UNIVERSITY OF RAJASTHAN: AN OVERVIEW

The University of Rajasthan a multi-faculty University, recognized since its inception under sections 2f and 12B of U.G.C. Act, is the oldest institution of higher learning in Rajasthan. It was established on 8th of January, 1947, as the University of Rajputana with the main objectives of disseminating knowledge and catering to the needs of higher education of the students of Rajasthan. The location of the University is Urban and its Central Campus is spread over 286 acres. The satellite campus, comprising the Constituent Colleges, is spread over 150 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today 1044 UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of 64 years it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are:

- 9 Faculties, 37 Departments and 18 Centres
- 1044 affiliating Colleges spread in seven districts of Rajasthan; more than 9 lac examinees (including more than 4 lac non-collegiate students)
- accorded UPE status under XI Plan
- four of the six constituent Colleges accorded CPE status
- Three PG Departments (Chemistry, Zoology, Philosophy) have been sanctioned UGC Centre for Advanced Studies status, Department of Physics and Economics have been sanctioned DSA Programme and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) have been sanctioned DRS Programmes.
- As per DST evaluation based on H-factor of the research publications in Science, the University ranks 13th at the national level; in view of this standing DST sanctioned its prestigious PURSE Program to the University.
- Seven of the Science Departments have been sanctioned DST-FIST programmes.
- Faculty members receive research funding through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR and ICAR. In the last five years more than 80 individual Research Projects have been in operation with an outlay of about Rs. 15 Crores.
- In the last 5 years, more than 2400 Research Papers have been published in refereed Journals. More than 500 books have been authored by the Faculty members in this period.
- Faculty participates in prestigious International Collaborations such as large hadron collider at CERN (Geneva), nuclear reactor at Dubna (Russia), Synchrotron radiation sources in Italy and Chicago, nano-particle based drug delivery research in Roswell Park Cancer Institute, State

University of New York, Buffalo etc. Hon'ble Prime Minister Dr. Manmohan Singh gave recognition to this fact in his address at the 91st Indian National Science Congress in Bhubaneswar, in which he said "**The University of Rajasthan leads among the top 50 Indian scientific institutions in citations per paper under international collaboration**".

- Faculty members have established International linkages and undertake collaborative programmes with research Institutes and Universities from countries such as USA, Germany, Switzerland, Italy, Australia, Canada, Japan, UK, Norway, Sweden, Brazil, Russia, Mexico, Finland and France.
- At the national level, faculty members have been using National facilities such as neutron reactor at BARC in Mumbai; particle accelerators at IUAC in New Delhi and VECC in Kolkata; synchrotron radiation source in CAT, Indore; facilities at TIFR in Mumbai, IGCAR in Chennai, UGC-DAE CSR in Indore, Mumbai and Kolkata, CDRI in Lucknow, IUAC in Pune, AIIMS in New Delhi and NPL in New Delhi.
- Centre for Development of Physics Education has earned national and international recognition for developing innovative experiments for Physics Laboratories at UG and PG levels.
- Some of the other notable study Centres are: Centre for Human Ecology, Environmental and Population Studies, Centre for Non-conventional Energy resources, Centre for Water management and research, Social Science Research Centre, South Asia Studies Centre, Centre for Study of Social Exclusion & Inclusive Policy, Centre for Women's Studies, Centre for Mass Communication and Journalism
- University has set up a Centre for Converging Technologies which offers five years integrated M.Tech. degree in the streams of nano-, bio-, info- and cogno-technology. This Centre is the first of its kind in the country.
- Semester pattern and CGPA grading system has been introduced at PG level in all the University Departments.
- Admission to Ph.D. programme is through an entrance test; semester course work has been made mandatory as part of Ph.D./M.Phil. Programme.
- A large number of students at both the graduate and postgraduate levels belong to marginalized categories from rural areas.
- More than 39% of the students on the campus comprise women students.
- More than 15% of the students belong to SC category, more than 14% to ST category and more than 29% to OBC category.
- Pass-outs from the PG Departments have been joining prestigious institutes like BARC, TIFR, PRL, NPL, DRDO, CDRI, IITs, IUAC, IUCAA, UGC-DAE CSR, NPL, NCL, ICS and RAS.
- The University has a vibrant Academic Staff College ranked amongst the top ten ASC's in the country
- UGC INFONET Centre; National Knowledge Network, ERNET PoP, Grid Computing facility in the campus
- University Website, Mail Server, Student Portal, Archive Server designed / customized and maintained by the University.
- INFLIBNET and other ICT facilities available on Campus wide area network through Infonet Centre.
- More than 6500 e-journals access available through UGC-INFLIBNET.
- Wi-Fi facility in the main campus.

VISION

धर्मोविश्वस्य जगतः प्रतिष्ठा

Dharmovishvashya Jagat Pratistha

"The whole world is sustainable only by virtue of Satya, Ahimsa, Tyag, Pragna, Karuna, and Maitri"

MISSION

- ❖ Promotion of excellence in education and research by inculcating independent critical thought and scientific temper.
- ❖ Promotion of interdisciplinary research on convergence of science and technologies.
- ❖ Pursuit of high quality research pertaining to economy, social development, languages, arts, culture, energy and environment.
- ❖ Establishment and expansion of academic links and research collaborations with national and international institutions.
- ❖ Creation and strengthening of infrastructure for global competence.
- ❖ Critical analysis of existing social hierarchies and construction of new models of sustainable development, equity and gender justice.
- ❖ Preparing students for careers in sciences, humanities, commerce, management, fine arts and sports.

The Goals and Objectives**Excellence in Education**

- Training in both basics and advanced skills in computer usage and applications.
- Computerisation of library, examination work and database management.
- University Website.
- INFLIBNET and other ICT facilities are available on Campus wide area network through Infonet Centre.
- Emphasis on Open Source Technology for application development.
- Computer Labs and Research Centres and provision of computers to all sections of administration and academics.

Global Demand

- Offering globally relevant PG and research courses. e.g. Computer Science, Management, Biotechnology, Microbiology, Converging Technologies, Water Resource Management, Social Sciences, Women's Studies, Social Work, Arts, Geo-Informatics, Mineral Processing, Instrumentation Technology, Material Science, Industrial & Pharmaceutical Chemistry, Journalism.
- Provision for training and development on practical skills and human resource skills leading to global competencies.

