

CENTRAL UNIVERSITY OF JAMMU

ADMISSION BROCHURE

2014-15

VISION

To be a leading Centre of higher learning, integrating culture, knowledge, philosophy and value system of our heritage with modern and emerging concepts, skills, technology and management practices.

Mission

- Impart education which in its breadth and scope represents the three main symbols in our logo; iridescent like the rising Sun, immortal as the Banyan Tree and infinite like the Sky.
- Inculcate self confidence; which when combined with disciplinary study, leads to faith in one's strength and conviction.
- Develop talent for sustainable growth in academics, administration, business and research by laying emphasis on organised thought, self-discipline and discriminative faculty.
- Encouraging inter-disciplinary focus, as also collaborative research with leading Institutions aimed at the optimum development of human resource and integration of new ideas and innovations.
- Provide a modern, environmentally sustainable, healthy and vibrant Campus in consonance with the principles of Green technology.
- Play participatory role in the affairs of the people of surrounding areas in particular and civil society in general.

VISITOR

Sh. Pranab Mukherjee
The President of India

CHANCELLOR

SH. N.N Vohra
The Governor
Jammu and Kashmir State

Vice Chancellor
Dr. S.S. Bloeria

Logo and its description

The Rising Sun, the Banyan Tree and the Infinite Sky....

are the most significant constituents of the 'Nature Mother' epitomize the spiritual power that inspires mankind to embrace a spiritual way of life to attain peace and happiness.

These constituents being a source of inspiration have been transmitted into graphic data to design an emblem which is a pictorial device that serves to represent the Central University of Jammu.

Rising Sun

The rising sun in the backdrops of the Banyan Tree is emblematic of victory over darkness. The students shall abide in light and attain truth and grow in wisdom.

The Banyan Tree

The motto of the emblem proclaims that a Banyan Tree filters impurities to provide pure air. The Central University sieve infinite wisdom and knowledge leading to pure thoughts.

Infinite Sky

The vast canopy of the infinite sky along with the rays of the Sun shall provide heaven to oxygenated ideas to nurture and flow.

University is an abode of infinite knowledge, wisdom and truth. It is a platform where the students get an opportunity to seek knowledge and instructions which pave the way to self-introspection, leading to individual growth and development.

MOTTO of the University implies that knowledge refines, purifies and sharpens the mind.

To sum up, the Rising Sun along with the Banyan Tree and the Infinite Sky, truly reflect the values, aspirations, goals and ethos of the University as it seeks to usher in an enlightened society through vibrant, learned and empowered youth ready to adopt new ideas and emerging trends in the modern world; eager to face the resultant challenges.

From the Vice Chancellor's Desk

A very hearty and warm welcome to the portals of the youngest Central University of the Country.

The Central University of Jammu, though in infancy, strives to become one of India's premier teaching and research institutions. Founded on August 08, 2011, it is making all efforts for a quantum jump with the strength of keen students, astute research scholars, erudite and committed faculty, at the same time adhering to the objective of synthesising glory of the past with best modern practices and maintaining high ethical standards.

Starting with three Master's Degree Programmes in October, 2011, the University has grown in its academic endeavours by operationalising ten departments, offering eight Masters and eight Research programmes in 2013. We plan to add two more P.G. courses during the academic session 2014-15 and will have around 500 students on rolls.

The regular Campus at village Bagla, Distt. Samba, 25 KMs. from Jammu, is fast coming up. The University intends to commence four Teaching Departments there this July. The students, I am sure, shall not only enjoy the splendid ambience but also appreciate the marvels of nature and its bounties in all splendour.

All possible efforts have been made to adequately equip our Temporary Academic Block at Sainik Colony, Jammu, with high quality Computer labs, well-stacked library, sports facilities for indoor and outdoor games, common rooms for our boys and girls, an auditorium and individual cabins for every member of the teaching faculty and research scholars.

I am confident, our students shall become role models not only through acquisition of knowledge but also by being sensitive and humane, alive to global dynamics and at the same time thoughtful of their individual, social and environmental obligations.

I wish best of luck and a bright future to one and all.

About the University

The Central University of Jammu has been established and incorporated by the Central Universities Act, 2009 (Act No. 25 of 2009) read with the Central Universities (Amendment) Act, 2009 (Act No. 38 of 2009), with effect from October 20, 2009, having its territorial jurisdiction extending over Jammu Division of the State of Jammu and Kashmir Dr, S.S. Bloeria assumed the charge as its founder Vice Chancellor on August 08-,2011 and thus, the CUJ came into existence.

