MESSAGE

I extend a very warm welcome to each one of you to the prestigious University of Rajasthan. It is a place of learning, growth and joy, with a glorious record of academic rigour and excellence in research. The testimony to this is the "University with Potential for Excellence" status record accorded in 2011 and accredited with A+ rating by NAAC. We are privileged to have a highly dedicated team of qualified faculty and an equally committed and disciplined non-teaching staff. The University caters to the students from the State, Country and abroad.

In step with the challenges of a globalised world, we always strive to initiate qualitative changes in our curriculum and diverse areas of research. The University offers an ambience which is vibrant, self-reliant and inclusive based on principles of Truth, Dignity and Trust. We inculcate an ethos of knowledge combined with social responsibility, in this symbiotic partnership society at large, student and their parents/guardians form an indivisible link. Combined with academics, the University is committed to contribute to the goal of nation-building and plans are underway to adopt a cluster of villages and shape them into ideal villages.

The Campus witnesses diverse cultural activities, alongside sports events in well equipped sports facilities. We have a Placement Cell, Counselling Cell, Language Labs, Smart Classrooms and a well stocked Central Library open for 24 hours for all days of the week.

In the sacred environ of reading, reflecting and learning, there is no tolerance for ragging, drugs, alcohol and smoking. The ever vigilant Proctorial staff and Security Guards maintain discipline and decorum in the Campus. We have talent, nurture, humane and ethical values. Our students take their place as responsible citizens of an outstanding democracy. Our alumni have a distinguished presence both in India and abroad.

As you stand poised on the threshold of life, we will enable you to realise your dreams.

UNIVERSITY OF RAJASTHAN: AN OVERVIEW

The University of Rajasthan holds the distinction of being the oldest Institution of higher learning in Rajasthan. It was established as University of Rajputana on 8th of January, 1947 and recognised from the time of its inception under sections 2f and 12B of UGC Act.

The main objective of the University has been the creation and dissemination of knowledge. It caters to the aspirations for higher education of students of Rajasthan and from other parts of the country. The location of the University is Urban and its Central Campus is spread over 286 acres. The satellite campus, comprising the Constituent Colleges, is spread over 150 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of 67 years it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are:

- ★ 9 Faculties, 37 Departments and 22 Centres
- ★ 1139 affiliating Colleges spread in seven districts of Rajasthan; more than 9 lac examinees (including more than 4 lac non-collegiate students)
- ★ accorded UPE status under XI Plan
- ★ four of the six constituent Colleges accorded CPE status
- ★ Three PG Departments (Chemistry, Zoology, Philosophy) have been sanctioned UGC Centre for Advanced Studies status, Department of Physics and Economics have been sanctioned DSA Programme and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) have been sanctioned DRS Programmes.
- ★ As per DST evaluation based on 'h-index' of the research publications in Science, the University ranks 13th at the national level; in view of this standing DST sanctioned its prestigious PURSE Program to the University.
- ★ Seven of the Science Departments have been sanctioned DST-FIST programmes.
- ★ Faculty members receive research funding through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR and ICAR. In the last five years more than 80 individual Research Projects have been in operation with an outlay of about Rs. 15 Crores.
- ★ In the last 5 years, more than 2400 Research Papers have been published in refereed Journals. More than 500 books have been authored by the Faculty members in this period.
- ★ Faculty participates in prestigious International Collaborations such as large hadron collider at CERN (Geneva), nuclear reactor at Dubna (Russia), Synchrotron radiation sources in Italy and Chicago, nano-particle based drug delivery research in Roswell Park Cancer Institute, State University of New York, Buffalo etc. Former Prime Minister Dr. Manmohan Singh gave recognition to this fact in his address at the 91st Indian National Science Congress in Bhubaneswar, in which he said "**The University of Rajasthan leads among the top 50 Indian scientific institutions in citations per paper under international collaboration**".
- ★ **University with Potential for Excellence (UPE) : UGC has recognized the University of Rajasthan amongst the top 15 Indian Universities with Potential For Excellence (UPE) in 2012. A grant of Rs. 50 crore has been sanctioned for furtherance of academic and research activities., materials and converging science has been recognized as the focused area of research besides other holistic and infrastructure development grants. In addition, UGC has also sanctioned a grant of Rs. 10 crores for the fellowship to the non-NET Ph.D. students of the University.**
- ★ **Promotion of University Research and Scientific Excellence (PURSE) : Department of Science of Technology, Govt. of India has recognized the University of Rajasthan under its Promotion of University Research and Scientific Excellence (PURSE) programme. The h-index of the University stands above 50 and a grant of Rs. 32.4 crore has been sanctioned to the University for Scientific Research and development.**
- ★ Faculty members have established International linkages and undertake collaborative programmes with research Institutes and Universities from countries such as USA, Germany, Switzerland, Italy, Australia, Canada, Japan, UK, Norway, Sweden, Brazil, Russia, Mexico, Finland and France.
- ★ At the national level, faculty members have been using National facilities such as neutron reactor at BARC in Mumbai; particle accelerators at IUAC in New Delhi and VECC in Kolkata; synchrotron radiation source in CAT, Indore; facilities at TIFR in Mumbai, IGCAR in Chennai, UGC-DAE CSR in Indore, Mumbai and Kolkata, CDRI in Lucknow, IUAAC in Pune, AIIMS in New Delhi and NPL in New Delhi.
- ★ Centre for Development of Physics Education has earned national and international recognition for developing innovative experiments for Physics Laboratories at UG and PG levels.
- ★ Some of the other notable study Centres are: Centre for Human Ecology, Environmental and Population Studies, Centre for Non-conventional Energy resources, Centre for Water management and research, Social Science Research Centre, South Asia Studies Centre, Centre for Study of Social Exclusion & Inclusive Policy, Centre for Women's Studies, Centre for Mass Communication, Journalism and Centre for Rajasthan Studies.
- ★ University has set up a Centre for Converging Technologies which offers five years integrated M.Tech. degree in the streams of nano-, bio-, info- and cogno-technology. This Centre is the first of its kind in the country.
- ★ Semester pattern and CGPA grading system has been introduced at PG level in all the University Departments.
- ★ Admission to Ph.D. programme is through an entrance test; semester course work has been made mandatory as part of Ph.D./M.Phil. Programme.
- ★ A large number of students at both the graduate and postgraduate levels belong to marginalized categories from rural areas.
- ★ More than 40% of the students on the campus comprise women students.

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, university Constituent Colleges and Affiliated Colleges/Institutions. University of Rajasthan offers 41 Ph.D. Programmes, 25 M.Phil programmes, 54 Masters degree programmes, and 14 Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for Organizing Conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

Teaching Units

The University of Rajasthan consists of the following components:

- (a) Constituent Colleges
- (b) Post-graduate Teaching Departments
- (c) Research Centres

(a) Constituent Colleges

Undergraduate teaching is imparted in the 6 constituent colleges of the University, by the teaching faculty appointed in the University Post Graduate Departments:

- (i) University Commerce college (Commerce Faculty)
- (ii) University Law College (Law Faculty)
- (iii) University Law College II (Law Faculty Evening College)
- (iv) University Maharani college (Multi-faculty College for Women)
- (v) University Maharaja College (Science Faculty)
- (vi) University Rajasthan College (Arts and Social Sciences)

Looking to the needs and demands of students, the University started evening courses at Rajasthan College and Commerce College on self-financing basis.

All the constituent colleges provide library and sports facilities and motivate the students to join NCC and NSS programmes. Besides these, the colleges organize seminars, workshops, lectures and discussions to strengthen academic inputs.

(b) P.G. Departments

Faculties of Arts, Science, Social Science, Commerce, Law, Management, Fine Arts, Education and Library Science are running PG programmes. Admissions to the P.G. Courses are based on entrance tests and merit. Some of the P.G. Departments run need-based self-financing courses also. Eminent scholars have been teachers in this university including Professors Raja Chelliah, Raj Krishna, L.S. Ramaswami, C.V. Subramaniam, M.V. Mathur, P.N. Srivastava, R.K. Kaul, R.C. Mehrotra, Yogendra Singh, G. Ranganathan, Satish Chandra, Dayakrishna, Om Prakash, Iqbal Narain, G.C. Pande, B.L.Saraf, S.Loknathan, S.P.Verma, C.P.Bhambhri, V. R. Mehta, Y.K.Alagh, C.Rangarajan etc.

Research support and Special Assistance have been made available to many departments by the UGC. Several of departments are actively engaged in innovative research, and have been recognized for the FIST, COSIST and DST DAAD programmes of the University Grants

Commission and the DST. The researches by the faculty members have been in evidence by publications of articles in peer-reviewed journals. Some teachers have been honoured with international and national awards and citations.

