**WELCOME TO
INDIA'S TOP RANKED
DISTANCE LEARNING
PROGRAMMES**

**UNDER GRADUATE
PROGRAMMES**

MESSAGE FROM THE FOUNDER PRESIDENT

Distance Learning is now a wonderful reality. The wiser ones in the society would grasp its importance instantly and grab the opportunity earlier than the others. Others, of course, would follow suit.

It is always like that in life, the successful ones seize the opportunity earlier than others. In today's fast changing world, the concepts, the criteria, the philosophy and life styles are in a state of flux. The dreams have become more real and virtual –the pace unthinkable in the bygone era.

Distance Education is one such fast developing concept. With this the less successful ones would become more successful and the successful ones can reach to the top.

Hidden potentials, dormant talents, aptitude, interests, and aspiration can be developed to the fullest through Distance Learning.

Continuous learning and updating knowledge has now become essential more than ever before. It is a must to keep pace with the dynamic demands of all professions.

I compliment all those, who hold this brochure in their hands, as they are already on their way to master the tools of success and yet greater success. I wish them all joy in their career, profession and life.

I also congratulate all those who are richly contributing to the concept of Distance Learning and thus helping the society, the country and the humanity as a whole. They will always be remembered for their contribution to the society.

Dr. Ashok K. Chauhan

Founder President

Ritnand Balved Education Foundation (RBEF)

(The Foundation of Amity Institutions and the Sponsoring Body of Amity Universities) & Chairman, AKC Group of Companies

MESSAGE FROM THE ACTING VICE CHANCELLOR

We all know, infusion of ICT in higher education, distance mode in particular, has facilitated learning anytime, anywhere and for everyone including adults. New technologies and business trends are fundamentally impacting the way we communicate, learn, and share information at work, at home, and in our communities.

To make an impact in professional space and also in the organisations, we must engage ourselves in lifelong learning to add values, skills and competencies in order to stay updated and relevant to current needs and this can be achieved through Distance and Online Education.

With fast changing technology, we are now able to reach out to the disadvantaged section of our society and provide education and skill in much economical and affordable manner which hitherto was unthinkable in conventional mode of education. The explosion of Web 2.0 and 3.0 technologies and its future application in education domain will transform the learning pattern in terms of higher efficacy and measurable outcome. Learning and knowledge sharing through social networks and use of cloud computing produces prolific and tangible results.

At Amity Directorate of Distance & Online Education, we constantly innovate and strive for infusing higher academic excellence keeping the right balance between fundamental theories and its applications to bring about distinctive competence in each of our students.

I assure you that Amity University is always with you in your academic pursuits, quest for knowledge and in your endeavor to achieve success in life.

I sincerely hope you all will truly enjoy learning and enrich yourself during your studentship with Amity University and ADDOE will turn out to be good platform to showcase talents of students and faculty and help bridging the gaps in terms of knowledge and affiliation.

Wish you all the very best in all your future endeavor.

Prof. (Dr.) Balvinder Shukla

Acting Vice Chancellor,

Amity University, Uttar Pradesh

MESSAGE

In the era of knowledge and advent of Information, Communication Technologies have changed the entire landscape of higher education globally. Vision of Amity Educational Group is to provide, holistic growth to student through enhancing their knowledge and skills.

I had the privilege to see the phenomenal growth in Distance Education and also seen the sincerity and dedication of all the stakeholders to see that quality is always maintained at the highest peak when we deliver any course at Amity University.

Prof. Dr. Alka Munjal
Director Academics
Amity University, Uttar Pradesh

In more than a decade, Amity University with generous financial and moral support from the Ritnand Balved Education Foundation and with the blessings of our very own Founder President has made massive investments in state-of-the-art technology and in creating “wired” schools. The goal is to provide individuals with value based online teaching and learning strategy for their development.

With this initiative of ours, we are bound to come closer to the fulfillment of the dream of our Hon'ble Founder President. I wish this movement a grand success!

Dr. Sanjay Srivastava
Dean, Faculty of Management Studies
Amity University, Uttar Pradesh

OUR STAR ALUMNI

I would have committed a blunder had I not joined the MBA programme even though I was 55 years young. I gained a lot of confidence, insight, understanding, attitudinal change & value addition after completing the course.

Mr. B.P.S. Chauhan
Executive Director
Amity Energy & Environment

Unlike other places which offer diplomas, Amity Distance Learning awards a University Degree recognised by both the UGC and DEC. It's a qualification for life.

Mr. Rajender Prasad Kapur
Branch Manager,
State Bank of India, Noida

I have started my own company recently and this would not have been possible without the knowledge I acquired at Amity. I sincerely thank Amity Directorate of Distance Learning and wish them best to keep up the good work of preparing leaders.

Mr. Daya Prakash
CIO - LG Electronics

Amity is India's No.1 ranked Distance Learning Programme. It also offers a special fee for defence forces, making it a win-win choice for me.

Col. Hemant Saxena

Indian Army

With world-class study material and access to digital resources of online libraries, distance disappears in the learning experience of Amity's Distance Learning.

Mr. Vinod Mehta
Regional Director- Asia Pacific
& Middle East, Global SSI

I had a desire to acquire a qualification in Business Management. I realised that Amity University with the reputation of being an established leader in Education stratosphere would be the perfect option to do so.

Mr. Sunil Kumar Jatta
Country Head
Haier Appliances India Ltd.

Learning never stops and it should be one's endeavour to keep this learning process life long. Amity Distance Learning has provided an excellent opportunity in this direction for all working professionals and I have also been a beneficiary of this.

Mr. Ashok Kumar
Vice President- Human Leadership
HMEL
HPCL- Mittal Energy Ltd.

My experience with Amity turned out to be excellent right from the word 'GO' as the personnel at ADDOE office were so helpful and cooperative. The carefully prepared Study Material increased the appetite for further learning too.

Dr. V. Verma
Vice President- Qualities
Max Group of Hospitals

The MBA from Amity Distance Learning gave me the opportunity to catch up on the Degree while not missing my professional exposure. Both being equal contributors to my professional journey, I feel the course was very useful in my business sphere.

Mr. Ashish Shukla
Country Head
Cinapolis India

I give whole credit of my success to Amity and its distance learning MBA Programme. I would like to thank the officials and coordinators who taught me and guided me well.

Mr. P K Mishra
Retd. Addl. DG
