COUNSELLING & ADMISSION PROCESS – 2016

I. COUNSELLING PROCESS

There will be multiple rounds of Counselling at the 15 Campuses of NIFT. The NIFT Head Office will coordinate with all Campuses and the Admission process will take place simultaneously at all Campuses of NIFT.

- For participating in the rounds of Counselling, all eligible candidates will be required to register themselves online at www.nift.ac.in or <http://niftadmissions.in>. For the first round of Counselling there would be no registration fee. However, for subsequent rounds of Counselling, the candidate will have to pay online Rs. 5000/- as fee to register / re-register for participation. Those who are not interested in changing their Campus / Course allotted to them in the first round may not participate in the subsequent rounds of Counselling.
- Candidates may register using their credentials i.e. **Form Number, Date of Birth and Password**. They are advised to remember and safely store their password for future references. Candidates would be required to select a Counselling campus from where he / she would participate in the Counselling. It may be the nearest NIFT Campus convenient for the candidate.
- On successful registration, a candidate will receive “system generated letter”, SMSs and e-mails on their registered mobile and e-mail ids. The letter will contain the details of the Nodal Officer and the documents required for Counselling and Admission.
- On the day of Counselling, the candidate is required to report at the chosen NIFT Campus at 9.30 a.m. for verification of documents and allotment of seats. The original documents would be returned after due verification. Please note that the presence of the candidate at any of the NIFT Campuses along with the requisite documents in original is mandatory. In case, the candidate fails to attend the Counselling session, it will be presumed that he/she is not interested in NIFT’s offer of admission and therefore will not be eligible for admission. At the time of Counselling, the Campus/Course/Category-wise seat availability chart will be displayed at all NIFT Campuses. Only the candidate would be allowed into the Counselling hall. He / she would be called in order of the merit rank and offered the seat available at that point of time.
- After verification of the documents, allocation of seats will take place before the Nodal Officer of the Counselling Campus. The candidate may select a seat by clicking on the monitor in the presence of the Nodal Officer. Seat allotted, accordingly, to a candidate would then be deleted from the pool of vacant seats displayed on the Campus screen. Candidates are advised to be present in the Counselling hall and wait for their call in order of their common merit rank. If a candidate is found unavailable when called, the next candidate on the merit rank would be called for allotment of seat and the unavailable candidate may miss his/her chance of merit-based seat allotment.

A candidate who is allotted a seat will be required to pay the notified fee immediately at the counselling campus. If a candidate fails to pay the fee, after the seat has been offered, the offer will be withdrawn and the seat will be allotted to the next candidate on the merit list. Part payment or payment through cash/cheque will not be accepted under any circumstances.

- After allotment of seat, candidate will be issued an allotment letter /receipt duly signed by the Nodal Officer of the Campus. The choice of Course / Campus made by the candidate is final and cannot be altered later. Nodal Officer will give a duly signed Admission Receipt after the complete fee is deposited by the candidate. No candidate should leave the venue of counselling without the Admission Fee Receipt. The candidate is advised to check the details as printed/written in the Admission Fee Receipt.
- A candidate who fails to appear in person at the counselling venue, shall forfeit his/her claim for the seat as per his/her merit rank. However, if the candidate reports late or reports on subsequent days during the process of counselling, he/she may be considered for allotment of a seat available at that point of time for a particular category to which he/she belongs.
- Candidates should ensure that they fulfil all the eligibility requirements mentioned in the Prospectus before they report for Counselling. Category, PHP status, gender etc. once declared by candidate in the Application Form, cannot be changed as indicated in Admission Prospectus – 2016. The physical presence of the candidate at the time of Counselling is mandatory. If a candidate is unable to be physically present for the Counselling due to unavoidable circumstances, he / she may authorize an individual to represent him / her at the Counselling. This option is however not available for the Differently Abled Candidates (PHP). The authorized representative must carry all the relevant documents along with Demand Draft of full fee amount and the duly filled in Authorization Letter ([Annexure VII](#)). Absence of the candidate or his / her representative at the indicated counselling venue may result in the forfeiture of his / her claim for a seat as per his / her merit rank.

II. WITHDRAWAL OF ALLOTTED SEAT AND REFUND OF FEE

A candidate, who has taken admissions but would like to cancel his / her allotted seat, may seek for the refund of fee. For this, he / she will have to report personally for withdrawal and refund at the same Campus where admission was obtained. Refund rules shall be applicable as per following norms:

Time	Amount refunded	NRI/SAARC/Foreign National candidates
On or before 20 th July, 2016 for Non-NRI	Full fee except Registration fee (Rs.95,350/-)	Rs.3,54,900/-
After 20 th July, 2016 but before the date of start of last round of Counselling	Full fee except 50% tuition fee and Registration Fee (Rs.57,375/-)	
On or after the date of start of last round of counselling	Only Security Deposit (Rs.6300/-)	

Requests for withdrawal of admission are to be made in the prescribed form ([Annexure-III](#)) with the original Admission Receipt issued at the time of Counselling/Admission as mandatory document for processing of the refund. The documents are to be submitted to the Director of the Campus where the candidate attended the Counselling.

All candidates would be called for Counselling as per their Common Merit Rank and admission will be strictly on merit. Once the seats in a particular category are filled up, there will be no further admission to that particular category. Candidates will then be called for Counselling for the category in which seats are available. The status of vacant seats will be updated on NIFT website every day. All candidates are advised to check NIFT website regularly and to plan their Counselling accordingly. **NIFT will not be responsible for any inconvenience caused to parents/candidates due to closure of the counselling prior to the dates as notified in the Counselling Schedule.**

III. ALLOCATION OF SEATS

On each day of counselling approx. 200 applicants, irrespective of the category, would be called in order of their common merit rank. The process may end up late in the evening on a particular day. Candidates are advised to make their travel and stay plans accordingly.

Candidates belonging to category other than 'General' will have a choice to choose from a seat meant for General Category or from seats reserved for the respective category. All candidates of General Category will also have a choice to choose vacant seats available in the NRI category as "Children/Ward of NRI" in order of their merit. Candidates who may be inclined to choose a seat under the category of "Children/Ward of NRI" in order of their merit against a regular available seat in any Course/Campus, are advised to come prepared with requisite documents and demand draft of Rs.6,49,600/-.

All candidates having a Common Merit Rank may register themselves for Counselling for Admissions 2016.
