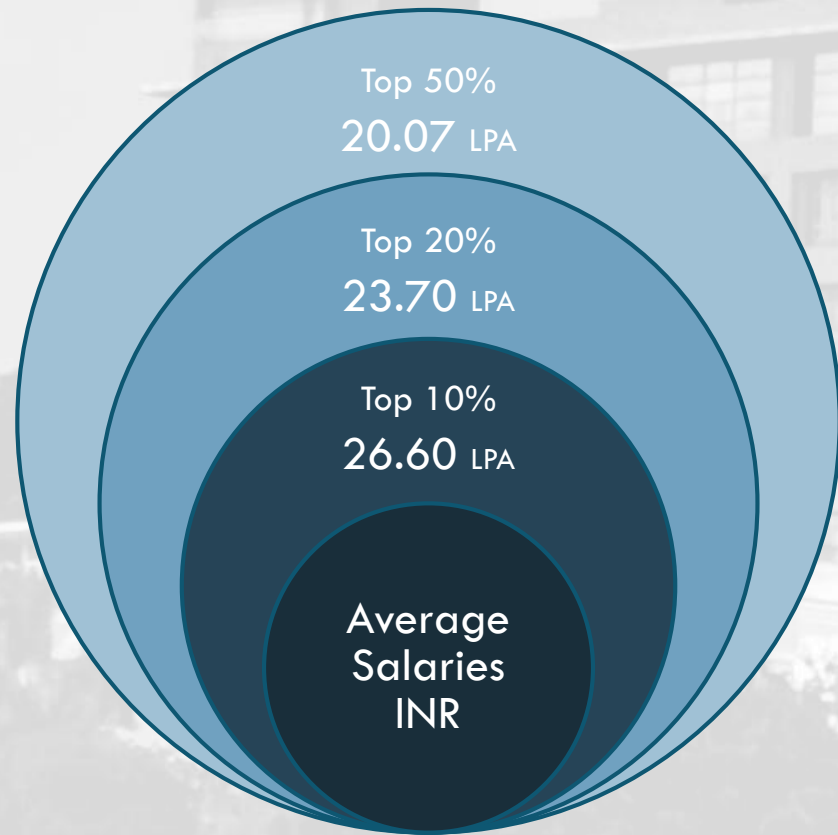

The final placements for the class of 2016 was remarkable as NITIE saw a diverse mix of companies spread across various domains and functions, offering niche roles to the students. Yet again, NITIE remained the choice for recruiters for Supply Chain and Operations role. However, other domains of management, be it Finance or Marketing also made their presence felt in the placement report.

This success couldn't have been achieved without the stellar performance of the class of 2016 batch who lived up to the high standards of NITIE. I would also like to express my gratitude to our Hon'ble Director and Dean, Student Affairs for their unwavering support. My earnest thanks to all the recruiters who showed faith in NITIE as a credible institution.
