

DAV COLLEGE

SECTOR 10, CHANDIGARH

(A Post-Graduate Co-Educational Institution Accredited with A⁺ Grade by NAAC in 2004)

PROSPECTUS 2014-15

NAAC's observations about DAV College, Chandigarh

“DAV COLLEGE is blessed with a visionary leadership of the Management, qualified and dedicated staff, and highly talented students drawn from different social, cultural and academic backgrounds. Over the years the College has set a commendable tradition of initiative and imagination, and has grown into an institution of significant stature in the educational scene. The diverse academic activities of the college all imbued with a sound value system are focused on a balancing of knowledge assimilation and skill acquisition. The College has succeeded in instilling a definite confidence in the society at large about the quality of the education it offers”

01/07/2014 (Tuesday)

Display of Merit List at 11:00 am

05/07/2014 (Saturday)

Counselling / Admission Starts at 8:30 am

07/07/2014 (Monday)

From the President's Pen

Sh. Punam Suri

President

DAVCMC, New Delhi &

Arya Pradeshik Pratinidhi Sabha, New Delhi

His quest for excellence has become an instrument of positive change and myriad innovations.

DAV's vast, pervasive network of institutions owes its strength and sustenance to the age-old values and wisdom that are so reverently enshrined in the Vedas. When Swami Dayanand gave the historic call 'Back to the Vedas', he laid the foundation of a noble society founded on the moralistic principles of Vedic wisdom. Thus was created "Arya Smaj", Swami Dayanand's dream for the betterment and upliftment of society. And when Mahatma Hans Raj carried forth the torch of Vedic light into the field of education, DAV -- Dayanand Anglo-Vedic institutions were created. DAV, right from its point of existence, embodies the spirit of sagacity and sacrifice that was so deeply entrenched in the lives of the renowned stalwarts such as Mahatma Hansraj and Lala Lajpat Rai. In my discourses, I often highlight the strategic wisdom of the placement of the three letters D,A,V where "Anglo" refers to Western philosophy and knowledge, and its position in the middle signifies the wonderful balance that our institutions achieve, that is, to remain rooted in the Vedic values revered by Swami Dayanand, while imbibing the best of Western thought. For DAV, There is no limit to the attainment of knowledge because our Vedas inspire us to delve into the soul as well as seek awareness of all that the outer world has to offer. It is due to this divinely powerful combination of the mind and the soul that DAV, with a strength of nearly 800 institutions, has spread all over India as well as abroad..

Our challenging journey towards excellence goes on...

From the Principal's Desk

Dear Students

It gives me immense pleasure to congratulate you on choosing DAV College, Sector 10, Chandigarh for admission and also to welcome you to the college.

'Students who get higher education are a privileged class in our country, particularly those who have the opportunity of studying in some outstanding institution as this college' These are the glowing and the ever inspiring words about our beloved College spoken by Shrimati Indira Gandhi, former Prime Minister of India, when she visited it in 1984.

Having been founded in 1958, when the city of Chandigarh was in its infancy, the college is marching ahead with gigantic strides in the spirit of the Upanishadic injunction : 'चरैवेति चरैवेति' (keep marching on). Being the foremost and the best in virtue of performance among the institutions named after Dayanand, this college has grown into a worthy model of a faith in his gospel, a source of inspiration for others. As the Gita says, "The example set by the elect is followed by the rest (यद्यदाचरति श्रेष्ठस्तत्तद वेत्तरो जनः). DAV stands for Dayanand Anglo-Vedic, a term that is unique in its amalgamation of ancient heritage and modernity. "Dayanand" and "Vedic" are the impetus for the DAV movement, connoting the richness of the Maharishi's value system and the profundity of Vedic wisdom. Steadfastly balanced between the two is "Anglo" that refers to the best of the western knowledge that is updated with the latest technology, yet which is well within the parameters of our ancient vedic heritage. The branches of the tree of knowledge will spread far and wide, yet it is the roots that will give strength and substance to the leaves fluttering merrily in the breeze. We are to set and

achieve highest standards in education as our sublime mission is man-making. DAV students get the best of the two worlds: they compete with the world for optimum knowledge and opportunities, and simultaneously build a strong, noble character rooted in Vedic values. The DAV College, Chandigarh has taken the lead in equipping the youth with the moral fibre they badly need today. Unless we do so we cannot dream of stemming the rot which has set in in our society and threatens to undo the work of Swami Dayanand.