Depending upon the disciplinary advancement needs of the students and the demands of society, syllabi have been **revised this year**. The process of globalization has also prompted formulation of new courses and this may go a long way in providing jobs to the students. Some of the new courses are as follows:

Post-Graduate Courses :

- (i) Biotechnology
- (ii) Microbiology
- (iii) Information Technology
- (iv) Journalism & Mass Communication

The Support Services in the University

To strengthen teaching and research, support services are being provided by the University. The University has one of the best university libraries in India. It has nearly 3.33 lakh books, hundreds of journals, microfilms, and magnificent archival documents. Photostating and internet access are also made available at the library. The library also provides inter-library loan facility to its members.

Sports Complex

The University has a modern Sports Complex. It has also a swimming pool, which has been a venue of many National Swimming Meets. The University accords a high priority to games and sports. Facilities for all major indoor and outdoor games are available at the Constituent Colleges as well. Fully developed indoor stadium along with a yoga centre are the unique attractions of the Sports Complex. Besides this, the Department of Physical Education has started a postgraduate diploma and a masters' programme in Physical Education.

Health Centre

The University provides Allopathic, Ayurvedic, and Homeopathic facilities at its Health Centre. Medicines are provided free of cost to the employees & students of the university. Health checkups are arranged from time to time. Blood donation camps are also organized.

Student Advisory Bureau

Students Advisory Bureau, since 1962, upholds the motto: "We do not believe in framing the future for next generation, rather we wish to frame the next generation for the future."

Counseling Centre

The University has started a Counseling Centre, to guide the students and resolve their personal and emotional problems.

Hostels & Residences

Residential accommodation is provided to the teachers and the students. The University has 18 hostels, 10 for boys, 8 for girls. The University is going to construct two hostels one for SC girls and other for

SC boys with 45% assistance from the ministry of Social Justice and Empowerment with a cost of Rs. 5 crores. Besides hostels, there are Teachers Hostel, Working Women Hostel and faculty residences located at the main campus. Some residences are for the non-teaching employees as well. The University has an eco-friendly environment. The nursery-cum-garden office of the university looks after lawns and parks. The university has nursery which has some rare plants and shrubs.

Students Welfare

In order to stimulate and coordinate various activities of the students the Dean of Students' Welfare is provided grants and facilities. The Dean, Students Welfare, is also Advisor of International Students.

UGC Human Resource Development Centre

The University has also a UGC Human Resource Development Centre (erstwhile UGC–Academic Staff College) which was set-up by the UGC in 1988 for an overall development of young university and college teachers. The HRDC (ASC) organizes Refresher and Orientation Programmes. The Refresher Courses are interdisciplinary as well as discipline-specific, whereas the Orientation Programmes are interdisciplinary. The latter aims to enhance overall intellectual worth of the teacher. Our ASC (HRDC) was ranked as the second best by NAAC in 2012 amongst 66 ASC's in the country.

Service and Instrumentation Centre

University Service and Instrumentation Centre has well-equipped workshop under its control with facilities for mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling shops and an analytical instrument sections. The Centre houses costly instruments such as (1) Semiautomatic X-Ray Diffractometer DIANO (USA) make, (2) Phillips Liquid Nitrogen Plant with 6 liter per hour capacity.

Infonet Centre

The University has established a UGC Infonet Centre which coordinates all the activity of UGC Infonet Project at University of Rajasthan end. The centre will further distribute and maintain the internet connectivity over Campus Wide Area Network making it available to constituent colleges, teaching departments, research Centres, and administrative units. The Centre maintains and host University Website and Mail-server. The Centre will also coordinate and maintain Intranet of University when it comes up.

University Printing Press

The University has its own Printing Press, established 1962. It looks after the publication needs of the University, Departments, Colleges and University Administration. The Press is located near the North Gate of the University.

Guest House

The Guest House of the university is well maintained. It is the pride of the University. Recently it was refurbished with seven additional rooms.

Administrative Service Pre-Entry Training Centre (APTC)

The Centre was set up by the University in 1978 and it's given the status of an Independent Centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 35 years on, Self Financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10th & 11th Plan for coaching of RAS, CS, RJS, NET/SLET, Bank P.O., Spoken English and other competitive examinations. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

The Centre imparts rigorous training and makes available reading material, handouts, and other literature which helps the candidates for various competitive examinations. The centre has conducted more than 200 programs for various examinations. The past performance in terms of selection of the candidates enrolled in this Centre has been very encouraging, as almost 1/3 of such candidates have been getting selected.

The Centre is known for preparing and grooming the students for competitive examinations through providing subject knowledge as well as developing their personality and communication skills.

Academic Commitments of the University

Strict adherence is observed to the Academic Calendar formulated for each year by the Academic Council

National and International Seminars, Lectures and Workshops are regularly organized and faculty members are given all possible financial and academic backup to participate in such events at both, National and International levels. Eminent Scholars also come to the University as visiting faculty.

Statutory bodies like the Senate, the Syndicate, the Academic Council, the Faculties, the Research Board, the Boards of Studies and the Board of Inspectors are regular in their meetings and are vibrant and vigilant in their deliberations.

The University examination system is now fully computerised. The results of the entrance examinations are declared at earliest possible.

To provide financial assistance to the needy students, a University Corpus Fund has been created.

To ameliorate the grievance of every strata of University Community, a standing mechanism has been evolved wherein three separate Grievance Committees function on a continuous basis.

The University of Rajasthan has been striving with fullest commitment to uphold the Hand Book and to sincerely implement the rules and regulations provided therein.

International Cooperation Cell

Established in 2007 International Cooperation Cell of the University looks after international level cooperation developed with many countries. Memorandums of Understanding (MOU) have been signed with Universityties of France, Britain, America, Australia, Canada, Japan and Scotland. The exchange of student & faculty is going on since 2007. Credit Transfer System started in 2008 for M.A. Final Students of French.

Goals for XII Plan

In addition to strengthening the existing Departments, in the XII Plan period, the University plans to set up new Departments in Human Rights, Defence Studies, Computer Science, Banking and Finance, Tourism and Hotel Management and a Department of Theatre and Film. New PG courses planned within the existing departments are in Material Sciences, Green Chemistry and Social Science.

The University plans to set up a Science Museum, Community Radio, Diaspora Centre, a Culture Repository Centre, a Women's Artifacts Museum and a Commerce Lab, and upgrade and digitize the existing Herbarium

Students' Entitlement

Guidelines for Students' Entitlement as per UGC Letter D.O. No.14-32/2011(CPP-II) Dated 25-04-2013

These guidelines have been issued by the University Grants Commission (UGC) in order to help students, teachers, administrators and institutions understand what the minimum entitlements of the students are. These guidelines apply to all the colleges and universities in the country (this expression includes every institutions of higher education even if it is not called college/university) without any exception. It shall be mandatory for every

college/university to publish the present Guidelines in full in its Prospectus and also post it on the homepage of its website. Fulfillment of these entitlements imposes obligations on educational institutions, administrators, policy makers, teachers and students themselves. If these obligations are not met, a student can approach the Grievance Redressal Authority or the Ombudsman. Any serious or persistent violation of these Guidelines can be brought to the notice of the University Grants Commission and can be the basis of punitive action against the offender. Some of the provisions stated here are already covered by existing laws or Rules and Regulations of the UGC. But the students shall continue to enjoy all the right under existing laws, rules and regulations which may not have been mentioned in these Guidelines.

1. Admission

- 1.1. An announcement or advertisement for any course of study must clearly specify whether the degree granted is notified by the UGC and other relevant statutory authorities [Under Section 22 c of the UGC Act, latest list available at the UGC website] and whether the university that awards the degree figures in the list of universities maintained by the UGC [available at the UGC website].
- 1.2. A student seeking admission is entitled to a document (usually called 'Prospectus') that specifies the curricula including syllabi, names and academic profile and status of the faculty, mode and frequency of evaluation, duration of the course, academic calendar, comprehensive information about fees or charges of any kind, and refund rules. The information given in the prospectus should not be changed to the disadvantage of the student during the course of study; any change if necessary must be communicated to each student individually spelling out reasons for such a change.
- 1.3. The Prospectus must spell out exactly the process and criteria for admissions. This includes weightage given to previous academic performance, entrance examination and interview. The syllabi and format of the entrance examination must be spelt out. The final scores of each candidate who appeared for entrance examination including all the components and the entire waiting list must be made public.
- 1.4. Information about any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these must be stated clearly in the Prospectus.
- 1.5. The student must not be asked to produce documents which have not been mentioned in the Prospectus. While the institution can ask the student to produce the original documents (such as School Leaving Certificate, Marksheet, Caste certificate) for verification, they cannot retain any original documents of any students. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

2. Quality of teaching and learning

- 2.1. It is the responsibility of the college/university to help the students develop their learning skills by facilitating the creation of learner centric environment conducive for quality education. The students are entitled to receiving instruction and reading material in all the languages allowed by the institution as medium of instruction or examination.
- 2.2. The students who begin with a difficulty due to social handicap or a shift in the medium of instruction are entitled to special support to bridge the gap.