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, university Constituent Colleges and Affiliated Colleges/Institutions. University of Rajasthan offers 41 Ph.D. Programmes, 24 M.Phil programmes, 54 Masters degree programmes, and 14 Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for Organizing Conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

The Teaching Units

The University of Rajasthan consists of the following components:

- (a) Constituent Colleges
- (b) Post-graduate Teaching Departments
- (c) Research Centres

(a) Constituent Colleges

Undergraduate teaching is imparted in the 6 constituent colleges of the University, by the teaching faculty appointed in the University Post Graduate Departments:

- (i) University Commerce college
(Commerce Faculty)
- (ii) University Law College
(Law Faculty)
- (iii) University Evening Law College
(Law Faculty)
- (iv) University Maharani college
(Multi-faculty College for Women)
- (v) University Maharaja College
(Science Faculty)
- (vi) University Rajasthan College
(Arts and Social Sciences)

Looking to the needs and demands of students, the University started evening courses at Rajasthan College and Commerce College on self-financing basis.

All the constituent colleges provide library and sports facilities and motivate the students to join NCC and NSS programmes. Besides these, the colleges organize seminars, workshops, lectures and discussions to strengthen academic inputs.

(b) The P.G. Teaching Departments

37 P.G. Teaching Departments are in existence in Faculties of Arts, Science, Social Science, Commerce, Law, Management, Fine Arts, Education and Library Science. Admissions to the P.G. Courses offered are based on entrance tests and merit. Some of the P.G. Departments run need-based self-financing courses also. Many eminent scholars have been teachers at the P.G. Departments. The well-known personalities include: Professors Raja Chelliah, Raj Krishna, L.S. Ramaswami, C.V. Subramaniam, M.V. Mathur, P.N. Srivastava, R.K. Kaul, R.C. Mehrotra, Yogendra Singh, G. Ranganathan, Satish Chandra, Dayakrishna, Om Prakash, Iqbal Narain, G.C. Pande, B.L.Saraf, S.Loknathan, S.P.Verma, C.P.Bhambhri, V. R. Mehta, Y.K.Alagh, C.Rangarajan etc.

Research support and Special Assistance have been made available to some departments by the UGC. A couple of departments are actively engaged in innovative research, and they are recognized for the FIST, COSIST and DST DAAD programmes of the University Grants Commission and the DST. The researches done by the faculty members have been in evidence by publications of articles in reputed journals. Some teachers have been honoured with international and national awards and citations.

Depending upon the disciplinary advancement needs of the students and the demands of society, syllabi have been reviewed from time to time. The process of globalization has also prompted formulation of new courses and this may go a long way in providing jobs to the students. Some of the new courses are as follows:

The post-graduate courses include:

- (i) Biotechnology
- (ii) Microbiology
- (iii) Information Technology
- (iv) Journalism & Mass Communication
- (v) Finance Control
- (vi) Management
- (vii) Social Work
- (viii) Engineering Physics
- (ix) International Business
- (x) Environmental Science
- (xi) European Studies

The under-graduate courses are:

- (i) Computer Applications
- (ii) Business Administration
- (iii) Fine Arts
- (iv) Music
- (v) Library & Information Science
- (vi) Physical Education

The Five Year Integrated courses are:

- (i) Dual Degree B.Tech-M.Tech in converging Technologies
- (ii) B.A. L.L.B. Hons.

(c) Research Centres

The University also provides opportunities to the deserving students and teachers to undertake research in the fields of their specialization. For this purpose, Research Centres were established. These research Centres have strengthened research, and some of them offer M. Phil Programmes of study. The following Centres are in existence:

1. Centre for Jain Studies
2. Centre for Jyotirvigyan
3. Centre for Converging Technologies
4. Centre for Computer Science & Information Technologies
5. Centre for Development of Physics Education
6. Centre for Non-Conventional Energy Resources
7. Centre for Water Management & Research
8. Indira Gandhi Centre for Human Ecology, Environmental and Population Studies
15. Centre for Nehru Studies

The Support Services in the University

To strengthen teaching and research, support services are being provided by the University. The University has one of the best university libraries in India. It has nearly 3.33 lakh books, hundreds of journals, microfilms, and magnificent archival documents. Photostating and internet access are also made available at the library. The library also provides inter-library loan facility to its members.

The University has a modern Sports Complex. It has also a swimming pool, which has been a venue of many National Swimming Meets. The University has always accorded a high priority to games and sports. Facilities for all major indoor and outdoor games are available at the Constituent Colleges as well. Fully developed indoor stadium along with a yoga centre are the unique attractions of the Sports Complex. Besides this, the Department of Physical Education has started a postgraduate diploma and a masters' programme in Physical Education.

The University provides Allopathic, Ayurvedic, and Homeopathic facilities at its Health Centre. Medicines are provided free of cost. Health checkups are arranged from time to time. Blood donation camps are also organized. Consultation is also available to the outsiders.

A Students Advisory Bureau exists since 1962 with the motto: "We do not believe in framing the future for next generation, rather we wish to frame the next generation for the future."

Residential accommodation is provided to the teachers and the Students. The university has 18 hostels, 10 for boys, 8 for girls. The University is going to construct two hostels one for SC girls and other for SC boys with 45% assistance from the ministry of Social Justice and Empowerment with a cost of Rs. 5 crores. Besides hostels, there are Teachers Hostel, Working Women Hostel and faculty residences located at the main campus. Some residences are for the non-teaching employees as well. The University has an eco-friendly environment. The nursery-cum-garden office of the university looks after lawns and parks. The university has nursery which has some rare plants and shrubs.

In order to stimulate and coordinate various activities of the students the Dean of Students' Welfare is provided grants and facilities. The Dean, Students Welfare, is also Advisor of International Students.

The University has also an Academic Staff College which was set-up by the UGC in 1988 for an overall development of young university and college

teachers. The ASC organizes Refresher and Orientation Programmes. The Refresher Courses are interdisciplinary as well as discipline-specific, whereas the Orientation Programmes are interdisciplinary. The later aims to enhance overall intellectual worth of the teacher. The ASC is ranked one of the first ten best Academic Staff Colleges of India.

