5. The Principals can make readmission of such candidates within the sanctioned strength including marginal increase, if any, within the stipulated time. (Circular No. GA 1/B1 /3946/ 2002 dated 12.7.2002).
6. Applications for late registration i.e, after last date of issuance and receipt of application for admission to various programmes shall not generally be entertained without prior permission from University. Such applications shall be considered only after exhausting the applications received in time.
7. The first list consisting of the sure list and supplementary list of candidates selected shall be published on the notice board on the 7th day for all programmes after the last day of receipt of applications. The interview shall normally start on the 9th day for the courses after publications of rank list. In any case the interview cards shall be despatched at least 5 clear days prior to the date of interview. No admission shall be made prior to the date fixed for the interview. "Chance cards" shall be sent to candidates in the supplementary list showing the original rank number, the called rank number, number of vacancy and date of interview for selection to all vacancies. In case there are vacancies after the exhaustion of the sure list and supplementary list, a second list of candidates shall be published on the next day after the interview of candidates for each

group and interview cards in these cases also shall be dispatched at least 5 days prior to the date fixed for interview.

8. The ranking of candidates for various programmes shall be made according to the rules prescribed by the University from time to time. The first list shall consist of a sure list containing names of candidates selected for sure admission for all the seats. It shall be accompanied by a supplementary list consisting of at least twice the number of candidates ranked in order for admission to fill the vacancies of each quota including marginal increase. The ranking marks shall be noted against the names of the candidates in all selection lists, irrespective of sure or chance lists. The ranked lists and the supplementary lists for admission under each quota shall be published on the prescribed date in the college notice board and a copy of the same shall be sent by Registered post simultaneously to the Registrar, University of Calicut. The Principal should certify that the lists prepared are in conformity with the regulations of the University. Candidates included in the sure lists to groups of their first preference shall not be repeated in the other lists.

## **VI Additional Weightage and Ranking**

### **A. GENERAL RULES**

1. In the case of candidates passing their qualifying examination other than Degree Examination of University of Calicut, for the purpose of calculating index and ranking for admission to the P.G programme, the total marks/grades(CGPA) obtained by such candidates at the qualifying examination/ specific subject shall be brought to the corresponding aggregate total / subject total/grade (CGPA) of the Degree Examination of University of Calicut, unless specified otherwise.
2. 5% of the selection index should be added as grace marks/point arrived at for preparing the merit list for admission to Post-Graduate programmes in the case of those candidates who passed their qualifying examinations from Calicut University except in the case of admission to P G programmes for which Entrance Examination is conducted(UO. GA1/B1/774/92 dated 26.7.1994)
3. Students who have worked in the Illiteracy Eradication Programme on voluntary basis in any capacity for at least one year will be allowed 5 bonus marks/points for PG admission.(Circular- GA I/A2/4990/1988 dated 06.06.1994)
4. Five (5) marks/points shall be awarded as bonus marks in respect of N.S.S / N.C.C cadets for admission to Post-Graduate programmes, for the purpose of ranking, subject to the fulfilment of the following conditions;
5.
  - a. In respect of NCC applicants the bonus marks/points will be awarded on the basis of NCC certificates signed by the Director and issued by the Directorate of NCC to the candidates who have secured at least 75% of attendance after having participated in its activities during the programmes of study immediately preceding the programme for which admission is sought.

- b. For awarding bonus marks/points to NSS participants the basis will be N.S.S. certificates signed by the Vice-Chancellor and issued by the University to volunteers who have completed 240 hours of work within a period of two years in the programme of study immediately preceding the programmes for which admission is sought.
  - c. The benefit of bonus marks/points for the purpose of admission can be availed by the candidates only under any one category either N.S.S or N.C.C.
6. NCC cadets holding A, B, C certificates are eligible for an additional weightage of 3, 5, 10 marks/points respectively for the purpose of admission to Post Graduate programmes (No. GA I/A2/1557/1995. Vol. II dated 07.10.1998)
  7. Bonus marks or additional weightage marks/points will be given only in the case of those NCC Certificates on the basis of which no grace marks/points have been awarded already and the additional weightage will be limited to a maximum of 10 marks only. (U.O. No. GA 1/ A2/ 1602 / 1999 dated 03.06.2006).
  8. A weightage of 10 marks/grace points (to be added to the aggregate index marks/points) may be made to those candidates who have successfully undergone the CSS Programme of this University for admission to PG programmes.
  9. A deduction of 10 marks/points for every successive attempt after first attempt will be made out of the ranking total, if one has taken two or more chances to complete the qualifying examination, subject to a total of 25 marks/points. The number of chances means the number of chances taken for passing any part or parts of the qualifying examination. Betterment of results will not be considered as a chance.
  10. Bonus / weightage marks will be added to the index marks/point for ranking in the selection list in the case of candidates who already possess the required minimum marks and qualifications prescribed for admission.
  11. The admission of students who obtained same index marks/points shall be decided first on the basis of age and then by name in alphabetical order unless otherwise specified. (UO. No. GA I/A2/7226/2000 dated 04-05-2001).

## **B. ELIGIBILITY CRITERIA**

1. **Students under mark system:** Eligibility of each PG Programme is specified based on the eligible UG programmes and the % marks obtained

in different Parts (eg: part 1, part II, part III etc.). Relaxation in the requirement of minimum marks upto 5% for OBC / OEC is applicable. SC/ST candidates need get only a pass in their qualifying examination for admission to the Post Graduate Programmes. Eligibility criteria are given along with the description of each course.