- 2.3. The students are entitled to availability and presence of qualified teacher, fulfillment of the specified number of teaching days and contact hours for each course and completion of syllabus on time. [UGC Regulations on Minimum Qualification of Teachers... 2010]
- 2.4. The students are entitled to reasonable access to facilities, services and resources including library (that stocks textbooks, reference books, journals, e-resources), laboratories, and ICT facilities in the languages permitted as medium of instruction or examination.
- 2.5. The student are entitled to fair, transparent and timely evaluation, including fair provisions for timely re-checking or re-evaluation of the scripts and redressal of any grievance related to the evaluation process. The students are entitled to a copy of their answer scripts after the declaration of results.
- 2.6. The students are entitled to timely conduct of examination and declaration of results as specified in the academic calendar in the Prospectus. They shall be entitled to the award of degree within 180 days of the declaration of results.
- 2.7. The students are entitled to give regular feedback on the quality of teaching, students services and institutional infrastructure. The college/university shall establish mechanisms for seeking this feedback regularly and taking student feedback into account for review and improvement.

3. Fee and financial aid

- 3.1. The students are entitled to prior and full information about amount, components, frequency and mode of any kind of payment including fees or charges of any other kind and refund rules. If a student withdraws before the beginning of the course, the student should be refunded the entire fee given to it with a maximum deduction of Rs. 1000. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]
- 3.2. A college/university will make utmost effort to ensure that no student is deprived of opportunities of quality education for lack of sufficient financial resources. It is the responsibility of the policy makers to ensure that sufficient funds are made available to implement this principle. The Prospectus shall contain consolidated information about scholarship/fellowship/financial aid scheme of any type that that is available to the students. It shall bring to notice and assist the students in accessing such schemes. It shall ensure that the procedure for selection is fair and transparent.

4. Infrastructure

- 4.1. The students are entitled to access to appropriate resources including classrooms, libraries, laboratories and other academic facilities necessary for quality education. [UGC rules and regulations for fitness of universities and colleges for Grants under section 12 B of the UGC Act 1956, Private University Regulation, Deemed University Regulation].
- 4.2. The students are entitled to reasonable access to sports and recreation facilities, avenues for literary, aesthetic and other extra-curricular pursuits.
- 4.3. The student are entitled to reasonable attention to medical and health requirements including free and periodic health check-up and treatment/hospitalization in case of medical emergencies.
- 4.4. The students are entitled to a reasonable access to adequate, clean and hygienic hostel/residence accommodation that provides basic amenities including recreational facilities. Such accommodation should be affordable and must not be utilized by the institution for profit making. Accommodation meant for students must not be encroached upon by the institution for any other purpose.
- 4.5. Student with disability are entitled to access to all schemes, facilities and services in the university without discrimination. The college/university shall

strive towards a universal design of learning based curriculum that can address the needs of the broadest possible range of students by minimizing barriers and maximizing learning for all students. The college/university shall provide barrier free access, special library resources (including Braille and ICT resources), provisions for sign language interpreter/transcriber, the required equipments and electronic resources and the required relaxation in examination to all students with disability. [Person with Disabilities (Equal Opportunity, Protection of Rights and Full Participation) Act, 1995; UGC D.O.No.F-6-1/2006(CPPII), F.No.6-1/2012(SCT)]

5. The students are entitled to non-discriminatory treatment (in the sense of absence of harassment, victimization or exclusion) in every aspect of institutional functioning. Any discrimination based on caste, gender, creed, colour, race, religion, place of birth, political conviction, language and disability shall be prohibited.

5.1. In particular, institutions shall not discriminate against students belonging to Scheduled Caste and Scheduled Tribes and racial profiling of students from any region or ethnic group. [UGC (Promotion of Equity in Higher Educational Institutions) Regulations, 2012]

5.2. The students are entitled to protection from sexual harassment by complaining to the Gender Sensitization Committees against Sexual Harassment. It is mandatory for each college/university to constitute and publicize this committee as per the Guidelines and norms laid down by the Hon'ble Supreme Court [Vishaka and Others Vs. State of Rajasthan and Others(JT 1997 (7) SC 384)]

5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]

6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.

7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.

8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005].

9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]

10. The UGC may issue instructions for proper implementation of these Guidelines.

यह विभाग प्रदेश के हिन्दी विभागों में सबसे पुरातन है। 1 जुलाई, 1961 को इसकी स्वतन्त्र विभाग के रूप में प्रतिष्ठा हुई। इससे पूर्व, विश्वविद्यालय की स्थापना से लेकर सातवें दशक के आरंभ तक, छात्रों के लिए हिन्दी में स्नातकोत्तर अध्ययन-अध्यापन का कार्य महाराजा कॉलेज एवं छात्राओं के लिए महारानी कॉलेज में होता था।

यह विभाग अपनी प्रतिष्ठा के अनुरूप डॉ. माताप्रसाद गुप्त, डॉ. सत्येन्द्र, डॉ. सरनाम सिंह, डॉ. विश्वम्भरनाथ उपाध्याय, डॉ. राजेन्द्र प्रसाद शर्मा, डॉ. हीरालाल माहेश्वरी, डॉ. एन.के. गरवा, डॉ. सुरेन्द्र उपाध्याय, डॉ. सदेश बत्रा जैसे यशस्वी विद्वानों/शिक्षकों के नेतृत्व में प्रदेश में हिन्दी अध्ययन-अध्यापन एवं शोध-साधना के क्षेत्र में अग्रणी रहा है।

विभाग के लगभग पाँच सौ शोधार्थियों को पीएच.डी. डिग्री प्रदान की जा चुकी है। यह परम्परा आज भी गतिशील है। पी.डी.एफ. (03), टी.आर.एफ. (06), एस.आर.एफ. (09), जे.आर.एफ. (09), विभागीय शोधवृत्तिक(108), एम.फिल. पीएच.डी. कोर्सवर्क, सामान्य शोध-वृत्तिक तथा अन्य दो सौ से अधिक शोधार्थियों की विपुल संख्या विभागीय शोध-समृद्धि का परिचायक है। विभाग से उपाधि प्राप्त विद्यार्थी देश के विविध विश्वविद्यालयों/महाविद्यालयों में कार्यरत हैं।

विभाग के संकाय सदस्यों की विगत वर्षों में अनेक पुस्तकें प्रकाशित हुईं तथा देश के प्रतिष्ठित अकादमिक संस्थाओं से पुरस्कार प्राप्त हुए। सदस्यों को प्रतिष्ठित संस्थाओं ने सम्मनित किया है। संकाय सदस्यों ने राष्ट्रीय/अंतरराष्ट्रीय संगोष्ठियों में सहभागिता की। यू.जी. सी. एकेडेमिक स्टॉफ कॉलेज के संयुक्त तत्त्वावधान में विभाग महत्त्वपूर्ण विषयों पर दस पुनश्चर्या पाठ्यक्रम आयोजित कर चुका है।

वर्तमान सत्र के लिए भी एक पुनश्चर्या पाठ्यक्रम प्रस्तावित है। शोध-छात्रों के लाभार्थि विभाग में नियमित संगोष्ठी आयोजित की जाती है। यह विभाग विशिष्ट शोध-केन्द्र के रूप में विकसित हो सके, इसके लिए 'दादू अध्ययन प्रकोष्ठ' की स्थापना की गई है, इससे संत साहित्य के अध्ययन एवं शोध के क्षेत्र को गति मिलेगी तथा प्रदेश की अज्ञात, अल्पज्ञात व उपेक्षित विपुल पाण्डुलिपियाँ शोध के लिए सुलभ हो सकेंगी। इसी क्रम में वैष्णव अध्ययन प्रकोष्ठ को भी स्वीकृति मिल चुकी है।

आधारभूत सुविधाएँ

विभाग में एम.ए., एम.फिल. तथा पीएच.डी. पाठ्यक्रम के अध्ययन हेतु सभी मूलभूत सुविधाएँ उपलब्ध हैं। इसके लिए विभाग में पुस्तकालय एवं संगोष्ठी-कक्ष भी उपलब्ध है।

from any stream with a minimum of 50% marks. Admission will be given purely on merit basis considering the highest percentage either at the 12th Std, or Graduation, or Post-Graduation Level. Faculty wise distribution of seats for the general category is done based on merit. The best of the percentage obtained at the last qualifying examination will be considered for admission. Centre for Jain Studies

About the Department

On the auspicious occasion of Lord Mahaveer's 2500th Nirvan Mahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabhramsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year

Director

Prof. Sanjeev Bhanawat

various Fellowships and Scholarships.