University Service and Instrumentation Centre is also functioning. The Centre has an adequate workshop under its control with facilities for mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling shops and an analytical instrument sections. The Centre houses costly instruments such as (1) Semiautomatic X-Ray Diffractometer DIANO (USA) make, (2) Phillips Liquid Nitrogen Plant with 6 liter per hour capacity.

The University has established a UGC Infonet Centre which coordinates all the activity of UGC Infonet Project at University of Rajasthan end. The centre will further distribute and maintain the internet connectivity over Campus Wide Area Network making it available to constituent colleges, teaching departments, research Centres, and administrative units. The Centre maintains and host University Website and Mail-server. The Centre will also coordinate and maintain Intranet of University when it comes up.

The University has a Press. It looks after the publication needs of the university. It is being modernized with assistance from UGC during the tenth plan.

The Guest House of the university is well maintained. It is the pride of the University. Recently it has been expanded with seven additional rooms.

Healthy Practices in the University

Strict adherence is observed to the Academic Calendar formulated for each year by the Academic Council

National and International Seminars, Lectures and Workshops are regularly organized and faculty members are given all possible financial and academic backup to participate in such events at both the National and International levels. Eminent Scholars come to the University as visiting faculty.

Statutory bodies like the Senate, the Syndicate, the Academic Council, the Faculties, the Research Board, the Boards of Studies are regular in their meetings and are vibrant and vigilant in their deliberations.

The University examination system is now fully computerised. The results of the entrance examinations are declared within twenty four hours.

The University Press looks after the printing requirements of the University. During the Xth Plan, it was being modernized.

To provide financial assistance to the needy students, a University Corpus Fund has been created.

To ameliorate the grievance of every strata of University Community a standing mechanism has been evolved wherein three separate Grievance Committees function on a continuing basis.

The University of Rajasthan has been striving with fullest commitment to uphold the Hand Book

Goals for XII Plan

In addition to strengthening the existing Departments, in the XII Plan period, the University plans to set up new Departments in Human Rights, Defence Studies, Computer Science, Banking and Finance, Tourism and Hotel Management and a Department of Theatre and Film. New PG courses planned within the existing departments are in Material Sciences, Green Chemistry and Social Science.

The University plans to set up a Science Museum, Community Radio, Diaspora Centre, a Culture Repository Centre, a Women's Artifacts Museum and a Commerce Lab, and upgrade and digitize the existing Herbarium

एक परिचय

यह विभाग प्रदेश के हिन्दी विभागों में सबसे पुरातन है। 1 जुलाई, 1961 को इसकी स्वतन्त्र विभाग के रूप में प्रतिष्ठा हुई। इससे पूर्व, विश्वविद्यालय की स्थापना से लेकर सातवें दशक के आरंभ तक, छात्रों के लिए हिन्दी में स्नातकोत्तर अध्ययन-अध्यापन का कार्य महाराजा कॉलेज एवं छात्राओं के लिए महारानी कॉलेज में होता था।

यह विभाग अपनी प्रतिष्ठा के अनुरूप डॉ. माताप्रसाद गुप्त, डॉ. सरनाम सिंह, डॉ. सत्येन्द्र, डॉ. हीरालाल माहेश्वरी, डॉ. विश्वम्भरनाथ उपाध्याय प्रो. सुरेन्द्र उपाध्याय और डॉ. सुदेश बत्रा जैसे यशस्वी विद्वानों/शिक्षकों के नेतृत्व में प्रदेश में हिन्दी अध्ययन-अध्यापन एवं शोध-साधना के क्षेत्र में अग्रणी रहा है।

विभाग के लगभग पाँच सौ शोधार्थियों को पीएच.डी. डिग्री प्रदान की जा चुकी है। यह परम्परा आज भी गतिशील है। पी.डी.एफ. (03), टी.आर.एफ. (03), एस.आर.एफ. (02), जे.आर.एफ. (05), विभागीय शोधवृत्तिक, सामान्य शोध-वृत्तिक तथा अन्य दो सौ से अधिक शोधार्थियों की विपुल संख्या विभागीय शोध-समृद्धि का परिचायक है। विभाग से उपाधि प्राप्त विद्यार्थी देश के विविध विश्वविद्यालयों/महाविद्यालयों में कार्यरत हैं।

विभाग के संकाय सदस्यों की विगत वर्षों में अनेक पुस्तकें प्रकाशित हुईं तथा देश के प्रतिष्ठित अकादमिक संस्थाओं से पुरस्कार प्राप्त हुए। संकाय सदस्यों ने राष्ट्रीय/अन्तरराष्ट्रीय संगोष्ठियों में सहभागिता निभायी। यू.जी.सी. एकेडेमिक स्टॉफ कॉलेज के संयुक्ततत्त्वावधान में विभाग महत्त्वपूर्ण विषयों पर आठ पुनश्चर्या पाठ्यक्रम आयोजित कर चुका है।

वर्तमान सत्र के लिए भी एक पुनश्चर्या पाठ्यक्रम प्रस्तावित है। शोध-छात्रों के लाभार्थ विभाग में नियमित संगोष्ठी आयोजित की जाती है। यह विभाग विशिष्ट शोध-केन्द्र के रूप में विकसित हो सके, इसके लिए 'दादू अध्ययन प्रकोष्ठ' की स्थापना की गई है, इससे संत साहित्य के अध्ययन एवं शोध के क्षेत्र की गति मिलेगी तथा प्रदेश की अज्ञात, अल्पज्ञात व उपेक्षित विपुल पाण्डुलिपियाँ शोध के लिए सुलभ हो सकेंगी।

आधारभूत सुविधाएँ

विभाग में एम.ए., एम.फिल्. तथा पीएच.डी. पाठ्यक्रम के अध्ययन हेतु सभी मूलभूत सुविधाएँ उपलब्ध हैं। इसके लिए विभाग में पुस्तकालय एवं संगोष्ठी-कक्ष भी उपलब्ध है।

Department of Philosophy

About the Department

The Department of Philosophy was established in 1956. Due to its nationally and internationally acclaimed faculty, It soon emerged as a leading centre of quality teaching and research in the country. It earned the reputation for providing an excellent platform for interdisciplinary research and attracted scholars from different disciplines of Humanities, Social Sciences and Natural Sciences in its seminars and symposiums. It is amongst those few departments in the country which were granted UGC's University Leadership Project (ULP) in 1977. In 1979 it was selected for UGC's Special Assistant Programme (SAP) under DSA and after successfully completing 4 phases till March 2005, was upgraded as the Centre of Advanced Study (CAS) in Philosophy from April 2005. It also received Assistance for Strengthening the Infrastructure from UGC under its ASIHSS Programme in April 2004.

