

## Faculty of Science and Humanities

The details of recognized supervisors mentioned below are provided based on his/her application for supervisor recognition. The recognized supervisor working in the recognized department Refer sec(i) to(iv) in the list of recognized research department available in the website Clickhere shall only act as Supervisor. Supervisors working in the recognized R&D Center/non-recognized research Departments of Engineering College/Architecture Schools affiliated to this University shall function only as Joint Supervisor.

Some of the supervisors listed below may be migrated to other University or retired on superannuation. Hence the candidates are instructed to ensure the present details of the supervisor(s).