This college has had a distinguished history. It is not for nothing that students from all parts of the country and abroad vie with one another to find a seat in this institution. During more than fifty years of its existence we have produced great administrators, jurists, academicians, artists and sports persons of international repute. Even this year we have achieved outstanding results in academic, sports and co-curricular activities. Our faculty is making exceptional contribution in research in various disciplines and other out-reach programs.

I am sure when you join this college you will become a part of this glorious tradition of growth and excellence.

God Bless You !

Dr. B.C. Josan
Principal

Through the eyes of the Beholder...

As one of the foremost educational institutions, D.A.V. College, Chandigarh has earned a commendable record of achievements both in academic and extra curricular feilds.

Giani Zail Singh,
Former President, Republic of India

The DAV College, Chandigarh will continue to serve the high ideals for which it was established.

Shri Beant Singh
Former Chief Minister, Punjab

Many of those who have passed through D.A.V. Classrooms have made distinctive mark in various branches of life... Students who get higher education are a privileged class in our country, particularly those who have the opportunity of studying in some outstanding institutions as this college... This college has a distinguished history. If it rededicates itself to the ideals of great Indian Swami Dayanand Saraswati after whom it is named. I am sure the college and those who pass through its portals would have a bright future.

Shrimati Indira Gandhi
Former Prime Minister of India

My dissatisfaction with the affiliated colleges in general had been so great. but seeing the DAV College, Chandigarh at work some time ago. I felt compelled to change my views and to become indeed an advocate of autonomous Colleges. This would be the first of my choice.

Shri Hardwari Lal
Former Vice-Chancellor
M.D. University, Rohtak

I have known the quest tor excellence that D.A.V. College Chandigarh has placed as its goal in various walks of life. I have very well known the ideas that inspire the members of staff as well as the student community.

Shri T.N. Chaturvedi
Former Compotroller &
Auditor General of India

It was really informative to visit your campus and to see all the unique innovations and

improvements that you have brought about. Keep it up. I have no hesitation in saying that I think it is the best College Campus I have so far seen.

Dr. S.D. Sharma
Former President, Republic of India

An Institution like this gives you an oppotunity to specialize and diversify, receive and give, assimilate and expand.

His Holiness Sri Sri Ravishankar

The DAV institutions are playing a dynamic role in socio economic resurgence and in keeping the shining aspects of our ancient culture and values alive. The only name which echoes more soundly is that of DAVs for having earned the credit for producing eminent scholars, social reformers and reputed personalities who have deeply influenced the post-independence era and left their seat of authority and superiority in almost all walks of life. The way DAVs are running their educational institutions is peculiar in many ways; especially one always takes pride in referring to the strict discipline maintained by the teachers and the taught. Further more to their credit the DAVs come in a big way producing many star players and athletes like Kapil Dev, Yog Raj Singh, Madan Lal and stylish batsmen like Surinder Arnarnath and Mohinder Amamath who have represented the country against the leading cricket playing nations of the world.

Shri M. Chenna Reddy
Former Governor, Punjab

The contribution of D.A.V. College, Chandigarh in the promotion of education is praise worthy and needs all encouragement.

Shri Bhajan Lal
Former Chief Minister, Haryana

The D.A.V. College, Chandigarh has produced eminent scholars and sportsmen alike.

Shri B.D. Pandey
Former Governor, Punjab

The DAV College, Chandigarh has many firsts to its 'Credit' in various activities. I am sure it will

continue to maintain the lead.

Shri K. Bannerji
Former Advisor to Administrator,
U.T. Chandigarh

The College has been consistently abiding by the enviable legacy of the Indian Scriptures as enunciated and expounded by Maharishi Dayanand. It has been recognized as Model College by the National Institute of Educational Planning and Administration, New Delhi.

Late Shri R.C. Paul
Former Vice Chancellor,
Panjab University, Chandigarh

The College has grown into a mighty educational centre for higher learning and has come to occupy a position of prestige and prominence.