Administration Office

The administration office of the University is housed in a spacious building at 8/8 Trikuta Nagar, Jammu. It has been made fully functional with facilities like computer net working, furniture, furnishings and other office equipment.

Temporary Academic Block

The 600 Acres Campus of the University equipped with the modern state-of-the-art amenities is coming up at Bagla (Samba). In the meantime, the teaching departments of the University are functioning in a hired accommodation at Sector E (Extension), Sainik Colony, Jammu. The building is adequately commodious in a sprawling area of around 24 kanals.

During the Session 2014-15, 12 Teaching Departments viz, Computer Science and Information Technology, Economics, Educational Studies, English, Environmental Sciences, Human Resource Management & Organisational Behaviour, Mass-Communication, Mathematics, National Security Studies, Public Policy & Public Administration, Social Work and Tourism and Travel Management are fully functional. Except the Departments of Computer Sciences & IT and Environmental Sciences, all other departments are offering offering Master's Degree as well as the Integrated M.Phil.-Ph.D. Programmes.

The Temporary Academic Block has the requisite accommodation for class rooms, teaching faculty, research scholars and computer labs. The University has spacious canteen, play ground and MI Room for Medical Check -up by a Doctor appointed by the University. The campus is net -worked having wired and wireless Internet facility. The

University is having NKN (National Knowledge Network) connectivity of band width of 1GBPS. In addition to this, the University has 2 MBPS links from Reliance Communications. Both the connectivities are through optical fiber. The virtual class room setup is also in place which is connected through NKN connectivity with other Academic and Research Institutes.

Salient Features of the University

Guided by the reforms agenda in higher education and learning from the experiences of the best universities of the world, the University has introduced a number of innovations as detailed below:

Semester-Based Academic Calendar

All academic programmes of the University, Post-Graduate (PG) and Integrated M.Phil.- Ph.D. i.e. Research Degrees (RD), are based on semester system, designed at par with global practices in terms of effective number of teaching days and teaching – learning inputs.

Programmes Based on Comprehensive Choice Based Credit System

The University has introduced Comprehensive Choice Based Credit System (CCBCS) largely on the lines of the best universities of the world.

Innovative Approach in Designing Programmes of Studies

The Programmes of Studies offered by the University have been designed with an objective of making students globally competitive in their respective fields. The focus is on the 'Learner-Centred Approach' as opposed to the conventional 'Teacher-Centred Approach' to accommodate learner's needs and expectations to have wider choices in content, mode and pace of learning.

Computation of Credits Based on a Holistic Approach of Learning

In the CUJ, one credit is defined as equivalent to the Total Student's Efforts (TSE) of 30 Hours comprising:

- 10 hours of lectures/organised classroom activity/contact hours.
- 5 hours of laboratory work/practical /field work/tutorial/teacher-led activities.

- 15 hours of other workload such as independent individual/group work; obligatory/optional work placement; literature survey/library work; data collection/field work; writing of papers/projects/dissertation/thesis; seminars, etc.

Thus, the focus is on in-depth learning driven by intrinsic curiosity and mastery of the subject by balancing the taught content with independently self-directed learning.

Multi-disciplinary/Inter-disciplinary Programmes of Studies

The Departments of Studies of the University are designed around basic disciplines to enable faculty members to continue to focus on their specialized areas of research. Each Programme of Study of the University is multi-disciplinary as the student is empowered to accumulate required number of credits from a wide variety of courses offered by the University (e.g. a student is entitled to learn mathematics with music, physics with philosophy, technical courses with humanities and so on).

Comprehensive Continuous Internal Assessment for all Academic Programmes

Students in all Programmes of Studies across disciplines and at all levels are assessed through Comprehensive Continuous Internal Assessment based on quizzes, assignments, independent works, group work, mid-semester and end-semester examinations. As a general principle, the Comprehensive Continuous Internal Assessment comprises the following components:

Continuous Internal Assessment	-	25%
Mid-Semester Examination	-	25%
End-Semester Examination	-	50%

Grading System

The University has adopted Grading System based on Seven Point Scale of Evaluation of the performances of students in terms of marks, grade points, letter grade and class.

Innovative Research Degree Programmes

The University has rigorous full time Research Degree (RD) Programmes that aim at honing the research skills, grooming teaching abilities, producing quality research publications and proactive participation in seminars and conferences. Accordingly, the award of RD requires a student to accumulate credits through course work, teaching assistantship, published work and dissertation/thesis.

ADMISSIONS

Admissions to all Post- Graduate and Research Degree Programmes are through Central Universities Common Entrance Test (CUCET).

ACADEMIC RESOURCES AT TEMPORARY ACADEMIC BLOCK

Classrooms and Lecture Theatres
