

PRATAP UNIVERSITY

Recognised by UGC

VISION

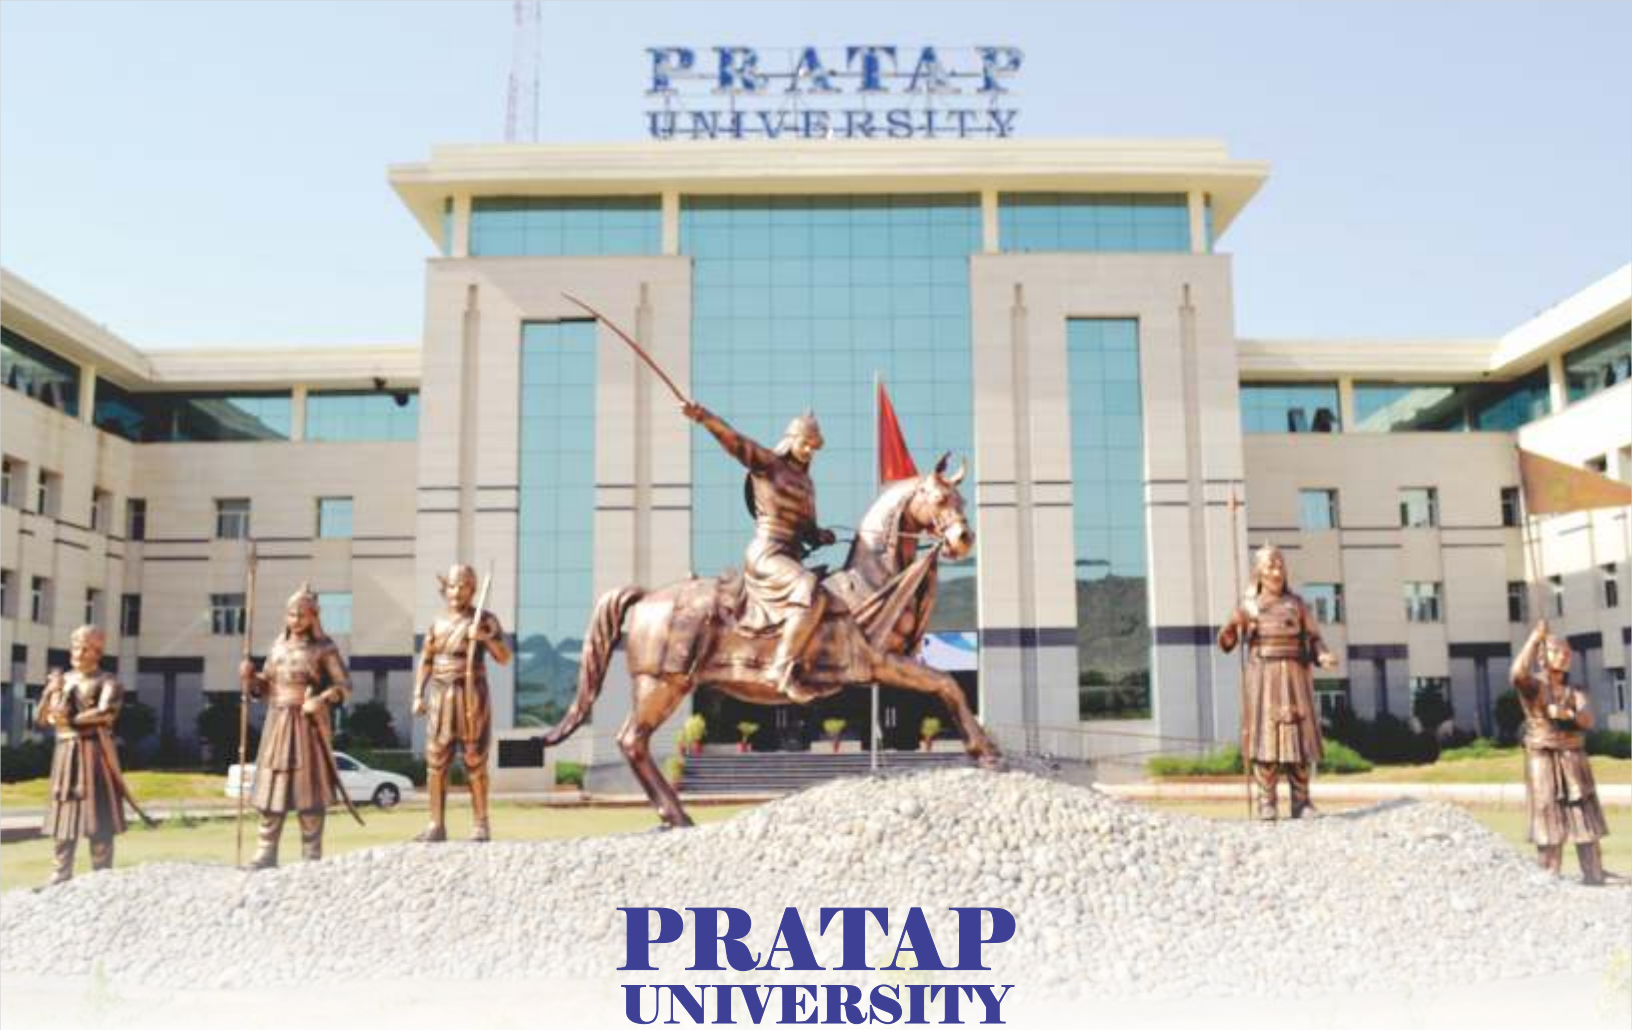

PRATAP UNIVERSITY is established with an objective of creating social awareness and imparting quality education at all levels from technical to higher or professional education. Pratap University is ready to create new benchmarks in education.

MISSION

Our mission is to develop and evolve skill based systems for effective delivery of knowledge so as to equip young professionals with dedication and commitment to excellence in all spheres of life.

QUALITY POLICY

We at Pratap University are trying to keep in pace with the challenging context of the community and society by providing an education that is open and flexible enough to help the learner function excellently under a global canvas. We ensure that students of PU are dedicated, disciplined and determined towards achieving their goal. The facilities and the state of art infrastructure providing here will surely enable you all to swim smoothly into the current of knowledge.

PRATAP UNIVERSITY

The Beginning of a New Era

PRATAP UNIVERSITY came into being at the initiative of inspired by the great Rajput Ruler, Maharana Pratap . He was a great Patriot and warrior who had the courage to fight the Mughal forces under Emperor Akbar. We salute the beliefs of this great ruler and dedicate ourselves to pursue his ideals to the best of our efforts. Pratap University commenced its journey in the year 2011, with a mission to provide quality education to the youth of the world

PRATAP UNIVERSITY has been providing excellence in education by offering various courses in the diverse streams of Engineering, Management, Pharmacy, Information Technology, Mass Communication, Interior Designing and Fashion Technology. Our campus is spreads over several hundred acres of lush green surroundings, boast of modern infrastructure, well equipped libraries and labs. University Comprises a team of more than 200 highly qualified faculty members from prestigious institutions like IIT's, IIM's committed to shape the future of over 10000 students. Our goal is to make each student both 'CAPABLE and EMPLOYABLE' by giving him umpteen opportunities to showcase his/her talent through Curricular, extracurricular activities and excellent campus placements. Having commenced its academic activities from the session 2011-12, this University is steadily preparing itself to create new benchmarks in the field of academics. The University has been set up with a view to match the global standards and has ultra modern infrastructure and teaching aids to its credit. It is poised to become one of the best private Universities of north-Western India.

From The Desk of CHAIRPERSON

Dear Learners,

You all come to us from multifarious cultures. Addressing the diversity as well as the various challenges of multicultural society education is a major issue in contemporary times. The education needs to be harmonized and eclectic.