Shri R.N. Mittal
Former Judge, Punjab & Haryana
High Court, Chandigarh

D.A.V. College, Sector 10, Chandigarh ever since its inception set and achieved very high academic goals, did wonders in the fields of sports and set high records in co-curricular activities; this is flourishing tradition here even today.

Late Hon'ble justice D.V. Sehgal
Former Judge, Punjab & Haryana
High Court, Chandigarh

D.A.V. College 10, Chandigarh is a brilliant model of Swami Dayanand's great philosophy; in this institution, I have learnt, high educational standards and lasting moral values are always achieved and maintained,

Hon'ble Babu Parmanand
Former Governor, Haryana

The emphasis of D.A.V. College, Chandigarh has always been on a harmonious development of human personality and its contribution to the field of education is too well known to need any special mention.

Shri Jagan Nath Kaushal
Former M.P. & Union Minister of Law, Justice and
Company Affairs

Studying at DAV College

Mission & Objectives

D.A.V. College Chandigarh was founded in 1958, when the city of Chandigarh was in its infancy. The college has grown with the city, becoming an integral part of the region's socio-cultural milieu. The college belongs to the family of the famous D.A.V. institutions, founded by Mahatma Hans Raj, and inspired by the great visionary-Swami Dayanand Saraswati-the doyen of the Arya Samaj, who believed that, "**True education consists in promoting knowledge, civilized manners, virtuous character, self-control and other moral qualities and in dispelling ignorance**". He had always felt that the scientific knowledge of the west needs to be absorbed in the cultural milieu of India. The DAV movement, which started in 1886, gives a practical shape to the ideals of Swami Dayanand's educational philosophy which aims to develop a modern scientific approach among the students, coupled with an understanding of their roots in the ancient

Vedic Culture. The D.A.V College, Chandigarh is trying to bring about this synthesis by imparting to the students the best of new world humanistic, scientific and technical knowledge with the sense of history of their rich cultural heritage-the Anglo and Vedic values. We work to achieve these broad objectives.

The college was built from scratch with missionary zeal. Brick by brick, the early principals and teachers at the college put in super human efforts to launch the college. And those among the students who saw the college come up, knew exactly, what the growth had entailed. They experienced first hand, the self less labour and love, and the sense of duty and discipline, which had gone into the making of the institution. It is this that makes many of these old students, themselves occupying high places, come back to the college for educating their sons and grand-sons, and now even daughters and grand-daughters. They believe that the

skills and values ingrained in them, which helped them succeed in their lives, have been acquired by them in this institution. They not only remember their college for its academic excellence, its committed faculty and dedicated principals, its ever growing impressive infrastructure and its star sportsmen.

Distinctive Features

Every student enrolled with us is allowed perceptive freedom to excel in his chosen field of endeavour and interest. That is one reason, we believe, that has helped using moulding career of some of the best young men & women of this region. Offering of maximum facilities to the students so that they fulfil their potential has been the hallmark of the college. All incentives in the college, be they in the form of special coaching or counselling, extra books, sports equipment, fee concessions, stipends, scholarships, etc. have not really to be

applied for. They are theirs for the deserving students in all fields of academic, extra curricular and sports activities. All this has led the National Institute of Educational Planning and Administration (NIEPA) to declare the college as the "Model College".

The infrastructure and student support facilities available in the college have enabled us to remain on top in the region. Our students continue to bag top positions in studies. We have successfully launched postgraduate programmes in IT., Commerce, English, Bioinformatics, Biotechnology, Chemistry, Maths, Zoology, Psychology, Public Administration and Sociology, Business Economics; and P.G. Diplomas in various fields.

We have produced 68 International Sportsmen like the legendary Kapil Dev, Yuvraj Singh, Yograj, Dinesh Mongia, Jeev Milkha Singh & Irina Brar. This tradition is alive and kicking even today. Young scholars, almost every year, inspired and fired by glowing examples of their predecessors do their best to maintain the high levels of excellence that are very rarely achieved elsewhere. When they come here success is only a sacred word in their prayers, when they leave success is actually a solid weapon in their hands. With this weapon they proceed to win all battles of life.

Our achievements have enabled us to play host to four Vice-Presidents, one Prime Minister, several Union Ministers, Governors, Chief Ministers, Great religious

Leaders and other dignitaries. They have graced our functions on many occasions and blessed and motivated the students and staff.