It has so far organised more than 5 International, 10 regional and 30 National Seminars and held several extension Lecture-series, and published about 26 books on Jainology and Manuscriptology. It has its own Library and subscribes to a large number of Journals and Magazines, relevant to the Jain Studies and allied subjects.

Research work has been carried out in Centre and as many as 250 research scholars have been awarded D.Litt, Ph.D. and M.Phil Degrees in Jain Studies by this University.

Infrastructural Facilities:

The Centre has an adequate computer laboratory with internet facility, a manuscript library for the use of research scholars as well as a Reference library for oriental studies and general studies.

About the Department

The Department was established in the year 1960. This is the oldest Department of Library & Information Science in the state of Rajasthan and one of the few in the country to have started Masters' and Doctoral Degree programmes. It started Masters' and Doctoral degree programmes in the subject as early as 1974 and 1975 respectively. The Department has already produced more than 55 Ph.Ds and many students are pursuing the research degree. A number of ex-students of this department are serving in senior positions in the country and abroad in premier and prestigious institutions. In view of the changing scenario due to rapid development in ICT, the syllabi for both MLIS & BLIS have been revised to include ICT based curriculum as per U.G.C. model.

Infrastructural Facilities

The Department has a well equipped modern ICT laboratory, with state-of-the-art facilities.

Department of Life Long Learning

(Formerly Deptt. of Adult and Continuing Education)

About the Department

Lifelong education is the cherished goal of an ideal educational process. In a technology driven, knowledge based competitive economy, the landscape of learning is changing. Keeping in view the socio-economic changes taking place in the country, the acquisition of relevant skills and regular upgrading of skills implies the need for creating a variety of training and learning opportunities. The Department of Lifelong Learning (DLL), University of Rajasthan caters to this critical development issue of continuous development of quality and quantity human resources and up gradation of skills.

The responsibility of the university to discharge adequately its responsibilities to the entire education system and to the society as a whole has been assumed by the Department of Lifelong Learning in the manifestation of extension activities for various target groups ranging from illiterates, semi-literate to experts, professionals and elite groups.

With the purported aim of expanding the frontiers of knowledge and extending the institutional resources to the community DLL conducts short term training courses, workshops, seminars, summer schools, capacity building and skill development programmes etc. throughout the year. The department organizes programmes which are need based, flexible, catering to the diverse needs of small and large segments of people.

DLL has been successful in reaching out to large

Director

Dr. Sheila Rai

sections of society, especially the marginalized and disadvantaged, through varied interventions and capacity enhancement endeavours. It has been instrumental in conducting sensitization and awareness programmes regarding universal literacy, gender justice, HIV/AIDS, environment conservation, e-learning, sanitation, entrepreneurship development etc. Special thrust remains on capacity building, leadership skills, personality development, stress management, career counselling and guidance programme for youth. DLL also develops teaching learning, instructional, training and promotional material as part of providing academic/technical support to different programmes. DLL has engaged in conducting English language teaching classes in rural areas, government schools and urban slums for the needy and poor and e-learning for senior citizens and deprived sections of society.

Collaboration and support for various activities and programmes are solicited from the university department & colleges, NGOs, and resource centres of National Literacy Mission Authority etc.

The aims and the objectives of the Department are promote a meaningful, sustained and stimulating relationship between the University and the community. The impetus is to provide opportunities for a learning society, to facilitate the overall development of people and meaningfully help to improve the overall quality of life.

Department of Physical Education

About the Department

The Department was established in 1947 with its Physical Education programme including Courses like Bachelor of Physical Education (B.P.Ed.) from 1994-95 and Master of Physical Education (M.P.Ed.) from 1995-96. The Department introduced Yoga Certificate & Yoga Diploma Courses in the Session 2003-04 under a UGC Scheme. M.Phil in Physical Education was introduced in 2007-08. The Department has ample facilities for research work, enabling the post graduates to pursue their Ph.D. in Physical Education. Till date 75 students have been awarded Ph.D. in Physical Education.

Ph.D. Programme : Thrust Areas:-

- Sports Training
- Sports Medicine
- Sports Bio-Mechanics
- Physiology, Psychology
- Management
- Professional Preparation & Curriculum Designs
- Sociology of Sports
- Test and Measurement

Centre

**Centre for Converging Technologies
University Innovation Cluster in Bio-Technology**
Centre for Converging Technologies
About the Centre:

The Centre for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of Nanotechnology, Biotechnology and Bioinformatics, Information & Communication Technology and Cognitive & Neuroscience (NBIC) technologies so as to accelerate techno-economic development of the country.

The Centre is pursuing the following activities:

- * Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.
- * Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.
- * Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating, designing, and applying NBIC technologies in an innovative way.
- * Developing laboratories and facilities to efficiently engineer and design new products.
- * Promoting global level research in allied theoretical science (logic, data structures and algorithms, computational complexity, database systems, knowledge representations, constraint satisfactions, artificial intelligence, intelligent agents, theoretical computer science and quantum computing), Systems Biology and Metabolomics.
- * Encouraging post-doctoral students in Converging Technologies to uplift the capacity for research.
- * Imparting postgraduate education in Converging Technologies.
- * Collaborating with Industry, National and International Institutes/Universities to augment NBIC research so as to accelerate techno-economic development of the country.

Infrastructure Facilities:

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Late Shri R.P. Goenka. The first phase of Centre's new building has been completed in 2009. It has specifically been designed to meet

the requirements of Converging Technologies research and education activities. It has fully networked, well-furnished, air-conditioned, dust and germ free research labs and class rooms. A State of the Art research infrastructure is being created with assistance from various funding agencies and through public private partnership. The government of Rajasthan has announced in budget in 2011 (State Budget Announcement No. 155] a Rs. 13 crore budgetary support to setup a "Centre of Excellence for Nanotechnology" at Centre for Converging Technologies.

In 2014, under the Scheme "National Initiative for setting up of Design Innovation Centers", Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan. The DIC will receive a total financial support of Ten Crore rupees from Department of Higher Education, MHRD, Government of India and has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh, and Lachoo Memorial College of Science and Technology, Jodhpur.

In 2014, CCT was awarded a grant of 222 Lacs by Biotechnology Industry Research Assistant Council (BIRAC) to establish University Innovation Cluster in Biotechnology (CIC-B). This is a unique platform acting as the nodal center for budding student interpronuers and innovators with industry academia collaboration.

CCT has been selected as nodal centre for the DBT-supported IPLS programme under which a grant of Rs. 10 Crores has been sanctioned by Govt. of India. Sixteen students are being awarded fellowship in last two years of the course under the programme. The phase 2 of CCT building construction has been completed with support under IPLS and from Centre's own fund as it runs under SFS. It was inaugurated by Hon'ble Chief Minister Shri Ashok Gehlot on 24th January, 2013. Research equipments have been housed at CCT under IPLS program too.

The Centre has an MoU for research collaborations, faculty and student exchange with the Royal Melbourne Institute of Technology (RMIT) University, Melbourne, Australia. The Centre plans to collaborate with leading

International Universities and Research Institutes to foster research in Converging Technologies. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X Semester at premiere research institutes like BARC, IISc, IITs, IIITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI. Several students have qualified NET, GATE, JEST and GRE.

Ph.D. Programme:

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Biotechnology and Bioinformatics, Information and Communication Technology, Cognitive & Neuroscience. The research scholars are working mainly on the following areas. The admission will be through Uniraj- MPAT.

Thrust Areas:

- a. Nanotechnology
- b. Biotechnology and Bioinformatics
- c. Information and Communication Technology
- D. Cognitive and Neuroscience

Master's Programme

(1) Ten Semester (Five year) Integrated Dual degree Master of Technology (M.Tech.) course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland International Conference on Management of Engineering and Technology 2007 (PICMET-07), Portland, USA.

The Master's programme includes two years of common curriculum in all fields of basic science and engineering. The third year course involves training in all streams of converging technologies. The last two years of programme is fully

customizable in specialized domains in the streams of converging technologies.

All courses of First to Fourth Semesters are assigned credits as General. On successful passing of all papers of First to Tenth Semesters the candidate will be awarded dual degree B.Tech. and M. Tech. in a particular stream of Converging Technologies. M. Tech. Degree will be awarded on the basis of performance in all ten semesters and in the stream in which he/she has obtained maximum credits. B. Tech. degree will be awarded on the basis of performance in first to eighth semesters and in the stream in which he/she has obtained maximum credits in these semesters. The training will include multidisciplinary perspective necessary for rapid progress of the new technologies and create a synergistic view for potential application in various areas of relevance.