We at Pratap University are trying to keep in pace with the challenging context of the community and society by providing an education that is open and flexible enough to help the learner function excellently under a global canvas.

The facilities and the state of art infrastructure provided here will surely enable you all to swim smoothly into the ocean of knowledge.

I wish you all great success in life.

Shailendra Bhaduria

From The PRESIDENT'S PEN

Pratap University is a world class Institute offering the best in terms of academics and overall learning experience. Our university has students of all the corners of the country and also from foreign countries like Nigeria, Sudan and Nepal. We are providing a rich multi-cultural and international experience.

Our University is taking steps to integrate industry based practices with academics. We are in the process of digitalizing all the processes on campus in a move to make one of the digitalized Universities of India. Our faculty members are highly qualified and they are really the torch bearers of the University. Our placements records have been quite impressive and we are working towards seeking their better placements in coming years.

Wish you all good luck.

Prof. Ugra Mohan Jha

University Campus

Pratap university spread over in 100 acres of lush green surrounding picturesquely amidst the hills at Jaipur-Mumbai National highway. University campus is “GREEN CERTIFIED”. This means it fulfills all the ecological norms and environment friendly. Beautiful garden areas are added to the severe environment. A place to experience nature at its best as the days go by.

Hostel facilities & Staff Residency

The university has separate hostel for boys and girls within the campus. They are well furnished with all facilities including mess which provides delicious and nutritious food. Much spacious hostel with comfortable and luxurious facilities. In university campus separate mess for both Indian and International students are available. In fact the students enjoy a homely atmosphere with parental care at the hostels. Full-time resident doctors, along with part time specialists keep a vigil on all health and related aspects of the students.

Besides this, we have in campus staff residence for our valuable and dedicated faculty members & office staff. The residential building has been made to enjoy the modern living style & healthy atmosphere. The other facilities consist of uninterrupted power supply, elevator, round the clock security & full time hygienic water supply.

Faculties

The university has highly qualified, experienced and dedicated faculty members. University also calls guest faculties from IITs, IIMs, NITs, central universities and international universities. Motivational speech is delivered time to time by national and international dignitaries.