Social Commitment

A practical demonstration of our students' attitude can be seen in the concern they develop for their country and their community. They actively imbibe the spirit of social service and many of them join the armed forces. To the martyrs from our college, we have dedicated our Administrative Block and named it 'Shaurya Bhavan'. The idea of service to the community and the nation is reinforced through the homage that is paid to the martyrs at their memorial in the college before the start of any function by all dignitaries visiting the college from time to time. Our students involve themselves in programmes like Blood Donation, Drug-deaddiction, AIDS awareness, Pulse Polio Campaign and service to the blind, etc. We have also joined a project to give shelter to street children. We have been holding computer literacy classes for senior citizens. The training is given free of cost. More than 500 senior citizens have benefitted so far.

Teaching/ Learning and Evaluation

The college enjoys its enviable position because of effective teaching-learning and evaluation processes. Students are provided

appropriate counselling at the time of admission and selected on the basis of their past academic performance after an interview. Their knowledge, skills and attendance in class are regularly monitored and their parents are kept posted with their wards' performance. A system of continuous assessment of students has been introduced. Students are encouraged to develop one or the other interest, hobby, beyond their studies and their participation in college activities is rewarded accordingly.

The courses set by the University are covered intensively with the help of all available teaching aids in the college. The faculty use computers/ multimedia/ audiovisual aids to make lectures interesting. A variety of teaching methods combining the traditional lecture with laboratory-based practicals, tutorials and seminar teaching, wherever required, are employed. Term wise teaching plans and unitized syllabi help the students/ teachers gauge their performance and progress. Subject related quizzes, contests, etc. are arranged to monitor students' reading, and for creating interest in and awareness of the subjects. All departments have their own subject societies for arranging extra-curricular activities.

Research Cell

A Research Cell has been established in the college with a corpus of Rupees 48 lac to promote research temperament and culture. Several major and minor projects sponsored by the U.G.C. and other funding agencies have been undertaken by the faculty.

Recently the college has been allotted 3 research centres in the departments of Chemistry, Zoology and Bio-technology. We have established the latest, state-of-the-art laboratories to enable teachers to guide students in their research work.

Research Journal

College brings out a research journal in Humanities and Social Sciences twice a year. The journal called DIVINER publishes research based articles/ papers contributed by research scholars and teachers in India and abroad. It has been running successfully since 2004.

Placement Cell

Many internationally recognized companies like Genpact, ICICI Prudential, Career Launchers, Lowe Lintas, Infosys and IBM have visited the campus for placements. Lowe Lintas shortlisted students from the college.

Companies like Mahindra Satyam, HCL, RBS and Finvasia visited the campus. The college is also in the process of an institutional alliance program for integrated placements with TEAMLEASE - one of the largest staffing companies in India.

A career guidance and counselling cell has been established which enables the students to get all the relevant information about the career chosen by them.

Infrastructure

Our greatest advantage is that the college is located in the heart of the city, easily accessible to commuters from outside and different sectors of the 'City Beautiful'. We have buildings with spacious classrooms, sprawling lawns, a beautiful seminar complex with audio visual aids, two

auditoriums, a cyber cafe, 25 sophisticated labs, well equipped Gymnasium and vast playgrounds. Besides this, we have a coffee house and a separate canteen on the campus. A doctor remains on duty in the college dispensary to attend to the minor ailments of staff and students.

Healthy Practices

The College attempts to cater to the special needs of all students in various ways. It organizes remedial classes and makes special arrangements for advance learners. It provides an environment which facilitates learning.

Ragging, drinking and smoking are prohibited on the campus. Similarly, students are not allowed to go in for fashion shows that denigrate the human body or wear dresses which are exhibitionist. Musical concerts which encourage vulgarity and obscenity are not allowed in the college. Antidrugs, antiviolence and anti-booze programmes are organized by the active participation of the Students' Central Association. The students are only allowed

two wheelers on the campus so that they realize the need of observing some austerity, and also contribute to the conservation of natural resources. Our endeavour is to produce sensitive and successful humans in tune with the demands of modern times.

The college strives to ensure zero tolerance on harassment of any kind, of girls and women on campus. We have put in place a responsive mechanism focusing not only on careful supervision but also on educational interventions, counselling and quick redressal. Accordingly, we have constituted a **Women's Cell**.