Medium of Instruction and Examination is ENGLISH only

The students of Centre for Converging Technologies enjoy an active campus life with several invited talks, seminars and interactive sessions by eminent experts. The annual cultural and sports event has been a very attractive feature providing a week long celebrations and opportunities to showcase talent.

Seats : 120 +15% NRI Seats

- i. Nanotechnology
- ii. Biotechnology and Bioinformatics
- iii. Information & Communication Technology
- iv. Cognitive and Neuroscience

Fee: See SFS Fee Schedule (Tuition fee for Batch 2015-20 will be Rs. 40000/- per semester)

Eligibility:

Admissions will be made purely on the basis of merit in international / national level entrance exams like SAT, JEE (Advanced), JEE (Main), NEET, AIIMS, BITSAT, RPMT etc or XII Board Examination. The candidate should have passed the XII (10+2) with science subjects (both Mathematics and Biology group students are eligible). Minimum eligibility shall be 55% score or equivalent grade in the Senior Secondary Examination of RBSE or CBSE or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. The number of seats may be increased from present 120 on approval of the Vice-Chancellor to accommodate more talented students

as course is run under SFS and facilities created may be optimally used. Students who are appearing for XII examination in 2015 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students seeking admission to this course for students admitted in the academic session 2015-16.

(2) Six Semester (Three year) Master of Technology course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last six semesters of Ten Semester M.Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Fifth Semester of students of batch admitted in academic session 2013-14. The first year course involves training in all streams of converging technologies. The last two years of education will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Sixth Semesters (i.e. Fifth to Tenth Semester of Ten Semester M.Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he/she has obtained maximum credits.

Admission Procedure for above Master Courses:

Admission to the Master of Technology in the four streams of Converging Technologies will be made through an Online Application Form to be filled and submitted by students as per details given on website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>. The candidate will be called for counseling on the basis of their merit position in the respective category. The candidates will be required to appear in counseling to be held at Centre at their own expenses. At the time of counseling the candidate must bring all documents in original and Photostat copies and four passport size photograph along with a bank draft of Rs. 40000/- (Forty thousand Rupees) drawn in favour of Director, Centre for Converging

Technologies and payable at Jaipur towards first semester tuition fee. The candidates will be required to fill the University Application Form and submit the same along with the other fees payable as per University Prospectus. Fees once deposited are non-refundable after start of the semester classes.

Admission Procedure for above Diploma and Certificate courses:

The admission notification for above Diploma and Certificate courses for the session 2015-16 will be given separately in news papers and on university website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>.

Note: - For any information, the students may visit the Centre for Converging Technologies. The queries may be addressed to cct.uniraj@gmail.com. Telephone number of office is 0141-2700370.

University Innovation Cluster In Biotechnology (UIC-B)

University Innovation Cluster in Biotechnology (UIC-B) is a milestone program of BIRAC initiative jointly with the Biotech Industries. Here at University of Rajasthan focus area of UIC is Converging Technologies. The key objectives of the program are:

- ★ To play the role of a facilitator to stimulate entrepreneurial activities within the Universities & Academic Institutions and linkages with the industry.
- ★ To develop and strengthen the Industry-Academia partnership for research sponsorships development and effective transfer of know-how from the University to the entrepreneurs and industry.
- ★ To develop area specific technologies for the industries through R&D projects of student entrepreneur.
- ★ To provide Intellectual Property protection and management services and facilitate the technology transfer and commercialization.

The current project aims towards establishment of a platform for increased participation, interaction and mutual co-operation between academia and industry. The focus of the proposal is converging technologies. The project aspires to evolve new strategies, products and services which can be commercialized and can be later taken up for university spin-off and start-ups. Tentatively five major

thrust areas have been identified for UIC in collaboration with our industrial partners viz. development of commercially viable phytochemicals, stem cells as cellular therapeutics, isolation and characterization of microbial enzymes for plant secondary metabolite extraction and development of value added food products, industry oriented amalgamation of *in silico* domain with biological data and establishment of nanomaterial synthesis facility for water purification solutions.

The output/outcome of the project would be utilised for an industrial application project and also the potential to develop into a technology or prototype with through academic and industrial mentoring. The initiative would aim towards self-sustainability through endowments, royalty, financial support from government funding agencies and industries, consultancy charges and extension services.

Fellowships and Projects

★ Innovation Fellowships:

There are two Post Doctoral and four Post Master's BIRAC Innovation fellowships.

★ Sponsored Research Projects:

In order to undertake sponsored research projects the potential industrial partners with specific scientific concerns have been identified. A plan of action for solving the problem in collaboration with industry is being formulated. The plan will be executed with the co-operation of all stakeholders. Financial aid in the form of fellowships to execute sponsored research projects will be provided.

★ R&D for testing the ideas/discovery for taking it to proof of Concept:

This will be done jointly with Industry/academia and other organizations.

Activities

1. Development of commercially viable phytochemicals

Objective: Development of herbal based bioactive drugs & phytochemicals and their cytotoxicity effects using cell lines

2. Stem cells as cellular therapeutics

Objective: Isolation and identification of stem cell derived growth factors and cytokines for tissue regeneration/repair and other cosmetic applications.

3a. Microbial enzymes for plant secondary metabolite extraction and development of value added food products

Objective a: Commercial exploitation of microbial sources for industrially important enzymes.

3b. Microbial enzymes for plant secondary

metabolite extraction and development of value added food products

Objective b: Development of value added convenience and ready to eat food products enriched with phytochemicals.

4. Industry oriented amalgamation of in-silico domain with biological data

Objective: To develop optimized algorithms and simulations for Genome analysis.

5. Establishment of nanomaterial synthesis facility for water purification solutions

Objective: Carbon nano tube synthesis and immobilization into polymeric/ceramic membranes for water purification system

Department of Dramatics

About the Department

The Department of Dramatics was established in 1975 with a one-year part time Certificate Course. Today, in its 34th year, the Department has earned the status of one of the most exciting and innovative Drama Departments in the country. Combining the study of traditional theatre with cutting-edge performance practice, the Department aims at providing an all round development of the students. This is one of the renowned institutions of learning theatre arts in the entire country and provides an opportunity of five years training programme followed by Ph. D

Infrastructural Facilities

For the benefit of the students, guest teachers and theatre professionals are invited to talk about theatre design, stage management, television and films. Besides its own open-air theatre on the campus, the department has access to the infrastructural facilities of the Jawahar Kala Kendra and the Ravindra Manch. Productions are not always restricted to campus venues. Students have performed in many other places around the campus and in the nearby towns as well as other metropolitan cities.

About the Department

The Department of Drawing & Painting started P.G. classes in 1974.

The Department aims to produce professionally skilled artists in the field of Indian Contemporary and Traditional Art. Emphasis is laid on interdisciplinary approach in teaching & learning. Innovative and research-oriented attitude is inculcated in order to train the P.G. students in the new perspective of Indian contemporary art, organizing seminars, refresher courses and artist workshops.

- ★ Faculty has published a remarkable number of books and research papers in different art journals.
- ★ Organised one-man shows and group shows of painting by faculty members in various prestigious art galleries of the country and abroad.

- ★ Faculty members have received International, National & State Awards and recognition.
- ★ Many students have been appointed as lecturers in various prestigious institutes of India.
- ★ Faculty members have participated in various National Conferences/ Seminars/ Artist camps etc.
- ★ Faculty members are the members of renowned Academic Bodies & Research Committees of various universities

Department of Music**About the Department**

The Department was established in 1973 with Vocal and Instrumental Music (Sitar) as the main subject. Many *Nationally acclaimed performing artists* viz. Dr. Leelawati Adsule of Gwalior Gharana Pt. Shashi Mohan Bhatt- a disciple of Pt. Ravi Shankar have been part of this department.

A Four-Year performance oriented Professional Degree Course (B.Mus.) was introduced in 1987. Subsequently, a Two-year Post Graduate course (M.Mus.) was added in 1991. These courses were designed with more stress on practice/performance & Theory so as to produce performing artists and scholars. The Department aims to: produce professionally skilled artists and Musicologists; develop creative and innovative abilities in the students; expose the students to emerging perspectives of Indian Music; inculcate research oriented attitude in the students; organize seminars, workshops, refresher courses and music concerts etc.

Highlights & Achievements

- ★ The Faculty of the Department includes graded artists of All India Radio, Nationally and Internationally acclaimed performers/ Musicologists and recipients of State/national Level awards/ Honours.
- ★ Students who have passed out from the Department have achieved name and fame in the field of Performing art as artists (TV, Radio and Stage), Sound designer, Composer, Recordist writer & Scholar etc.
- ★ Research scholars of the subject have availed research scholarships like JRF, SRF, Rajiv Gandhi and Departmental Scholarships for Ph.D. research work.
- ★ A number of students have cleared the NET/SET exam.