Infrastructural Facilities

The Department is equipped with sufficient space in the Humanities Building, consisting of one Seminar room, one small library of 1600 text and reference books for P.G. and M.Phil. students. The Department also has its separate building for Centre for Advanced Study (CAS) which is equipped with a Library consisting of approximately 10,000 books and journals

Centre for Jain Studies

About the Department

On the auspicious occasion of Lord Mahaveer's 2500th Nirvan Mahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be

Director

Prof. Anil Jain

treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabhramsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year various Fellowships and Scholarships.

It has so far organised more than 5 International, 8 regional and 28 National Seminars and held several extension Lecture-series, and published about 26 books on Jainology and Manuscriptology. It has its own Library and subscribes to a large number of Journals and Magazines, relevant to the Jain Studies and allied subjects.

Research work has been carried out in Centre and as many as 245 research scholars have been awarded D.Litt, Ph.D. and M.Phil Degrees in Jain Studies by this University.

Infrastructural Facilities:

The Centre has an adequate computer laboratory with internet facility, a manuscript library for the use of research scholars as well as a Reference library for oriental studies and general studies.

Department of Education

About the Department

The Department of Education was established in the year 1976 to impart Teacher Education at the degree level through the distance learning mode. After the restructuring of Universities in Rajasthan, the Department of Education was granted permission in 1992 to conduct M.Ed. Course and to promote research in Education.

Aims and Vision

The vision of the Department is to prepare a professional cadre of committed and competent teacher educators.

Infrastructural Facilities

The Department has its own library consisting of 2500 books, a psychology lab and computer lab.

Department of Library & Information Science

About the Department

The Department was established in the year 1960. This is the oldest Department of Library & Information Science in the state of Rajasthan and one of the few in the country to have started Masters' and Doctoral Degree programmes. It started Masters' and Doctoral degree programmes in the subject as early as 1974 and 1975 respectively. The Department has already produced more than 50 Ph.Ds and many students are pursuing the research degree. A number of ex-students of this department are serving in senior positions in the country and abroad in premier and prestigious institutions. In view of the changing scenario due to rapid development in ICT, the syllabi for both MLIS & BLIS have been revised to include ICT based curriculum as per U.G.C. model.

Infrastructural Facilities

The Department has a well equipped modern ICT laboratory, with state-of-the-art facilities.

Department of Life Long Learning

(Formerly Deptt. of Adult and Continuing Education)

Director
Prof. Shashi Sahay

About the Department

The importance of Life long Learning has been repeatedly stressed and its role has increased manifold in India. Globalization and tremendous expansion of technology have been instrumental in bringing about change in the overall educational system in India. DLL is playing an important role in equipping the youth and non-student youth to adopt the changes and learn new skills in accordance with the demand to work and to foster the continuous development and improvement of the knowledge and skills needed for employment and personal fulfillment.

DLL has been successful in reaching out to a larger section of the community especially to the marginalized section of society through various training department organizes various programmes on social issues namely: stigma, discrimination and denial. The Department conducts e-learning classes for senior citizens and deprived sections of society. The Department has been instrumental in conducting awareness programmes on population control,

HIV/AIDS control, child labour, save the girl child and safe motherhood, environment protection etc.

Every year, the department organizes various International/ National seminars/workshops/ and discussions. Special thrust is on capacity building/ leadership skills/personality development/ stress management/career counseling and guidance programmes for youth. The Department has also organized English language teaching classes in villages, government schools and slums of Rajasthan for the needy and poor.

The Department has initiated various extension activities for the students with the support of University Department, Colleges and NGO's. The department is making sincere efforts to involve the students and the community in literacy, post literacy, population, education and non-formal education programmes.

Department of Physical Education

About the Department

The Department was established in 1947 with its Physical Education programme including Courses like Bachelor of Physical Education (B.P.Ed.) from 1994-95 and Master of Physical Education (M.P.Ed.) from 1995-96. The Department introduced Yoga Certificate & Yoga Diploma Courses in the session 2003-04 under a UGC scheme & M.Phil in Physical Education was introduced in 2007-08. The Department has ample facilities for research work, enabling the post graduates to pursue their Ph.D. in Physical Education. Till date 31 students have been awarded Ph.D. in Physical Education.

Centre for Converging Technologies

About the Centre :

The Center for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of NBIC technologies so as to accelerate techno-economic development of the country

The centre is pursuing the following activities:

- Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.
- Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.
- Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating, designing, and applying NBIC technologies in an innovative way.
- Developing laboratories and facilities to efficiently engineer and design new products.
- Promoting global level research in allied theoretical Science (logic, data structures and algorithms, computational complexity, database systems, knowledge representations, constraint satisfactions, artificial intelligence, intelligent agents, theoretical computer science and quantum computing), Systems Biology and Metabolomics.
- Encouraging post-doctoral students in Converging Technologies to uplift the capacity for research.
- Imparting postgraduate education in Converging Technologies.
- Collaborating with Industry, National and International Institutes/ Universities to augment NBIC research so as to accelerate techno-economic development of the country.

Infrastructure Facilities:

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Shri R.P. Goenka. The first phase of Centre's new building has been completed in 2009. It has specifically been designed to meet the requirements of Converging Technologies research and education activities. The centre houses BIF facilities supported by Department of Biotechnology, Government of India. The centre has been selected as nodal centre for

The Hon'ble Chief Minister Shri Ashok Gehlot, has announced in his budget speech in 2011 [State Budget Announcement No. 155] a budgetary support to setup a "Centre of Excellence for Nano Technologies" at Centre for Converging Technologies.

The Centre has an MoU for research collaborations, faculty and student exchange with the Royal Melbourne Institute of Technology (RMIT) University, Melbourne, Australia. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. It is also a beneficiary unit under DST-PURSE granted by Department of Science and Technology, Government of India to University of Rajasthan, Jaipur based on high h-index of university among top institutes of science and technology in India. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X

Semester at premiere research institutes like BARC, IISc, IITs, IIITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI.