2. **Students under grade system (CCSS):** For each PG programme there will be a set of eligible UG programmes. Either of the below given options (Option1 or Option 2) will be the general criteria for fixing the eligibility for each programme. **Option 1** is based on the overall CGPA and **Option 2** is based on the CGPA in each core and complementary courses. The following system is provided for a CGPA with 0-4 point scale. For other scales, the eligibility will be determined by keeping the same proportion.

| Option 1   | Option 2  |
|--|---|
| <p><b>For General candidates,</b><br/>Overall CGPA not less than 2.0</p>                       | <p><b>For General candidates,</b><br/>Minimum 2.0 CGPA in each Core &amp; Complementary courses.</p>                |
| <p><b>For OBC/BPL candidates,</b><br/>Minimum eligibility will be 1.8 in the overall CGPA.</p> | <p><b>For OBC/BPL candidates,</b><br/>Minimum eligibility will be 1.8 in each Core &amp; Complementary courses.</p> |
| <p><b>For SC/ST students,</b> the minimum eligibility will be 1.5 in the Overall CGPA.</p>     | <p><b>For SC/ST candidates,</b><br/>Minimum eligibility will be 1.5 in each Core &amp; Complementary courses.</p>   |

### C. RANKING OF CANDIDATES

**Under Mark scheme:** Let  $M_1, M_2, M_3, \dots$  be the marks obtained for the candidates in groups of subjects (called *achievements*) used for calculation of index. Let the maximum marks of these groups be  $Max_1, Max_2, Max_3 \dots$ , respectively. Then the **Selection Index Score (SIS)** is calculated as

$$SIS = \frac{M_1 + M_2 + M_3 + \dots}{Max_1 + Max_2 + Max_3 + \dots} \times 1000$$

The number obtained shall be kept rounding to three decimal points. It may be noted that SIS can **not** be larger than 1000. Any additional grace points, if eligible shall be added to SIS to obtain the Final Index Score, FIS. Candidates will be ranked based on FIS.

In the case when additional weightage is given to one or more subjects (called the *feeder course*), that will be added in the same fashion to get SIS.

**Under Grade Scheme:** Let  $CG_1, CG_2, CG_3, \dots$  be the cumulative grades of groups of courses (like Core, Complementary, etc.) with total

credits C1, C2, C3, ..., respectively, then, the **Selection Index Score (SIS)** is calculated as

$$SIS = \frac{(CG1 \times C1) + (CG2 \times C2) + (CG3 \times C3) + \dots}{C1 + C2 + C3 + \dots} \times \frac{1000}{k}$$

where the overall CGPA is on a **0 - k** point scale. For students from University of Calicut, **k = 4**. The number obtained shall be kept rounding to three decimal points. It may be noted that SIS can **not** be larger than 1000. Any additional grace points, if eligible shall be added to SIS to obtain the **Final Index Score (FIS)**. Candidates will be ranked based on FIS.

*Example for Mark System:* Let a student has obtained a total of 942 in 1000 under Part III with 581 out of 600 in Main, 178 out of 200 in Sub1 and 183 out of 200 in Sub2. If the indexing is done giving weightage to Part III total + Part III main. Then feeder course is Part III main. The calculation of SIS is as

$$SIS = \frac{(942 + 581)}{(1000 + 600)} \times 1000 = 951.875$$

If the student is eligible for 5% weightage due to his UG study under an affiliated College to Calicut University, the FIS will be

$$FIS = 951.875 + 951.875 \times \frac{5}{100} = 999.469$$

*Example for Grade System:* Let a student gets a CGPA of 3.75 in a 0-4 point range (k=4) with CGPA of 3.90 in Core/Elective and 3.62 for Complementary courses. Also let the total credits for the course be 120, 64 credits for Core/Elective and 16 credits for Complementary Courses. Let the ranking be done based on Overall CGPA (CG1), Core (CG2) and Complementary Courses (CG3), along with Core as Feeder. Then SIS is calculated as

$$\left( \frac{3.75 \times 120 + 3.90 \times 64 + 3.62 \times 16 + 3.90 \times 64}{120 + 64 + 16 + 64} \right) \times \left( \frac{1000}{4} \right) = 3.814848485 \times 250 = 953.712$$

If the same student has studied under a college affiliated to Calicut University, then FIS will be

$$953.712 + 953.712 \times \left( \frac{5}{100} \right) = 1001.398.$$

#### **Resolution under Tie:**

In case two or more students obtain the same FIS, then the tie can be broken following the order of preference given below.

#### **Under Mark System (Regular Stream):**

1) Total Part III 2) Part III (Main) 3) Part III (Compulsory Sub) 4) Part I 5) Part II, 6) Age and 7) Alphabetical order of Name

#### **For B.Com/BBA:**

1) Part III, 2) Part I, 3) Part II, 4) Age and 5) Alphabetical order of Name

### **Under Grade System**

1) Overall CGPA, 2) CGPA of Core, 3) CGPA of Complementary 1, 4) CGPA of Complementary 2, 5) CGPA of Common Course (English) 6) CGPA of Common Course (Other than English), 7) Age and 8) Alphabetical order of Name