A **Grievance Redressal Committee** takes up all issues including those of complaints of alleged discrimination of students, from the Scheduled Castes, Scheduled Tribes, OBC's, Minority or disabled categories.

With the introduction of new courses/ programmes in the college, and added emphasis on research, the college hopes to further improve the quality of education. We recognize the students' need to grow in life and support them in every way.

Infrastructure and Learning Resources

- Central Library
- Lal Chand Research Library
- Computer Centre
- Departmental Libraries
- Twenty Five Laboratories
 - Chemistry 05

Two Additional Seat for (i) One Girl Child out of the only two girl children (ii) One additional Seat for Cancer Patient (iii) AIDS Patient and (iv) Thalassemia Patient for the session 2014-15

Two additional seats are created for those girl children for admission to a given course provided they are otherwise eligible from all angles. The Additional seats will be only for those girl children who are either a single girl child of her parents or one amongst the only two girl children with no male child.

An affidavit on a stamp paper worth Rs.20/- duly attested by 1st Class Magistrate to be obtained from the parents of the girl children declaring therein that the benefit of this scheme is being claimed for only one girl child out of the two.

One Additional seat each for the student suffering from Cancer, AIDS and Thalassemia has been allowed subject to the condition that the candidate seeking admission under each of these categories if otherwise eligible from all angles.

Important

The following is the criteria of reservation of seats, wherever applicable.

For U.T. Pool Candidates: 85%

For General Pool Candidates: 15%

U.T. Pool

85% of the total seats will be filled up from amongst the students who have passed their qualifying examination from schools/ colleges recognised by Chandigarh Administration and situated in Union Territory, Chandigarh, as regular students of the said school/ college subject to the

condition that such students must have studied for two years at Chandigarh and have passed one lower qualifying examination from these schools, Colleges. **These seats will be termed 'U.T. Pool.'**

General Pool

The remaining seats, 15% will be filled from amongst the students who passed their qualifying examination from the institutions other than those located in the Union Territory Chandigarh. **These seats will be termed 'General Pool.'**

Certificates from appropriate authorities should be submitted along with the application form to claim benefit of reservations.

Weightages

The holders of NCCA, B and C Certificate shall be given the weightage in marks for admission as follows: A-1%, B-2% and C-3%. A maximum weightage in marks of 4% for distinction in any or all the co-curricular activities achieved in any of the 3 years preceding the year of admission is permissible.

For NSS and other weightages in Adult Education and Functional Literacy on production of desired certificates as per PU. Chandigarh rules.

These weightages shall not be used for determining eligibility for admission as prescribed by the University under its regulations.

Late Admissions (Only if seats are available)

A student whose result of 10+2 examination in February/March conducted by a School Board is published late, but not later than 10th August of the year of admission, may be admitted without late fee within 15 working days of the declaration of the result and his/her attendance shall be counted from the date of admission. This would be applicable to students of Open School Board also. After expiry of this period, the late admission approval from the Vice-Chancellor is required.

In the case of Panjab University students who have already appeared in any of its examinations and the result is declared late for one reason or the other, the admission cannot be said to be a case of fresh admission. They are already midway of the

course/ class. In their cases, admissions to the next class/ course are allowed within 10 days, from the date of communication of the result, without charging any late fee.

Admission is strictly on merit.

Admission after re-evaluation

Admission of students whose results are revised as a consequence of re-evaluation or otherwise late declaration of result, can be made only if:

- (i) Seats are available;
- (ii) Candidate is higher in merit than the candidate in waiting list.
- (iii) The request is made before the last date for late admission with the prior approval of the Vice-Chancellor as already laid down.

The following Rule in the P.U. Cal. Vol. III, 2005 at page 398 will be followed in case of re-evaluation cases:

"If as a result of Re-evaluation, a candidate passes at the examination, he/she shall be eligible to seek admission to the next higher class within ten working days of the communication of re-evaluation result to him/her. His/her attendance shall be counted from the date of his/her admission. However, no candidate would be granted admission on the basis of re-evaluation result after 31st December of the academic session. In the case of admission to a course having Semester Exam. the date will be October 15".