Ph.D. Programme:

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Bioinformatics and Biotechnology, Information and Communication Technology, Cognitive & Neuroscience. The focus will be on the following areas.

Thrust Areas:

- a. Nanotechnology
- b. Biotechnology and Bioinformatics
- c. Information and Communication Technology
- d. Cognitive and Neuroscience

Master's Programme :

Ten Semester (Five year) Integrated Dual degree Master of Technology course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland International Conference on Management of Engineering and Technology 2007(PICMET-07), Portland, USA.

Medium of Instruction and Examination is ENGLISH only.

Fee: See SFS Fee Schedule (Tuition fee for Batch 2012-17 will be Rs. 36000/- per semester)

Eligibility: Admissions will be made purely on the basis of merit in the entrance test CCTET-2012 in respective reservation categories. To be eligible for entrance test and admission to the First Semester of the Five year (Ten Semesters) Integrated Dual Degree Masters' programme in the four streams of Converging Technologies, the candidate should have passed the XII(10+2) with science subjects (both Mathematics and Biology group students are eligible). Students who are appearing for XII examination in 2012 are also eligible to appear in CCTET-2012, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. NRI quota students are exempted from the Test. They should send application form on a plain paper

with NRI/ NRI sponsoring certificate, a Demand Draft of Rs. 5,000/- in favor of Director, Centre for Converging Technologies and payable at Jaipur as application processing fee . The NRI students are charged Five Times the regular student fee and the seat can not be converted into Non-NRI in any situation.

Admission Procedure:

Admission to the Five year (Ten semesters) Integrated Course Master of Technology in the four streams of Converging Technologies will be made through an All India Entrance Examination CCTET-2012 to be conducted by the University of Rajasthan. CCTET-2012 will be of total 3 hrs duration (without break). The test will comprise of Multiple Choice Questions with choice of four answers, only one being the correct answer. Each correct answer fetches three marks and each wrong answer will carry one negative mark. Multiple answers will be treated as wrong answer. The test paper will comprise of Four Sections each containing 50 questions. The syllabi of sections (A) Physics, (B) Chemistry, (C) Mathematics and (D) Biology, are available on the website <http://uniraj.edu.in/cct>. The candidate will be required to attempt sections (A) and (B) and either (C) Mathematics or (D) Biology. There is no time limit for individual section of the question. Medium of CCTET-2012 : English and Hindi

CCTET Result and Merit List for admission:

The result and merit list of CCTET 2012 will be displayed on notice board at the Centre for Converging Technologies. The candidate will be called for counseling on the basis of their merit position in the respective category. The candidates will be required to appear in counseling to be at their own expenses. At the time of counseling the candidate must bring all documents in original and Photostat copies and four passport size photograph along with a bank draft of Rs. 36000/- (Thirty Six thousand Rupees) drawn in favour of Director, Centre for Converging Technologies and payable at Jaipur towards first semester fee. The candidates will be required to fill the University Application Form and submit the same along with the other fees payable as per University Prospectus.

Note :- For any information, the students may visit the Centre for Converging Technologies. The queries may be addressed to cct.uniraj@gmail.com. Telephone number of the office is 0141-2700370.

Department of Visual Arts

About the Department

The Department of Visual Arts started the teaching of professional degree course B.F.A. in the year 1987. We have been able to orient a good number of professionals in the subject of visual arts, some of them have been contributing significantly to the discipline. After about 14 years of path-breaking hard work by the academic community, the faculty has started the M.F.A. under the Self Financing Scheme (SFS) in the year 2000, with a mission and well - defined goal to be achieved.

The faculty today has proven its competence not only in providing the required education but has also grown its sphere of activity, in spite of enormous constraints.

Its faculty members have been regularly participating in National & International Art Exhibitions, Camps and Seminars and have received awards. Many of them are also members of BoS bodies of various Universities. Former students of the Department have also been appointed as HoDs in various Institutes of India and abroad.

The course of M.V.A. has been so designed that a student is given sufficient freedom of expression. He/she is allowed to innovate and explore a style of his/her own which would be essential to establish a distinct identity in the world of Art and Design.

Infrastructural Facilities

The faculty has a large studio for each discipline apart from separate studios for specialized subjects such as Photography, Print Making, Sculpture etc.

The faculty's Resource Centre comprises a library specifically designed for the needs of the students and to facilitate research scholars towards Art and Design.

The use of computer as an essential tool for design is no longer questioned in this faculty. Computers with multimedia capacities are being used by Applied Arts and Graphic Arts students.

Apart from regular studio classes, the Department holds separate workshops for the students to explore their abilities in the areas of their specialization. The faculty utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations and Discussions organized as part of the regular curriculum activity.

From time to time the faculty invites eminent people from various walks of life for the academic benefit of the students.

Department of Chemistry

About the Department

The Department of Chemistry came into existence in July 1960, Ever since its inception the Department has made all round progress under the dynamic leadership of Prof. J.N. Gaur, Prof. R.C. Mehrotra, Prof. K.C. Joshi, and the legacy continues. The Department is well known in academics and research. The faculty is actively engaged in research in traditional as well as emerging fields of Chemistry. After successful implementation of DSA-SAP programme sponsored by UGC for more than thirty-three years, the Department has been recognized as Centre for Advanced Studies in Chemistry in 2005. The Department is proud of its students who are getting placements regularly in various multinational companies and Government of India establishments such as ISRO, DRDO, HPCL, NTPC, BARC, GSI, IPCL; Ranbaxy, Lupin, Wokhardt, Forensic Research Laboratories, CSIR Laboratories. Every year, nearly 35-40 students qualify the NET-JRF examination conducted by UGC-CSIR. A good number of students also clear the GATE examination with excellent percentile.

Department of Geography

About the Department

Initially, the teaching of Geography began in 1962 at the undergraduate level in the Arts Faculty in the University Rajasthan College. Thereafter the undergraduate teaching in Science faculty in University Maharaja College and in Science/Arts faculties in University Maharani College commenced from 1974 and 1987, respectively. The post graduate Department was established in 1968. The faculty is actively engaged in research programmes. The Post-Graduate Department is located in the University Campus.

Infrastructural Facilities

The Department has a well equipped Remote Sensing and Geographical information system laboratory named as Late. Shri Rajesh Pilot Memorial Laboratory. It has been established under the FIST programme of the Department of Science & Technology, Govt. of India, New Delhi.

