Part Time

1.

Applied Physics

M. Tech. (Nano Science & Technology)

20

05

--

2.

Civil & Environmental Engg.

M. Tech. (Structure Engg.)

20

05

08

M. Tech. (Environment Engg.)

20

05

08

M. Tech. (Hydraulic & Flood control Engg.)

19

05

07

M. Tech. (Geotechnical Engineering)

20

05

--

3.

Electrical Engg.

M. Tech. (Control & Instrumentation Engg.)

20

05

08

M. Tech. (Power System)

20

05

--

4.

Electronics & Communication Engg.

M. Tech. (Signal Processing & Digital Design)

20

05

08

M. Tech. (VLSI Design & Embedded System)

20

05

--

5.

Electronics & Communication Engg and Applied Physics

M. Tech. (Microwave & Optical Communication)

20

05

--

6.

Mechanical & Production Engg.

M. Tech. (Thermal Engg.)

20

05

08

M. Tech. (Production Engg.)

20

05

08

7.

Computer Engg.

M. Tech. (Computer Science & Engineering)

20

05

07

M. Tech. (Software Engg.)

20

05

--

8.

Information Technology

M. Tech. (Information Systems)

20

05

--

9.

Applied Chemistry

M. Tech. (Polymer Technology)

20

05

07

10.

Bio-technology

M. Tech. (Bio-informatics)

20

05

--

Eligibility: For admission to full time course a valid GATE score is essential. The application form and details regarding eligibility for each course are uploaded on the website: www.dce.edu. Separate application forms must be submitted for courses offered by each department. The reservation for SC/ST/OBC category will be as per the approved policy of the Government of Delhi.