About the Department

Department of Visual Arts began teaching the professional degree course BVA in three disciplines such as Painting, Sculpture and Applied Arts in the year 1988. We have been able to orient a good number of professionals in the subject of Visual Arts, and we are excited to see some of them have been contributing significantly to the discipline.

The faculty members have been regularly participating in National and International Art Exhibitions, Art and Education camps and seminars and have received various National awards. Many of them are also members of BoS bodies of various Universities. We are delighted that a number of our former students have also been appointed Head of Departments and faculties in various teaching Institutes of India and abroad.

After about 14 years of path breaking hard work by the academic community, the faculty started the Masters degree MFA under the Self Financing Scheme (SFS) in the year 2000. Our clear education vision and well defined goals are being achieved, and we are confident our reputation as an institution, dedicated, and committed to excellence is resulting in graduates showing excellent promise in Visual Arts, equipped with first class educational skills for their future.

The faculty today has proven its competence not only in providing the excellent education but has also grown its sphere of activity, in spite of enormous constraints. We are proud that our course of Masters in Visual Arts has been so designed that a student is given sufficient freedom of expression. Students are allowed to innovate and explore a style of their own which we consider essential in order for our graduates to establish a distinct identity in the visual art scenario.

Department Facilities:

The Department has large studios for each discipline apart from separate studios for the elective subjects such as Photography, Print Making, and ceramic.

Apart from regular studio practices, the Department holds separate workshops for the students to explore their abilities in the areas of their specialization.

The Department utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations, and Discussions organized as part of the regular curriculum activity.

From time to time the Department invites eminent people from various walks of life for the academic benefit of the students. These presentations, visiting professors and internationally reputed artists, are always extremely popular with our students.

The use of computer as an essential tool for design is no longer questioned in this Department. Modern graphic studios equipped with computers with multimedia capacities are being used by the students, thus provide them for the workplace of the 21st Century.

Study Tours are organized every year to the major Art centers and places relevant to the subjects. This enriches the students and helps them to have a wider knowledge base.

Department of Law

About the Department

The Department of Law is one of the oldest Departments of the State of Rajasthan. Legal Studies started in the year 1947 which corresponded with the foundation of the University of Rajasthan. Since then it has been one of the premier institutions of legal studies. The Law College was first housed in the University Maharaja College Jaipur. Later on, July 1, 1953, it was shifted by the State Government to the University of Rajasthan.

Teaching of LL.M. classes started in 1953 and Diploma in Labour Laws started in 1962. After a lapse of six years, P.G. Courses in Criminology and Taxation were started from the session 1967-68. Thus, the Department of Law with three P.G. Diplomas started running and independently from 1993.

P.G. Diploma in Environmental Law has been introduced from the session 2005-2006. It is being run on a Self-Financing basis. LL.M. in Human Rights and Value Education has also been introduced in the Department from the session 2007-08 on SFS basis.

University R.A. Podar Institute of Management

About the Institute

University R.A. Podar Institute of Management was established in 1974 as a constituent unit of the University. It was the 6th B-school to be established in the country.

The Institute has carved out a niche for itself in the field of management education especially among the state university level B-Schools. In addition to the permanent faculty, the highly experienced visiting faculty add rigor to the academic program. The curriculum is contemporary and taught through interactive pedagogies.

In addition to the M.B.A. courses the Institute also offers a Ph.D. program in Management. The alumni of the Institute is well placed in the corporate sector, civil services, banking and other financial services, management academics, business and consulting.

During the past three years the major recruiters have been;

Axis Bank Ltd.; Jaro Education (Pvt.) Ltd.; Idea Cellular Ltd.; Naukri. Com (Infoedge Ltd.); jaipur Rugs (Pvt.) Ltd.; ICICI Bank Ltd.; Shree Cements Ltd.; LNJ Textiles; 99 Acres; Bosch Ltd.; Reliance Communication.

Some of the summer placements (mandatory eight week on-the-job training) have been with; State Bank of India; Reliance Jio; NBC Ltd.; Bosch Ltd.; PNB Ltd.; FoodPanda.com

Commitment to excellence within the given resources is the motto of the Institute fraternity. Interactive teaching, personality development, grooming, games and sports are an integral part of the learning experience at RAPIM

Department of Botany

About the Department

Established in 1960 at the erstwhile Jaswant College, Jodhpur, the Department was shifted to Rajasthan College, Jaipur in July 1963 and to its present building in August 1974. It is one of the largest and oldest department of Botany in the country, known for its pioneering work in the fields of Mycology, Plant Pathology, Morphology and Embryology. Now it has established itself as a research centre in Experimental Morphogenesis, Plant Biotechnology, Nematology, Seed Pathology, Taxonomy, Ethnobotany, Phytochemistry, Plant Ecology, Cytogenetics and Developmental Botany. The Department has 16 different laboratories where basic and applied research is conducted. The Department has received generous financial support from UGC (DRS), and DST(FIST), in addition to support from UGC, CSIR, DST, DBT, ICAR, ICMR, Rockefeller Foundation, DAAD and other funding agencies. The faculty has been awarded prestigious fellowships including Fulbright, Rockefeller, European Commission, DAAD, A v Humboldt, DFG, National overseas Commonwealth, INSA, etc..

Research students include NET qualified various fellowship holders, Post Doctoral Fellows, Research Associates and Women Scientist Awardees.

Infrastructural Facilities

The Department has well-equipped research laboratories, growth chambers, one central instrument room, seminar hall, four teaching labs, one herbarium

Department of Chemistry

About the Department

The Department of Chemistry came into existence in July 1960, thirteen years after the establishment of the University of Rajasthan, Jaipur. Ever since its inception, the Department has made all-round progress and acquired a preeminent status. With Prof. Anshu Dandia as present Head of the Department, current faculty strength includes two Professor, twenty one Associate Professor, thirty three Assistant Professors and three UGC-FRP Assistant Professors.

Department offers M.Sc. in Chemistry and Ph.D. courses at University campus and B.Sc. pass and honours courses at two constituent Colleges. Majority of PG students qualify NET examination and/or successfully compete in national level tests of ONGC, NTPC, UPSC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum and Pharmaceutical companies to get placements.

The Department is well known for its *par excellence* in academic and research program in various areas of Chemistry both nationally and internationally. The Department has been recipient of various developmental grants from National agencies. The Department was selected by the UGC for University Leadership Project (ULP). After successful implementation of DSA-Special assistance Programme sponsored by UGC for more than thirty three years and First Phase of Centre of Advanced Study (CAS). The Department has been recipient of

Research programmes in the Department are supported by various funding agencies of the Government of India-DST, CSIR, UGC, DAE, ICMR, etc.

The Department organizes International and National Conferences/Workshops regularly, moreover, invited lectures of Eminent Scientists and Academicians from National and International reputed Institutes and Universities are also regularly arranged for the exposure of the research students to the current advancements in the contemporary research. The Department is actively engaged in organizing the recharging programmes, such as, UGC-ASC Refresher courses, besides, seminars, workshops, conferences and Extension Lectures by Eminent Scientists/Academicians etc.

The Department has a Local Chapter of the Chemical Research Society of India (CRSI), Bangalore and a Sub-centre of ACS-Green Chemistry Network. Various academic and student-recharging activities are being organized under these banners and special lectures, invited talks and Interactive Session with Eminent Scientists are also organized regularly. The Department publishes CHEM NEWS LETTER A biannual publication of research and education in Chemistry (ISSN 2278-6201).

The Department Library is richly housed with over 4000 text books, 5000 reference book and a large number of old volumes of several Journals. Hard copy of Chemical Abstract, Vol. 1 to 141 (1907-2004) are also available.

Department of Geography

About the Department

Initially, the teaching of Geography began in 1962 at the undergraduate level in the Arts Faculty in University Rajasthan College. Thereafter the undergraduate teaching in Science faculty in University Maharaja's College and in Science/Arts faculties in University Maharani's College commenced from 1974 and 1987, respectively. The Post Graduate Department was established in 1967. The faculty is actively engaged in research programmes. The Post Graduate Department is located in the University Campus since July, 2002.

Infrastructural Facilities

The Department of Geography has a well equipped Remote Sensing and Geographic Information System Laboratory named as (Late) Shri Rajesh Pilot Memorial Laboratory. It has been established under the FIST-Programme of the Department of Science & Technology, Govt. of India, New Delhi.

Edusat program is being run in the Department relayed by IIRS, Dehradun. Automatic Weather Station (AWS) has also been installed in Department since September, 2012.

About the Department

The department was established in 1985 when post graduate teaching was initiated at the Maharaja's College Campus. The Department shifted to its own building in the University Campus in 1989. The Department runs M.Sc. and Ph.D. programmes with an objective of:

- ★ Creating and effectively disseminating fundamental knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms.