Department of Geology**About the Department**

The department came into existence in 1985 when post graduate teaching was initiated at the Maharaja's College Campus. The Department was shifted to its own building in the University Campus in 1989. The Department runs M.Sc. and Ph.D. programmes with an objective of:

- Creating and effectively disseminating fundamental knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms;
- Training students to be able to take up responsibilities as professional geologists in various exploration and mining organizations and to pursue a career as research scientists;
- Integrating scientific knowledge from different geosciences and allied fields for application in solving societal issues such as natural resource management, natural hazard evaluation and mitigation;
- Providing basic infra structural facilities to carry out research in specified fields.
- Remote sensing & GLS application

To achieve the above goals the Department offers a very congenial atmosphere and a very close student-teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making the students confident, self motivated and able to work in a team. The Department has been regularly organizing training programmes and special lectures to benefit both the students and the faculty. The department has been identified by ONCC for a monthly scholarship of Rs. 5,000/- to the student with highest CGPA at II Semester Exam.

Infrastructural Facilities:

The Department has facilities for teaching and research and boasts of the following technical facilities:

Petrological Lab: Petrological Microscopes, Automatic thin section preparation unit.

Palaeontology Lab : Binocular microscopes, High resolution Zoom Stereomicroscope with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

Computer and GIS Lab : Ten computers, GIS and Image processing software, Satellite data and topo sheets.

Other Facilities: LCD projector, Field Camera, Survey equipment, Light Table, Mirror Stereoscopes, Departmental Library, etc.

Ph.D. Programme

The Department and individual faculty members have been associated in international collaborative research programmes. Collaborations with the University of Erlangen (Germany), University of Florida (US) and University of Pavia (Italy) have offered a platform for the students to work in overseas laboratories and to get a chance to interact with the students from these institutions.

Thrust Areas

- Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Setting, Rock Magnetism)
- Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy)
- Environmental Geology
- Hydrogeology
- Economic Geology

Master's Programme**MASTER OF SCIENCE (GEOLOGY)****Seats : 10****Duration: Four Semesters (Two Years)**

Other Highlights: The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international seminars/ conferences. A software "Virtual Petrological Microscope" developed by the students of our department is being used by a number of Geology departments all over the country as a useful teaching aid.

Department of Home Science**About the Department**

The PG Department of Home Science was established in 1985 with M.Sc specialization in three subjects, namely Food and Nutrition, Human Development and Home Science Extension Education. PG Diploma in Early Childhood Education & Development (ECED) in collaboration with Campus Nursery School was started in 2007. The Department has qualified teaching staff with research specialization in different branches of Home Science.

Department of Mathematics

About the Department

The Department was founded in August 1960 at Maharaja College after the amalgamation of its Post-graduate wing. The Department got its permanent abode in the second floor of the Vigyan Bhawan in the University Campus in 1964. Various National and International honours have been conferred upon some members of the Department. The Department has active programmes of research in a number of areas. Emphasis is laid equally on Pure and Applied Mathematics. A good number of students have qualified in prestigious competitive examinations like JRF and NET and have been awarded research fellowships by UGC and CSIR. The faculty has successfully supervised more than 200 Ph.D. scholars and 240 M.Phil. students. More than 720 research papers of the faculty members of the Department have been published in various National and International Journals of repute. The teachers of the Department have authored considerable number of books for U.G. and P.G. students.

The Department has UGC DRS-I, DST FIST Programmes and NBHM Grant Linder for SAP for books

Infrastructural Facilities

Departmental Library has about 9200 books, one well-equipped Computer Laboratory consisting of 40 computers with internet facility for teachers, research scholars and students.

Ph.D. Programme

Thrust Areas

- Fluid Dynamics (Porous Medium, Heat Transfer, Non-Newtonian Fluids, MHD, Boundary Layer Theory)
- Integral Transforms and Special Functions
- General Relativity and Cosmology
- Operations Research

Department of Physics

About the Department

Department of Physics came into existence in the year 1960. Department offers M.Sc. (Physics) 4 semester programme and Ph.D. programme in different experimental and theoretical fields.

For the research, the Department has received UGC support under its COSIST Programme (1991-96), DRS Programme (1997-04), DSA programme Phase-I and DST support under its FIST (Fund for Improvement of Science and Technology Infrastructure) programme Phase-I (2001-06). At present, it is receiving UGC support under DSA programme phase-II and DST support under FIST programme-phase-II. In addition, individual research groups have received financial support from different funding

Infrastructural Facilities

M.Sc. and research laboratories are well-equipped. Experimental facilities in Condensed Matter Physics include a small capacity compact liquid nitrogen plant, furnaces for materials preparation, sputtering unit for preparation of thin films/ multi-layers, facilities for preparation of nano-particles, X-ray diffractometers for study of powder and thin film materials and for small angle X-ray scattering studies, Scanning probe microscope, low energy electron accelerator, X-ray fluorescence set-up, Compton spectrometer, vibrating sample magnetometer (20 K-1000 K), Mössbauer spectrometers with temperature variation (80K- 1000 K) and high pressures up to 10 GPa, resistivity measurement, differential scanning calorimeter, transient plane source technique, dynamic mechanical analyzer and UV-visible spectrophotometer, X-ray photo-electron spectroscopy set-up. Other facilities include microscope, Gamma/neutron spectroscopy set-ups, 2.5 m long neutron - time of flight facility, grid computing laboratory with multiprocessor servers, microwave set-up, low frequency and optical frequency set-ups for measuring dielectric properties and antenna measurement equipments and vector network analyzer.

Other Highlights & Achievements

Department has been organizing national/ international conferences and workshops. Experts are invited for delivering lectures and for academic interactions.

Department of Psychology

About the Department

The Department of Psychology was established in year 1971. The faculty of the Department is highly qualified and specialized in the areas of Clinical, Vocational, Organizational, Guidance and Counselling and Social Psychology. The faculty members and researchers of the department have made significant research contribution in these fields. The faculty members are also involved in development of 'Psychological Measurement Devices'.

The department attracts students from Rajasthan and outside, including international students. Recently, a cooperation agreement has been signed between University of Rajasthan and Montpellier University, France under which students from Montpellier University can apply for further studies in the Department.