Classroom

Classroom design at the University facilitates collective and constructive learning as the classrooms are well equipped, smart lectures and having interactive whiteboard. We also provides our students with advanced aids like LCD projectors, cloud based communication system, monthly quiz competition, weekly group discussion and weekly online test series. Development of virtual class rooms at the university combines modern advancements with conventional methods to achieve concrete results.

Laboratories

Pratap university has well equipped laboratories and other facilities not only to meet the basic requirements of the course but also to provide the latest knowledge to the students. All the lab cater to the needs of the students giving hands on experience and wide coverage of the subjects. Various labs include Mechanical Engineering Lab, Materials Science & Testing Lab, Engineering Drawing / Machine Drawing Lab, Fluid Mechanics Lab, Basic Electronics Lab, Advanced Electronics Lab, Electrical & Electronics Lab, CAD Lab, NC Lab etc. The departmental laboratories are well equipped with the latest equipment as per the requirements of the curriculum. Faculty lab incharges along with lab assistants ensures regular updation and maintenance of lab equipments.

Library

The university has a fully automated central library with a collection of numerous text and reference books. The university library is a knowledge resource center. It is stocked with over 10000 books in total, periodicals, references, national & international journals and CD ROMS covering all aspects of academic studies & research material. Book bank facility is extended to all students. The library also subscribes to national/international journals, magazines and newspapers. Our specialized staff is always available to help you with quick references.

Centrally air-conditioned library with hi-tech digital lab assist students to explore the latest research & development in the field of education. The library having a seating capacity of 750 with internet & various online journals helps student to upgrade themselves.

Centrally Computer Facility

The university has computing facility networked through broadband for internet access. Computer centers equipped with the latest configuration computers serve as a central computer facility for the students. Whole campus including hostels and faculty residents are WI-FI enabled. Centrally air-conditioned hi-tech computer center WI-FI

enabled with 500 terminals. The students trained in various programming languages such as C++, Java, LISP, Prolog, SQL under the expert technical guidance of our faculty members our computer labs include programming Lab, Networking Lab, Unix Lab, Oracle Lab, MATLAB Lab, Operating systems Lab, Internet Lab etc.

Hi-tech Conference Room

The world class conference & seminar room with hi-tech equipment will assist students in grooming their personality. The conference room is equipped with LCD TV & LCD Projector well suited for Group Discussions, National & International Conference / Seminar etc.

Hi-tech Auditorium

The university auditorium having a seating capacity of 550 is centrally air-conditioned with hi-tech infrastructure. The auditorium includes the balcony, has a computerized system, and two large dressing rooms & lounge.

Collaboration with International Universities

Taking a concrete step towards strengthening the Indian education and expose the student to foreign education system, Prapat University has signed the MoU with the University of Donja Gorica, Montenegro and University of District of Columbia. With this Prapat University becomes the only university in North India to sign such kind of MoU for students and faculty exchange programme, dual degree and covers five other areas for improvised education system in both universities. Prapat University has signed a five point agreement with University of Donja Gorica, Montenegro to improve its education quality even further. Under this agreement students of Prapat University will get golden chance to visit University of Donja Gorica, Montenegro to study and their students will also be able to come to Prapat University in India to get education.

Pratap University
Village – Sunderpura (Chandwaji),
Amer Delhi-Mumbai Highway,
Jaipur, (Rajasthan).

24 OCT 2011

Sub: - To Notify Pratap University, Jaipur (Rajasthan).

Sir,

With reference to State Government Notification No. 2(25) Vidhi/2/2011 dated 15.09.2011 on the above subject, I am directed to say that Pratap University, Jaipur (Rajasthan) has been established by an Act (No. 20 of 2011) of State Legislature of Rajasthan as a State Private University and is empowered to award degrees as specified by the UGC under section 22 of the UGC Act 1956 through its main campus in regular mode with the approval of statutory bodies / councils, wherever required.

As per the judgement of the Hon'ble Supreme Court in the case of Prof. Yashpal Vs State of Chhattisgarh there is no provision to have Regional Centres / off Campus beyond the territorial jurisdiction of the State.

Keeping in view of the above, you are requested to adhere on the following:-

1. No off campus centre(s) is opened by the University outside the territorial jurisdiction of the State in view of the judgement of Hon'ble Supreme Court of India in case of Prof. Yash Pal Vs State of Chhattisgarh.
2. In case the University has already started any off campus centre outside the State, it must be closed immediately. It may also be ensured that any off campus centre within the State shall be opened only as per the provision laid down in the UGC (Establishment of and maintenance of standards in Private University) Regulation 2003 and with the prior approval of UGC.
3. The University shall not have any affiliated Colleges.
4. The University has to follow UGC (Minimum standards and procedure for award of M.Phil / Ph.D degree) Regulations, 2009.

The University is required to follow the UGC (Establishment of and Maintenance of Standards in Private University) Regulation, 2003 (copy enclosed) & other Regulations issued from time to time and posted on UGC website www.ugc.ac.in.