- ★ Training students to take up responsibilities as professional geologists in various exploration and mining organizations and to pursue a career as research scientists.
- ★ Integrating scientific knowledge from different geosciences and allied fields for application in solving societal issues such as natural resource management, natural hazard evaluation and mitigation.
- ★ Providing basic infra structural facilities to carry out research in specified fields.
- ★ Remote sensing & GIS application.

To achieve the above goals, the Department offers a very congenial atmosphere and regular student-teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making students confident and self motivated to work as a team. The Department has regularly organized training programmes and special lectures to benefit both the students and the faculty.

Infrastructural Facilities:

The Department has facilities for teaching and research and boasts of the following technical facilities:

Geochemical Lab: Double Beam Atomic Absorption Spectrophotometer (GBS); UV-VIS Spectrophotometer, Analytical Balance, Jaw Crusher, TC Ball Mill.

Petrological Lab: Petrological Microscopes, Automatic thin section preparation unit.

Palaeontology Lab : Binocular microscopes, High resolution Zoom Stereomicroscope with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

Computer and GIS Lab : Ten computers, GIS and Image processing software, Satellite data and topo sheets.

Other Facilities: LCD projector, Field Camera, Survey equipment, Light Table, Mirror Stereoscopes, Departmental Library, etc.

Ph.D. Programme

The Department and individual faculty members have been associated in international collaborative research programmes. Collaborations with the University of Erlangen (Germany), University of Florida (US) and

University of Pavia (Italy) have offered a platform for the students to work in overseas laboratories and to get a chance to interact with the students from these institutions.

Thrust Areas

- ★ Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Setting, Rock Magnetism)
- ★ Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy)
- ★ Environmental Geology
- ★ Hydrogeology
- ★ Economic Geology

Other Highlights: "The department of Geology is unique among the PG. departments of the University because the student who gets first rank in first year of M.Sc. receives a scholarship of Rs. 5,000/- per month for one year. This scholarship the ONGC Scholarship is provided by the Oil and Natural Gas Corporation Ltd, under the Industry-Academia Interface." The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international seminars/ conferences. A software "Virtual Petrological Microscope" developed by the students of our department is being used by a number of Geology departments all over the country as a useful teaching aid.

Department of Home Science

About the Department

The Department of Home Science was established in 1985 with Maharani College offering Home Science in B.A. for the first time. In 1979, the B.Sc. Home Science programme was started. In 1985, the PG Department of Home Science was established. At present, the PG Department offers M.Sc. specialization in Foods and Human Nutrition, Human Development and Family and Development Communication and Extension.

Department of Mathematics

About the Department

The University Department of Mathematics was established in August 1960 at Maharaja's College after the amalgamation of its Post-graduate wing. The Department got its permanent abode at the second floor of the Vigyan Bhawan in the University Campus in 1964. Various National and International honours have been conferred upon some faculty members of the Department. M.Sc., M.Phil. and Pre-Ph.D. course work classes are held in the main campus and the undergraduate teaching takes place in the three constituent Colleges of the University. A good number of students of Mathematics Department have made a mark in different walks of life e.g. Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement. The Department organizes Prof. P.D. Verma Memorial Lecture every year since 1997. The eminent scholars of Mathematics are invited to deliver memorial lecture. Also organization of National and International Seminar/Conferences, Workshops and Lectures by eminent scholars of various fields is a regular features of this Department.

Infrastructural Facilities

The Department have four classroom with one of them have ICT facility. The Department has its own Library consisting 9500 books and well equipped Computer Laboratory with internet facility available for the benefit of teachers, research scholars and students. Facilities of Smart Class room are also available in the Lab.

The Department has received UGC DRS-I under SAP, DST sponsored FIST Programme and NBHM grant for purchase of books in the Department Library.

Departmental Library consisting of about 9300 books, one well-equipped Computer Laboratory consisting of 30 computers with internet facility for teachers, research scholars and students.

The Department has active programmes of research in a number of different areas in Mathematics. Memphasis is laid equally on Pure and Applied Mathematics. The following are thrust areas of research:

Ph.D. Programme

Thrust Areas

- ★ Fluid Dynamics (Porous Medium, Heat Transfer, Non-Newtonian Fluids, MHD, Boundary Layer Theory)
- ★ Bio-Fluid Dynamics

About the Department

Department of Physics was established in the year 1960. The department has been given status of "Centre for Advanced Studies" (CAS) by University Grants Commission for (2015-20) with Condensed Matter Physics and High Energy Physics as thrust areas. The Department offers M.Sc. (Physics) four semester program and Ph.D. program in different experimental and theoretical fields. The department is receiving support under FIST Phase-III Level-2 from DST, Govt. of India. The Department is also beneficiary in PURSE support granted by DST to the university and UPE status granted by UGC to the university. In addition research groups of department

M.Sc. and research laboratories of this Department are well equipped. Some of the major equipments and facilities available in the Department include :

- X-ray diffractometer for study of powder and thin film
- Materials and SAXS facility.
- Scanning Probe Microscope (STM & AFM)
- Low energy electron accelerator,
- Vibrating sample magnetometer (20 K-1000 K),
- Mossbauer spectrometers with temperature variation (80 K-1000 K) and high pressures up to 10 GPa, resistivity measurement,
- High field Magnet Facility (8T)
- X-ray photo electron spectroscopy set-up
- 2.5 m long neutron time of flight facility,
- Grid computing laboratory with multiprocessor servers,
- Impedance analyzer,
- Vector network analyzer

Facilities available at USIC and CCT are also accessible to the faculty members of this department.

Four semesters M.Sc. Physics course is governed by ordinance 199F. Elective Core Courses are offered in following clusters.

- ★ Astrophysics and Cosmology
- ★ Condensed Matter Physics
- ★ High Energy Physics
- ★ Electronics and Communication
- ★ Energy Studies
- ★ Plasma Physics
- ★ Nanotechnology

M.Sc. Passouts are selected every year in prestigious scientific institutions like IPR, IUAC, BARC, NPL, TIFR for pursuing research. Several students qualify in Examinations like NET and GATE every year.

Other Highlights & Achievements

The Department has organized national/ international conferences and workshops. Experts are invited for lectures and for academic interactions. First Golden Jubilee oration of department was delivered by Prof. R.Chidambaram, Principal Scientific Adviser, Government of India, New Delhi on "Crystallography, Materials Science and Biology" in the month of March 2014. Prof. Asuthosh Sharma, Secretary, Department of Science and Technology, GOI delivered infosys Foundation Laureate Lecture on "Delights of Scientific Enquiry : Personal Lesson from Translations Nanosciences" in the month of July 2014. The department has hosted MRSI Annual General Meet in February 2015 and the inaugural session was graced by Bharat Ratna Prof. C.N.R. Rao.

Department of Psychology**About the Department**

The Department of Psychology was established in year 1971. The faculty of the Department is highly qualified and specialized in the areas of Clinical, Vocational, Organizational, Guidance and Counselling and Social Psychology. The faculty members and researchers of the department have made significant research contribution in these fields. The faculty members are also involved in Development of 'Psychological Measurement Devices'.

The Department attracts students from Rajasthan and outside, including international students. Recently, a cooperation agreement has been signed between University of Rajasthan and Montpellier University, France under which students from Montpellier University can apply for further studies in the Department.

Infrastructural Facilities:

The Department has smart class room and a well-equipped laboratory with P.G.R., ECG, Bio-Feedback and Research support-tools such as Psychological Tests, Palfrite Pr4, Audiometer, Projector with Laser Printer, Braun Paxilux, OHP and Computers with Internet connection.

The subject has application in many fields such as agriculture, medicine, business, management etc. The alumni are successfully engaged in various departments such as academics/research, Indian Statistical Services, banking, Stock exchange, Insurance companies etc.. The Department has been regularly organising quiz and invited lectures by eminent scholars in different areas.

Department of Zoology

About the Department

The Department was established in the year 1960 at the Jaswant College, Jodhpur. It was later shifted to Jaipur in 1963 at the Vigyan Bhawan of the University of Rajasthan, and finally to its newly constructed building in October 1966.

The Department has received generous financial support from Ford Foundation (USA), Rockefeller Foundation (USA), National Institute of Health (USA), United States Department of Agriculture, PL480 (USA), UGC-ULP, DRS, COSIST, SAP, DST- FIST (Phase I). The Department has been recognized as the Centre for Advanced Studies (CAS Phase-I) in Zoology in the year 2005. At present, Department is receiving UGC support under CAS (Phase II) and DST support under FIST program (Phase II). Besides the major funding, several faculty members have been receiving financial support from the different funding agencies like UGC, CSIR, BRNS, ICMR, DST, DBT and MHFW. Research personnel include NET (UGC & CSIR) JRF, ICMR-JRF, DST-INSPIRE Fellows, Rajiv Gandhi Fellows, Post Doctoral Fellows, Research Associates and Women Scientist awardees.