Infrastructural Facilities:

The Department has smart class room and a well-equipped laboratory with P.G.R., ECG, Bio-Feedback and Research support-tools such as Psychological Tests, Palfrite Pr4, Audiometer, Projector with Laser Printer, Braun Paxilux, OHP and Computers with Internet connection.

Centre for Computer Science & Information Technology

About the Centre

The Centre has been conducting regular courses in Computer Science since 1986. Presently, 3 Year (6 Semester) Master of Computer Applications (MCA) Course and 2 Year (4 Semester) Master of Science (Information Technology) courses are run at the Centre under Self Financing Scheme (SFS).

Infrastructural Facilities

The students have access to excellent infrastructural facilities. These facilities are being augmented continuously by the addition of hardware/software, library and space facilities. A large Seminar Hall has been completed and the process of signing Memoranda of Understanding with several internationally reputed multinational companies and organizations is at a fairly advanced stage. These will enable students to have access to international technologies as a part of their course work.

Internet Connectivity

Internet connectivity is available. The entire building has CAT 5 cabling so that the Internet can be accessed from almost any location in the building.

Computer Labs

The computer labs consisting of more than 80 computers are connected through LAN and support diverse operating systems like DOS, Windows, Windows NT, Novel, and Linux. The labs are equipped with wide ranging development tools and platforms such as C. C++, Visual Basic, MS Office, Visual Studio, NET, Java, Oracle, DB2, MS SQL and many more. The students are allowed to work even during off hours. A hightech laboratory having 30 computers & 2 servers has been established in the centre to fulfil requirement of the courses to support latest technology and environment.

Library

The students have access to an in-house library, which has a large collection of books related to Computer Applications and Information Technology. In addition, the students have access to on-line resources.

Director

Prof. R.N. Jat

Ph.D. Programme

The students can take up research work for Ph.D. degree in various areas of Computer Science. Full scholarship for Ph.D. programme to an outstanding Information Technology Students of this centre has been offered by the University of Wroclaw, Poland since 2007-08. Collaborative website has been launched between Cornell University, New York and University of Rajasthan, Jaipur from March, 2009.

Centre for Development of Physics Education

About the Centre

The Centre for the Development of Physics Education was established in May 1978 by the University Grants Commission. This was a sequel to excellent developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the Centre are (i) development of new Physics experiments and literature, (ii) assisting other institutions under contact programme, (iii) fabrication and supply of equipment developed by it to academic/research institutions on no-profit and no loss basis, (iv) development of teaching aids in the form of Computer and Audio Visual Programmes. The Center has developed over 100 experiments and supplied Physics equipments fabricated at the Centre to many Universities and Institutions in India and abroad. These equipment are also being used in training programmes sponsored by ICTP, Italy, at the University of Dar-es-salam, Tanzania, University of Maidugur, Nigeria, and the University of Zimbabwe, Harare. The Coupled Oscillator was awarded First Prize at an International Competition.

The Centre has been supporting research groups in the Physics Department for fabrication of equipment and extending IT expertise for examination reforms and academic development. The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India.

Director

Prof. Y.K. Vijay

Infrastructural Facilities

The Department has (i) a Mechanical Workshop (ii) an Electronic Workshop and (iii) Computer Lab. The mechanical workshop is equipped with a Lathe Machine and a Milling Machine. The electronic workshop is equipped with measuring, testing and assembling equipment for electronic circuits. The computer lab is equipped with five computers with online support.

The Museum that houses equipment developed by the CDPE, is a major attraction for visitors and students of Physics.

Centre for Non-Conventional Energy Resources

About the Department

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of useable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

Infrastructural Facilities

The Centre has a research laboratory equipped with Electron gun, thin film deposition unit under UHV conditions, Thermal evaporation unit under high vacuum condition, UV-Vis Spectrophotometer, Electrometer, Ultrasonic cleaner, Ball milling under inert atmosphere, Heating furnace, Sievert type

Director

About the Department

The Indira Gandhi Center for Human Ecology, Environmental and Population Studies was established in the year 1984. On Dec 31, 1997 the Indira Gandhi Centre was granted the status of a Department of the University of Rajasthan. The Department, under the COSIST programme with financial and other support from the UGC, has introduced a two-year Master's degree course (M.Sc.) in Environmental Science since July 1997. One Year P.G. Diploma courses in Human Ecology, Environmental Studies and Population Ecology were introduced since 1984-85.

Infrastructural Facilities

A well-equipped research laboratory with latest equipment (like UV-Spectrophotometer, Atomic Absorption Spectrophotometer (ASS), B.O.D. Incubator, ovens, water testing kits) is available in this Department. The Department has a well-equipped library consisting of 2500 books and it subscribes to journals.

Centre for Water Management & Research

About the Centre

The centre was started in the session 2010-11 with a PG Diploma in Water Resource Management. The Centre was established to meet the long felt need of water scarcity especially in arid and semi arid region. This Centre will prepare students, who, as water managers will help in sustainable management of the limited water resources. These water managers shall also ensure water security for all through integrated water resource management.

Department of Anthropology

About the Department

Realizing the importance of rapid technological and cultural changes, the Department of Anthropology was set up in 1988 with the objective of producing manpower with a blend of scientific temper and social awareness.

The discipline of Anthropology, in its broadest sense, refers to the study of man and society, living or extinct. It includes a number of distinct but related sub-fields such as Physical Anthropology, Socio-cultural Anthropology, Archaeological Anthropology and Linguistic Anthropology.

Students who enrol in the course are trained in the unique field work that sets Anthropology apart from other Social Sciences.

Infrastructural Facilities

The Department has a well-equipped laboratory and a rich library.

INTRODUCTION

The Law College, as it was originally called, was established in Jaipur by the Government of the erstwhile State of Jaipur in 1947, that is the year corresponding with the foundation of the University of Rajasthan. It was housed, first in the building now known as the University Maharaja's College and had 306 students, a full time Principal, one Reader, three Part-time teachers. In the beginning, only a two-year LL.B. Course was started from 1947 to 1952 and the Law College was affiliated to the University of Rajasthan. On July 1, 1953, the College was transferred by the State Government to the University of Rajasthan.

The foundation stone of a separate *Vidhi Bhawan* was laid by Shri Barkatullah Khan, the then Chief Minister of Rajasthan, on Friday, 22nd December 1972.

