# ABOUT THE INSTITUTE

Indira Gandhi Institute of Development Research (IGIDR) is an advanced research institute established and fully funded by the Reserve Bank of India for carrying out research on development issues from a multi-disciplinary point of view. IGIDR was registered as an autonomous institute on November 14, 1986 and as a public trust in January 1987. The Institute was recognized as a Deemed University under Section 3 of the UGC Act. Since then it has been awarded the highest National Assessment and Accreditation Council (NAAC) rating of A++ (under the old methodology) given to Indian academic institutions.

Starting as a purely research institution, it rapidly developed into a full-fledged teaching cum research organisation when it launched a Ph.D. program in the field of development studies in 1990. The objective of the Ph.D. programme is to produce

researchers with diverse disciplinary backgrounds who can address issues of economics, energy and environment policies. In 1995, the institute initiated the M.Phil programme and the M.Sc. programme in 2003.

Since 1987 IGIDR has been relentless in its pursuit of excellence in teaching, research, and consulting support to the industry. The institution is known for excellence in research and scholarship, global character, values, diversity and for the impact it makes on multiple stakeholders in the society

# VISION AND VALUES

We strive to promote and conduct research on developmental issues from a broad inter-disciplinary perspective. The institute undertakes projects and participates in activities useful for the furtherance of development and social welfare. It strives to promote cooperative endeavour and interaction between research scholars and institutions both within India and abroad, while encouraging specialized training for advanced degrees (Masters and Doctorate awards).

**I**ndira Gandhi Institute of Development Research (IGIDR) is an advanced teaching and research institute. It offers M.Sc. (Econ.), M.Phil. & Ph.D. degrees in development studies and provides professional training in most branches of economics from a multi-disciplinary perspective.

The teaching program has a cutting edge curriculum and accomplished faculty. It has a vibrant student body which is diverse in its academic background as well as national character. Its teaching program is unique in terms of research assistantships which give an opportunity to students to assist the faculty in research projects. In these projects, they handle large datasets, use advanced quantitative techniques and learn how to interpret the results. Quantitative techniques, analytical insights and field experience are all blended in the research projects as well as in various courses offered.

No wonder then that our graduates develop wide-ranging expertise on several broad fronts. Our students have got jobs in reputed corporate firms, banks, research institutes, universities and NGOs. It reflects the quality of teaching and research at IGIDR.

**Prof S. Mahendra Dev**

## MESSAGE FROM THE DIRECTOR

IGIDR is one of the premier educational institutes of higher studies in India. It offers a PG programme in Economics and M.Phil/Ph.D. programme in Development Studies. These programmes allow the students to specialise in two sub-fields of economics of their choice. The courses have a right blend of theory and applications, and are designed to suit the requirement of the rapidly changing world economy. Our courses emphasize analytical and quantitative approaches.

The institute boasts of finest quality faculty and a world class library and computer centre. Access to latest econometric software enables the students to engage in high quality empirical research. Students have access to numerous datasets including NSSO, agriculture, industry, corporate, trade and macroeconomics. Our M.Phil/Ph.D. students regularly present their findings in national and international conferences and publish papers in peer reviewed international journals, which establishes their research credentials. Apart from class room learning, students also get exposure to the ideas of eminent scholars of national and international repute who regularly visit IGIDR to give guest lectures and seminars.

IGIDR students are recognised in both the academic and corporate sectors in India and abroad. I have no doubt that our students are well trained and equipped to take up challenging careers in a variety of organisations that will shape them further and to contribute to the economic policies of the nation.

**Prof. A. Ganesh Kumar**

Bombay  
Post Doctoral Research, World Bank, USA  
Post Doctoral Research at NIES,  
Ministry of Environment, Japan.

# THE PROGRAMME

## M.Sc. Economics

M.Sc. in Economics is a two year programme. The students are required to undertake 8 compulsory courses in the first year. In the second year, students choose 8 optional courses (or 7 optional courses and a Master's thesis) that includes (i) one Major Field of Specialisation consisting of 4 optional courses in a related field, (ii) one Minor Field of Specialisation consisting of 2 optional courses in a related field, and (iii) two (or one in case the student opts to do a Master's thesis) other optional courses that may be from un-related fields.

## M.Phil. in Development Studies

This is a two-year programme. The programme requires both successful completions of a minimum of 10 courses as well as submission of a dissertation. M.Phil. students are required to take eight courses (four compulsory and four optional), which they must complete in the first year. Additionally, all M.Phil. and Ph.D. students are required to take the course on Research Methodology and the course on Seminar Series.

