EPITOME of
INNOVATION

I I T K H A R A G P U R

The founding of IIT Kharagpur in 1951 can be called a significant event in many senses. It evoked the idea of a self-reliant nation. The institute was initially housed in the Hijli Detention Camp. Thus, a prison house was transformed into a temple of learning. It was set up in the sylvan surroundings far from the maddening crowd, to provide the right atmosphere for creative thinking.

In educated circles across the country IIT Kharagpur soon became a household name as a torch bearer of scientific knowledge each IIT pursued the common goal of excellence in its own way.

IIT Kharagpur was created based on the principle of fairness, justice and dedication with a clear and lofty sense of purpose .It is the largest technical institution in india and ranked the best institution in the country imparting technical education and research.

LSM
LOCAL STARTUPS MEET

Entrepreneurship Cell is a student body of IIT Kharagpur, formed in 2006 solely with the purpose of inspiring and guiding start-ups in IIT Kharagpur and to foster an entrepreneurial culture in the campus of IIT Kharagpur. We now play that role on a national scale and have won acclaim across the world.

The basic aim of E-Cell is to help college startups through:

- To inspire an increasing number of students to startups on their own and to promote such ventures.
- Organizing workshops and events periodically to create awareness about entrepreneurship.
- Functioning as a guide for students with creative ideas which can be transformed into successful companies.

Global Entrepreneurship Summit

Global Entrepreneurship Summit (GES) is IIT Kharagpur's annual, international corporate summit conducted by Entrepreneurship Cell, IIT Kharagpur. It is the largest student-level entrepreneurial summit in India. Ever since its initiation in 2007, GES has always been a unique platform for academicians, new-age entrepreneurs, eminent business personalities, venture capitalists and the students to gather at one place and share their entrepreneurial endeavours and experiences, and to pledge to take entrepreneurship to greater scales.

Million at Stake

Fundraising is arguably one of the most formidable phases of a startup. We understand that raising funds is a tedious task for most early-stage startups, if not all.

Million at stake is here to give you a leg up by helping you raise INR 1.5 Million in just 10 minutes!

Networking Sessions

Warm sessions where we bring together industry experts, mentors, startups, professors and like-minded students to share and discuss ideas and problems. Allow us to introduce you to leaders working in a plethora of avenues.

Product Expo

Get ready to witness jaw-dropping experiences of cutting edge technology on display at the Product Expo happening right in the heart of GES 2020. This event will include products from various sectors displaying the epitome of innovation, inspiring students by enabling them to dream big.

Global Entrepreneurship Conference

Global Entrepreneurship Conference provides a platform for E-enthusiasts from various universities to discuss the promotion of entrepreneurship with Global perspective.

Intern Carnival

An opportunity for the students of IIT Kharagpur and GES Participants to get internships in India's top-notch startups. One can apply for the walk-in -interviews and selected students will get the offer letter on the same day from the startup.
