Message from Vice Chancellor

NMIMS today is recognized in India as one of the highly credible education institution – an Institution that has nurtured management professionals and technocrats since 1981. Its Management graduates today occupy senior positions in a large number of national and multinational companies.

The institute's Mumbai campus was recently accredited by NAAC (3rd cycle) at A+ level – a grade which NMIMS has maintained since 1999 when it was first accredited by NAAC.

Given the changing demographic profile of India, aspiration of individuals to improve their standard of living and perception of education as a route to achieving this aspiration, the demand for education has exponentially grown. To respond to this demand for quality education, NMIMS decided to establish its campus in Indore. This campus today offers PGDM program. Students to this program have been selected from a large NMAT pool which comprised of almost 70,000 candidates last year. This program equips students with the managerial skills that are required to succeed and also develop their entrepreneurial capabilities.

Our first year students would now be getting ready for their summer internship. I would urge you to extend your support to NMIMS, Indore in as much as you have done to Mumbai, Bangalore and Hyderabad campuses in the past.

I look forward to welcoming you at NMIMS Indore.