## Ph.D in Development Studies

The Ph.D. programme is designed to create academic researchers as well as professionals who are capable of conducting policy analysis, relating to national and global economic and development issues, from a quantitative and inter-disciplinary perspective. Ph.D. students are required to take fourteen courses (four compulsory and ten optional), which they are expected to complete in two years. While an interdisciplinary approach is encouraged, the programme lays somewhat larger emphasis on economics to provide an integrated framework within which various development issues can be addressed. Ph.D. students are expected to submit their dissertations within four years of joining the Institute.

# THE PROGRAMME

Microeconomics-I  
Microeconomics-II

Macroeconomics-I  
Macroeconomics-II

Econometrics-I  
Econometrics-II

Mathematics for Economists  
Development Economics

## Microeconomics Applications and Theory

- Advances in International Trade Theory
- Applied General Equilibrium Models
- Applied International Trade and Investment
- Applied Microeconomic Theory I
- Auction Theory
- Behavioral Economics
- Corporate Governance: Theory and Empirics
- Economics of Information: Contract Theory
- Economics of Information: Contract Theory II
- Economics of Regulation and Competition Policy
- Game Theory
- Industrial Organization
- Special Topics in Microeconomic Theory
- Theories and Behavior of the Firm
- Theory of Institutions

## Macroeconomics, Finance and Growth

- Advanced Financial Economics
- Applied General Equilibrium Models
- Corporate Governance: Theory and Empirics
- Economy-wide Models
- Financial Econometrics - I
- Indian Economy
- Introduction to Financial Economics
- Issues in Finance and Growth
- Measurement of Risk in Securities Market
- Monetary Theory and Policy
- Public Finance and Fiscal Policy
- Theories of Economic Growth
- Time Series Analysis - I
- Time Series Analysis - II
- Topics in International Finance and Economics
- Topics in International Macroeconomics

## Econometric Theory and Applications

- Applied Econometrics for Policy Analysis
- Computational Economics
- Econometric Applications
- Financial Econometrics - I
- Nonparametric Econometrics
- Probability, Measure theory and stochastic processes
- Time Series Analysis - I
- Time Series Analysis - II

## Energy and Environment: Theory and Policy

- Advanced Topics in Environmental Economics
- CGE Modeling of Environmental Economics with GAMS
- Energy & Environment II
- Environment and Development Economics
- Environmental Economics and Policy
- Natural Resource Economics
- Socio-economic and Policy Issues in Energy & Environment-I
- Socio-economic and Policy Issues in Energy & Environment-II
- Tools for Sustainability Assessment- I
- Tools for Sustainability Assessment - II

## Development Theory and Policy

- Applied Econometrics for Policy Analysis
- Applied General Equilibrium Models
- Contemporary Issues in Human Development and Policy
- Development Economics
- Econometric Applications
- Food Policy Analysis
- Health Economics and Policy
- Indicators of Development: Measurement Issues
- Indian Economy
- Industrial Economics
- Labour Economics
- Markets, Incentives and Agriculture in India
- Public Economics
- Theory of Institutions

# COMMITTEES AT IGDR

## Alumni Committee

This committee endeavours to strengthen bonds with the IGDR fraternity and bring together the excellence that finds its genesis in IGDR.

## Movie Club

It screens a mixed-bag of movies, after conducting a weekly campus wide poll, ranging from mainstream to alternative cinema. It provides the students the opportunity to rejuvenate after a hectic week of lectures.

## Sports Committee

This committee ensures the smooth running of various sporting events held during a biannual sports week that consists of games like badminton, cricket, swimming, chess, carom, table tennis, athletics and other games. The committee also helps maintain the sports equipment and infrastructure at the college through the academic year.

## Cultural Committee

The Cultural Committee helps students bring their talent to the stage with a cultural week that involves dance, music, debating, art and drama. The committee also organises the celebration of numerous festivals recognising the diverse backgrounds of the students on campus.

An aerial photograph of a university campus. On the left, a long, multi-story building with a curved facade and balconies runs along a path. In the center and right, there are more modern buildings with red and white facades, some with curved roofs. The campus is surrounded by lush green trees and a clear sky. The text "THE CLASS OF 2017" is overlaid in the center in a bold, blue, sans-serif font.

# THE CLASS OF 2017

The M.Sc. programme is structured in a manner that ensures continuous evaluation, making students thorough with their concepts and instilling a strong work ethic. The course structure and continuous evaluation system involves internal assessment based on regular class tests, computer based assignments, term papers, mid-semester and end-semester examinations. Each student receives a grade point average on a scale of 4 determined by their performance over the semester.