महाविद्यालय में प्रवेश हेतु इच्छुक छात्रों की बढ़ती हुई संख्या एवं सीमित स्थानों को देखते हुए स्ववित्त पोषित पाठ्यक्रम योजना वर्ष 1995 से प्रारम्भ की गई है। इन पाठ्यक्रमों का अध्यापन अपराह्न में महाविद्यालय परिसर में सम्पन्न किया जाता है। इसमें प्रविष्ट किये गये छात्रों को नियमित छात्रों के रूप में सुविधाएँ दिये

जाने का प्रावधान है। इस योजना के अन्तर्गत किसी भी विषय में अध्यापन उसी स्थिति में किया जाता है जबकि उस विषय में कम से कम 15 छात्रों ने प्रवेश लिया हो। इस पाठ्यक्रम में छात्रों की प्रवेश – पात्रता एवं विषय-संयोजन पूर्व वर्णितानुसार है जो कला स्नातक के लिए पूर्व में दिया गया है।

नोट:- विश्वविद्यालय राजस्थान महाविद्यालय में बी.ए. एवं स्ववित्तपोषित बी.ए. (सायंकालीन) पाठ्यक्रम में प्रवेश हेतु एक ही आवेदन पत्र भरने की आवश्यकता है।

UNIVERSITY CENTRAL LIBRARY

The Central library building is located near the main gate of the University. It has a seating capacity of about 400 students. It has more than 4.7 lac books and bound periodicals etc. The Library subscribes to about 150 current journals, popular magazines relating to various subjects. In addition about 7000 E-Journals are available for online access under UGC-INFONET E-Journals consortium.

The Library provides the following services in addition to consultation and lending facilities of books:

- Reference Services
- Current awareness services
- Reprographic services
- E-journals online accessibility
- Internet and e-mail facility
- CDROM Data Base Search services

In order to serve the users, the library collection has been well organised. The books have been grouped in different sequences, for example general books, text books, reference books, theses, and reports, set collection, etc.

The periodicals back run has been segregated into two groups pre-1975 and the rest. The books collection has also been grouped into pre-1951 prints and the rest.

THE ABU COLLECTION : The library has a rich collection of old documents including the collection of British resident at Mount Abu, which is popularly known as 'The Abu collection'. This includes Government reports, gazetteers and other publications dating back to early 19th Century. These are of research value for Historians, Economists and Sociologists.

THE MICRO FORM COLLECTION: The library also has the collection of Microfilms and Micro-fische.

UNIVERSITY HOSTELS

The University and its Constituent Colleges have well-furnished hostel accommodation for the students. Hostels are earmarked for particular courses/streams or colleges campuses.

The University is at present running 18 Hostels out of which 13 are on the Main Campus and rest are situated in the Constituent Colleges.

Every Hostel has its own unique tradition. Every year an annual youth festival is organised in every hostel.

This festival leaves a memorable imprint on its inmates. An inter hostel Youth Festival, '*Basant*' is also organised so as to provide common competitive platform for the manifestation of cultural talents of the hostel inmates.

RAJASTHAN UNIVERSITY NETWORK

RUN: RAJASTHAN UNIVERSITY NETWORK

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network)

RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The core switch [Cisco 6513] is located in the Infonet Center . The Zonal switch [Cisco 4507] is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line link.

The buildings of the University main campus are connected to Core/Zonal Switch through Optical Fiber Backbone. Layer 3 Managed switch are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable.

NATIONAL KNOWLEDGE NETWORK

The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN is providing 1 Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, CDAC, IMT, VECC, Inst. Of Mat. Science and other premier institutions. Access of any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. University is complying with IP Usage policy, Operations policy and Security policy of NKN.

OPEN SOURCE INITIATIVE

The University subscribes to the philosophy of Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql-Perl/PHP (LAMP) platform is employed for all applications.

CURRENT STUDENTS TAB ON UNIVERSITY WEBSITE

Students can access information relevant for them through the "Current Students" tab available on the main page.

University Result Server

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on Fedora linux platform using PHP as front-end interface and MySQL database at back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section..

UNIVERSITY RESEARCH SERVER

With the view that ongoing research efforts at the University of Rajasthan are not duplicated elsewhere, the Chancellor directed the University to make available all information about ongoing research work of Ph.D. students on the University website. The University of Rajasthan launched the Research Server providing all the necessary information about the research topic including the synopsis in PDF format. Online Comment Submission Form is included using which any interest user can make comments on the ongoing research work. Comments so submitted are forwarded by e-mails to the student, supervisor and Deputy Registrar, (Research) for necessary action. This ensures transparency and accountability.

UNIVERSITY OPEN ARCHIVE REPOSITORY

The University of Rajasthan has set up an Open Archive Repository where every researcher shall deposit a copy of his/her publications or presentation so that it can be easily accessed through internet. The University Open Archive Repository with URL <http://earxiv.uniraj.ac.in> was launched by the Secretary, UGC, New Delhi. The online submission facility is available on NIS authentication. University will also be launching online notice and news and views services too.

PLEASE NOTE THAT THE OLD WEBSITE ADDRESS www.uniraj.ernet.in WILL BE NO LONGER AVAILABLE.

THE NEW ADDRESS IS www.uniraj.ac.in

to time so that International Students' do not face any difficulty in due course of time.

Under the administrative supervision of the DSW there is Rajasthan University Students' Union consisting of four office bearers namely President, Vice-President, General Secretary and joint Secretary who are elected directly by the regular students of the University. Research Scholars are represented by a research representative. The Dean Students' Welfare and the RUSU collectively organize numerous cultural activities and career counseling camps. Inter college cultural activities are organized in the months of September/October. Inter University Youth Festival popularly called as 'Ghoomar' is organized regularly.

Students' Advisory Bureau

Student Advisory Bureau, established in the year 1962, aims to provide information on courses and combinations available in different Universities and Institutors of India and abroad. We enhance the reach and scope of available opportunities for the students and prepare them for future challenges. The Bureau helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities vis-a-vis the realities and job profiles, in the context of highly competitive occupational patterns. There is a vast gap between perception about the market demands and individual expectations. We bridge them through psychological and confidence-building measures. The Bureau supports the students in the development of soft skills and develops the ability to challenge the rigors of competitive tests and on job training. It is a centre of information, guidance and counseling with free accessibility and internet based global connectivity for exchange of information on professional placements.
