JUSTICE K S HEGDE

Founder

ABOUT THE MANAGEMENT

Nitte Education Trust was founded in 1979 by Late Justice K S Hegde, former Judge of the Supreme Court of India and Speaker of the Lok Sabha. Justice Hegde strongly believed that education is pivotal to the overall progress of a community and this vision led to the birth of Nitte Education Trust. His legacy is being continued by his son, Mr N V Hegde.

FACILITIES

Clinical Training

Students are trained at the 1000 bed multispecialty Justice K S Hegde Charitable Hospital. Besides this, they are posted to work in reputed speech language rehabilitation centers, hospitals and autism centers during internship. For details about the teaching hospital, please refer Pg. No. 39.

Hostel

The college provides safe, secure, clean and well-furnished hostels with hygienic vegetarian and non-vegetarian food. Recreation facilities include indoor & outdoor games and television. A resident warden is available to ensure safety and healthcare requirements like Doctor on call facility and to handle medical emergencies. The hostel has zero tolerance towards ragging, use of tobacco and drug abuse.

Medicare

Students are entitled to free medical and dental treatment at the 1000 bed multispecialty Justice K S Hegde Charitable Hospital and the A B Shetty Dental College Hospital.

Library

An extensive library is in place with a large stock of text and reference books. Students also have access to the library of the medical college, K S Hegde Medical Academy.

Conveyance

Free transport facilities are provided to students through a fleet of buses plying regularly from various points in the city to the college and back.

Campus Amenities

A commercial bank with ATM, cafeterias, general store, Wi-Fi connectivity and round the clock security are available in the campus.

Sports

Air conditioned gymnasium, multi-purpose play ground with running track, basketball, volleyball and badminton courts are available in the campus.

Student Support

Orientation programs for fresh entrants and training programs for students are conducted. Slow learners are identified and additional input is provided by teachers.