# M.SC. ECONOMICS

**Aayushi Gupta**

Degree: B.A. (Hons.) Economics, Hans Raj College, Delhi University

Summer Internship: *'Tracking state level average household farm income in rural areas and forecasting its trend for the next nine years'*, Equity Research, Elara Capital, Mumbai

**Aditya Pathak**

Degree: B.A. (Hons.) Economics, Shaheed Bhagat Singh College, Delhi University

Summer Internship: *'Impact Evaluation in Development Economics - Tools and Techniques in absence of Randomization.'*, GRID, PwC, Delhi

### **Amitoj Singh**

Degree: B.A. (Hons.) Economics, Hans Raj College, Delhi University

Summer Internship: '*Optimizing Procurement Strategy using Advanced Analytics*', Supply Chain and Operations Analytics, Accenture Digital (Analytics Consulting), Gurgaon

### **Amruta Ghare**

Degree: B.A. Economics, St. Xavier's College, Mumbai

Summer Internship: '*Debt Financing and Risk Management Solutions for Corporates in South East Asia*', Debt Capital Markets, Deutsche Bank CIB Centre, Mumbai

Work Experience: LAMP Fellowship, PRS Legislative Research, New Delhi; Analyst, Great Place To Work, Mumbai

### **Anirudh Jayaraman**

Degree: B.Tech. (Electronics and Electrical Engineering), NIT Warangal

Summer Internship: '*Credit Underwriting with Machine Learning*', PaySense, Mumbai

Work Experience: Verity Knowledge Solutions (UBS IBD)

### **Ashwin Bajaj**

Degree: B.A. (Hons.) Economics, College of Vocational Studies, Delhi University

Summer Internship: *'Macro-economic analysis of home loan defaults'*, Data Analytics, Experian India Credit Services Pvt. Ltd., Mumbai

### **Asmita Chatterjee**

Degree: B.Com., R. A. Podar College of Commerce and Economics

Summer Internship: *'Analysis and construction of asset portfolios of low income households using NSSO data'*  
IFMR Finance Foundation, IFMR Trust, Chennai

### **Barnana Ganguly**

Degree: B.Sc. Economics, Presidency University, Kolkata

Summer Internship: *'Integrated Fiduciary Systems Assessment for 'Skills Strengthening for Industrial Value Enhancement (STRIVE)' Program* funded by the World Bank.  
Public Sector and Governance, Government Reforms and Infrastructure Development (GRID), PwC, Kolkata

### **Bhagyashree Chattopadhyay**

Degree: B.Sc. Economics, Lady Brabourne College, Kolkata

Summer Internship: *'Developing a scorecard for Credit Scoring of SMEs in India'*, Data Analytics, Experian India Credit Services Pvt. Ltd., Mumbai

### **Deepak Rawat**

Degree: B.A. (Hons.) Economics, Shri Ram College of Commerce, Delhi University

Summer Internship: *'Attribution Modelling to allocate online marketing strategies at both the micro and macro level'*,  
Advanced Analytics Intern, Accenture Digital Pvt. Ltd., Gurugram

### **Ekta Paul**

Degree: B.A. (Hons.) Economics, Hindu College, Delhi University

Summer Internship: *'An Analysis of Factors Determining India's Growth Rate in the past decade'*,  
IGIDR, Mumbai

### **Gagandeep Sachdeva**

Degree: B.A. (Hons.) Economics, Sri Vekateswara College, Delhi University

Summer Internship: *'An Analysis of Inflation Expectations in India'*,  
Dept. of Statistics and Information Management, Reserve Bank of India

### **Him Bhatt**

Degree: B.A. (Hons.) Economics, Shri Ram College of Commerce, Delhi University

Summer Internship: *'Pricing Non-Deliverable Forwards- An ARMAX Approach'*,  
Fixed Income and Currency Products, Deutsche Bank CIB Centre, Mumbai

### **Indraneel Dutta Baruah**

Degree: B.A. (Hons.) Economics, Hindu College, Delhi University

Summer Internship: *'Impact of Global Prices on Domestic Food Inflation: A commodity-level Analysis'*,  
Dept. of Economic and Policy Research, Reserve Bank of India

**Janika Jain**

Degree: B.A. (Hons.) Economics, Hans Raj College, Delhi University

Summer Internship: *'Energy Management under Dynamic Pricing for Efficient Integration of Rooftop Solar'*,  
Revenue Management, IIM Ahmedabad

**Lisa Collaco**

Degree: B.A. Economics, St. Xavier's College (Autonomous), Mumbai

Summer Internship: *'Delinquency in Best Buy's Accounts and the Economy'*,  
Retail Private Cards, Citi Global Services Ltd., Mumbai

**Md. Jahid Ebn Jalal**

Degree: B.Sc. (Hons.) in Agricultural Economics, Bangladesh Agricultural University (BAU)