In the case of late declaration of results due to any reason other than re-evaluation: That in the case of Panjab University students who had already appeared in any of its examinations and the result was declared late for one reason or the other, while they were in the midway of the course/class, the admission to the next class/course be allowed within 10 days from the date of declaration of the result, without any late fee but not later than 31st December of the academic session. In the case of admission to a course having Semester Exam. the date will be October 15. The Vice Chancellor may sanction admission of such candidates whose results are declared after 31st of December with subsequent ratification by the syndicate.

Bachelor's Degree Programmes

BA General

The B.A. (General) programme is a three year degree course under the 10+2+3 system of education.

A person who has passed the +2 examination under 10+2+3 system of education of a recognised University/ Board/Council or any other examination recognised by the P.U.as equivalent, with pass in English as one of the subjects shall be eligible to join the First Year class of B.A. degree course. However, a person who has not qualified English as one of the subjects at the +2 examination, shall be eligible to join B.A.I Year class provisionally subject to his/her qualifying the deficient subject of English from the parent Board/Body/Council/ University in two consecutive chances subsequent to his admission, failing which his/her admission to B.A.I year class and the result for the examination shall automatically stand cancelled.

Admission shall be made on the basis of merit depending on the number of seats available.

The Panjab University has decided to introduce semester system from the 2014-15 academic session for undergraduate courses.

The details of the subjects to be studied in B.A. (General) First Year Examination are as under.

Compulsory Subjects

- Punjabi / History & Culture of Punjab
- English
- Three elective subjects
- Environment Education & Road Safety

The students who are not domiciled in Punjab and have not studied Punjabi up to 10th class; wards of defence personnel and central government employees who are transferred on all India basis; and foreigners shall have the option to take History and Culture of Punjab (HCP) in lieu of Punjabi as compulsory subject in B.A., B.Sc., B.Com., B.C.A. and B.B.A., classes.

Elective Subjects

Elective Subjects available in the College are

English	Hindi
Punjabi	Sanskrit

- | | |
|-------------|-----------------------|
| Economics | Political Science |
| Psychology | History |
| Geography | Public Administration |
| Mathematics | Physical Education |
| Sociology | |

Note

- A student can opt for only one language out of English, Hindi and Punjabi as Elective Subject.
- Only one subject can be opted for out of Sanskrit, Physical Education, Psychology and Geography.
- Only one subject out of History and Mathematics.
- A student is not allowed any change of subject(s) in BA II and III. It is mandatory to study the same subjects which are chosen in BA I. It is therefore suggested that the combination opted at the time of admission be considered carefully.
- Phy. Edu. can be taken only by those student who have participated in the Inter School/ national tournaments. A Student opting for Phy. Edu. is required to clear Physical Efficiency Test.
- Five students offering Sanskrit will be given special scholarship on the recommendation of the Head of the Sanskrit Department.
- As there are limited seats in some subjects, students can be asked to offer other subjects by the Admission committee if the need arises

- A student would offer Mathematics only if he/she has passed in that subject in the qualifying exam. OR qualifies the subject as a deficient/additional subject from the concerned Board/Council in the supplementary examination subsequent to the admission.
- Change of subject(s) will be allowed after admission in 1st year only if seats in particular subjects(s) are available, and strictly according to the University rules. No change of subject would be allowed after one month from the commencement of the session or one month from the date of joining, whichever is later.
- College reserves the right to scrap a particular subject combination if the number of students is less than 10 in that combination.
- ADMISSION IS STRICTLY ON MERIT. Failed candidates and those with less than 55% marks need not apply for admission to BA-I.**

B.A. Part II & III

Every student is required to study the same subjects in BA-II & III classes as he or she had studied in BA-I and II examinations. Change of subjects is not allowed. The students have the option of taking up Honours in an elective subject they had studied in B.A. I when they take admission to B.A. II.

No 'Failed' candidate shall be admitted in any of the courses. (The students whose admission forms were duly sent by the Department/College to the Controller of Examinations for appearing in the examination, but did not appear, or dropped the paper, will also be considered 'failed' students under University Rules).

A student of any other university who is placed in compartment in 1st year / 2nd year of BA / BSc / BCom / BCA / BBA course is not allowed to join 2nd year or 3rd year course of Panjab University.