Summer Internship: *'Upgrading Pangus and Tilapia Value Chains in Bangladesh (BANGFISH Project)'*,  
Danish International Development Agency (DANIDA)

Work Experience: RA, Dept. of Agril. Finance, BAU;  
RA, Dept. of Agribusiness and Marketing, BAU, Bangladesh

### **Prashant Shukla**

Degree: B.Tech in Materials Science and Engineering, IIT Kanpur

Summer Internship: *'A study on the impact of fluency and construal attributes on transport choice behavior'*, Behavioral Engineering Group, KU Leuven, Belgium

### **Prasiddi Arora**

Degree: B.A. (Hons.) Economics, Hans Raj College, Delhi University

Summer Internship: *'Macroeconomic and Bank-Specific Determinants of Non-Performing Assets in India'*,

Dept. of Statistics and Information Management, Reserve Bank of India

Work Experience: Operations Delivery Associate, ZS associates (Sales & Marketing Consultancy)

### **Prithu Sharma**

Degree: B.A. (Hons.) Economics, Kirori Mal, Delhi University

Summer Internship: *'Analysed provisions of Indian Social Security Arrangements, and their impact using a novel dataset'*,

Quantitative Team, National Institute of Public Finance and Policy

**Priyaam Roy**

Degree: B.Sc. Economics, Presidency University, Kolkata

**Rohit Arora**

Degree: B.A. (Hons.) Economics, Sri Vekateswara College, Delhi University

Summer Internship: *'Food Inflation and Inflation Expectations'*,  
Dept. of Economic and Policy Research, Reserve Bank of India

**Serene Khatiwada**

Degree: B.A. (Hons.) Economics, Hans Raj College, Delhi University

Summer Internship: *'Analysis of the effect of warehouse and linkage of a market to a commodity exchange on agricultural price dispersion'*,  
Macrofinance and Policy Team, National Institute of Public Finance and Policy (NIPFP)

Work Experience: Research Assistant, Samridhhi The Prosperity Foundation, Kathmandu

### **Shree Saha**

Degree: B.Sc. Economics, Jadavpur University, Kolkata

Summer Internship: '*Logistics involved in currency circulation, distribution and withdrawal*'.

Dept. of Currency Management, Reserve Bank of India

### **Stanzin Tashi**

Degree: B.A. (Hons.) Economics, Hans Raj College, Delhi University

Summer Internship: '*Women's Agriculture Land Ownership and Participation in Agriculture Decision-Making, Karnataka India*'.

Centre for Public Policy, IIM Bangalore

### **Subhashree Banerjee**

Degree: B.A. (Hons.) Economics, Kamala Nehru College, Delhi University

Summer Internship: '*(1) Mathematical Modelling for Time-of-Use Pricing of Electricity using Non-linear demand functions (2) Mathematical Modelling for Time-of-Use Pricing of Electricity in Monopoly and Oligopoly*'.

Revenue Management, IIM Ahmedabad

### **Utso Pal Mustafi**

Degree: B.Sc. Economics, Presidency University, Kolkata

Summer Internship: '*Retail Category Management and SKU rationalization*'  
Retail Analytics, Accenture Digital, Gurgaon

### **Vikram Singh**

Degree: B.Tech in Mechanical Engineering, IIT Kanpur

Summer Internship: '*VAR model development, macroeconomic model development, survival analysis, scorecard development*',  
Retail Modeling, ANZ Operations and Technology Private Limited

Work Experience: Asst. Manager, Tata Motors

## **M.PHIL. ECONOMICS**

### **Gurpreet Singh**

Degree: B.A. (Hons.) Economics, Sri Vekateswara College, Delhi University;  
M.A. Economics, Indira Gandhi National Open University, Delhi

Work Experience: Operations Executive, Indus Valley Partners, Delhi;  
Analyst, Contract Management, Unitedlex, Gurgaon

# WHY HIRE US?

IGIDR strongly believes that the generation of ideas provide a base to the framework of success but it goes hand in hand with the art of communicating the same idea to others. The college focuses on the skills of the students to present their ideas in front of their teacher and peers.

Apart from the gain on the theoretical front ,the academic programme at IGIDR is rigorous with a strong inclination towards the honing of the students' analytical skills. Students are made familiar with a variety of data analytics software like R, SAS, STATA, EVIEWS and MATLAB.

The application of theory in an appropriate analytical framework, along with empirical evidence, is a sure test of the students understanding of the concepts at hand and ensures that he/she is comfortable with handling big datasets.

The course requires students from diverse backgrounds to work together and share knowledge. The environment provided by the college ensures a holistic approach to the development of students both at the personal and professional level. The college promotes a platform for the students to venture out and grow - to master the perfect balance between the art of listening and talking.