The Department is known for its pioneering research in the fields of Radiation Biology, Reproductive Biology, Cancer Biology, Fish Biology and Development Biology. The faculty has been awarded prestigious fellowships including DAAD, AvHumboldt, Full Bright, Smithsonian etc. The Department has MOU with the Mc Master University, Hamilton, Ontario (Canada) for the advancement in Radiation and Cancer research. The Department has celebrated its Golden Jubilee in the year 2010. The alumni are successfully engaged in teaching at various Universities and in research at reputed institutions in India and abroad. The Department has been regularly organizing International & National Conferences 'Ramaswami Memorial Lectures' and invited talks by eminent scholars in the different areas.

Centre for Computer Science & Information Technology

About the Centre

The centre was reported to have started in year 1986 offering initially certificate courses in Computer Applications (Computer Languages like BASIC, C, FORTRAN, Lotus 123, Dbase etc.) at University Science and Instrumentation Centre (USIC). The Centre started one year PG DCA in 1989 & three year MCA course in 1990. The Centre shifted to its own building in 1996 and the Centre merged with USIC with the name Institute of Informatics and Instrumentation (III) in the year 2002 and the same time the Centre also started two year M.Sc. (IT) course. The Centre is re-named University Centre for Computer Science & Information Technology (UCCS & IT) in the year 2007. Presently the Centre, is running 3 year (6 semester) MCA and 2 year(Four Semester) M.Sc.(IT) courses under Self Financing Scheme (SFS). The Centre has earned the status one of the most exciting and innovative in the Computer Science and Information Technology in the state of Rajasthan. The students of the centre enjoy an active campus life with several invited talks, seminars and interactive sessions by Eminent Experts. A good number of students of MCA and M.Sc.(IT) have made a mark in different walks of life e.g. Government sectors, Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement.

Infrastructural Facilities

The Students have access to excellent infrastructural facilities. These facilities are augmented by the addition of hardware/software, library and space

facilities. The Centre has 4 class rooms with LCD Projector & Internet facilities, a Seminar Hall, Reading Room, 4 Computer Laboratories with latest technologies and the students will enable to have access to international technologies as a part of their course work from several internationally reputed multinational companies and organizations during their final semester.

Internet Connectivity

The Centre has Internet connectivity through the University Leased line. The entire building has CAT 5/CAT6 cabling so that the Internet can be accessed from almost any location in the building.

Computer Labs

The computer labs consisting of more than 120 computers are connected through LAN and support diverse operating systems like MS DOS, Windows Vista, Windows 8.1 and Linux. The labs are equipped with wide ranging development tools and platforms such as C, C++, Visual Basic, MS Office, Visual Studio, .Net, Java, Oracle DB2, SQL Server, My SQL, Apache Tomcat, Eclipse, Dream viewer and many more. The students are allowed to work even during off hours. The high-tech laboratory having 60 Pentium i7, 30 Pentium Core 2 Du, 30 Pentium computers & 2 Servers has been established in the centre to fulfil requirement of the courses to support latest technology and environment.

Library

The students have access to an in house library, which has more than 11500 books related to Computer Applications and Information Technology. The Centre's Library is computerised and transactions of books through computer. In addition, the students have access to on-line resources, News papers, Magazines & Journals.

Ph.D. Programme

Scholarship for Ph.D. programme in Information Technology Students of this centre has been offered by the University of Wroclaw, Poland since 2007-08 for outstanding students. Collaborative website has been launched between Cornell University, New York and University of Rajasthan, Jaipur from March, 2009.

Masters' Programme

The Centre is running a three Years (6-Semesters) MCA and two years(4-Semesters) M.Sc.(IT). These Post Graduate Professional degree

programmes as per recommendations of the Department of Electronics, Government of India and aims to provide the students with, necessary computer science and software development expertise so that they can be absorbed as System Analysts/ Information System Specialists/IT Experts etc. Admissions in the courses MCA & M.Sc.(IT) is made through URATPG conducted by the University of Rajasthan every year.

Centre for Development of Physics Education**About the Centre**

The Centre for the Development of Physics Education was established in May 1978 by the University Grants Commission. This was a sequel to excellent developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the Centre are (i) development of new Physics experiments and literature, (ii) assisting other institutions under contact programme, (iii) fabrication and supply of equipment developed by it to academic/research institutions on no-profit and no loss basis, (iv) development of teaching aids in the form of Computer and Audio Visual Programmes, The Center has developed over 100 experiments and supplied Physics equipments fabricated at the Centre to many Universities and Institutions in India and abroad. These equipment are also being used in training programmes sponsored by ICTP, Italy, at the University of Dar-es-salam, Tanzania, University of Maidugur, Nigeria, and the University of Zimbabwe, Harare. The Coupled Oscillator was awarded First Prize at an International Competition.

The Centre has been supporting research groups in the Physics Department for fabrication of equipment and extending IT expertise for examination reforms and academic development. The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India.

Director

Dr. Usha Singh

Infrastructural Facilities

The Department has (i) a Mechanical Workshop (ii) an Electronic Workshop and (iii) a Computer Lab. The mechanical workshop is equipped with a Lathe Machine and a Milling Machine The electronic workshop is equipped with measuring, testing and assembling equipment for electronic circuits. The computer lab is equipped with five computers with online support

The Museum that houses equipment developed by the CDPE, is a major attraction for visitors and students of Physics.

Centre for Non-Conventional Energy Resources

About the Centre

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of usable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

Infrastructural Facilities

The Centre has a research laboratory equipped with sophisticated equipments. Following are the available facilities at this centre:

1. UHV (10^{-9} Torr) E-gun evaporation technique
2. HV (10^{-9} Torr) E-gun evaporation technique

Indira Gandhi Centre for Human Ecology, Environmental & Population Studies

About the Department

The Indira Gandhi Center for Human Ecology, Environmental and Population Studies was established in the year 1984. On Dec 31, 1997 the Indira Gandhi Centre was granted the status of a Department of the University of Rajasthan. The Department, under the COSIST programme with financial and other support from the UGC, has introduced a two-year Master's degree course (M.Sc.) in Environmental Science since July 1997. One Year P.G. Diploma courses in Human Ecology, Environmental Studies and Population Studies were introduced since 1984-85.

Infrastructural Facilities

A well-equipped research laboratory with latest equipment (like UV-Spectrophotometer, Atomic Absorption Spectrophotometer (ASS), B.O.D. Incubator, ovens, water testing kits) is available in this Department. The Department has a well-equipped library consisting of 2500 books and it subscribes to journals.

Centre for Water Management & Research

About the Centre

The centre was established during the academic session 2010-11 to fulfil the long felt need in a water scarce Rajasthan State. Keeping in view the importance of management of this precious natural resource that is depleting very fast due to excessive groundwater extraction. The Centre offers P.G. Diploma in Water Resource Management. The main objective is to train students in water resource management, who can eventually work in various government / non-governmental organizations to ensure water security through efficient management. In addition, the Centre also provides a platform for academic interaction and research in this field through seminars and symposia and also undertakes collaborative awareness programmes in water resource management.

Department of Anthropology

About the Department

It is the first Anthropology Department in Rajasthan. The Department of Anthropology was established in the year 1988 with the objective to train students to understand the two important aspects of human life viz. Biological and Cultural. The core of the subject is fieldwork.

In the era of globalization, Anthropology is the discipline which provides a platform for understanding social reality in the present scenario. Initially post graduate teaching and research was offered by the department. Today, It offers postgraduate, graduate and doctoral programme.

Infrastructural facilities

The department is endowed with laboratory of Biological Anthropology and a rich library.

Department of Political Science

About the Department

The Department was established in 1962 with illustrious founding fathers as Prof. S.P. Verma, Prof. Iqbal Narain, Prof. C.P. Bhambhri and Prof. Raman Murti. Others like Prof. D.B. Mathur, Prof. P.D. Sharma, Prof. Bhawani Singh, Prof. K.L. Kamal, Prof. V.R. Mehta, Prof. Ramakant and Prof. Asopa are also important luminaries.

The Department has been the nursery of Vice-Chancellors and great administrators. Prof. Iqbal Narain has been the Member Secretary, ICSSR and the V.C. of NEHU, B.H.U. and University of Rajasthan. Prof. V.R. Mehta had been the V.C. of Kota Open University JNV University Jodhpur and Delhi University Delhi, Prof. K.L. Kamal had been the V.C. of University of Rajasthan. Prof. Naresh Dadhich was the V.C. of Vardhman Mahaveer Open Univ., Kota for two term (2006-2013). Prof. B.M. Sharma was the V.C. of Kota Univ. and the Chairperson of Rajasthan Public Service Commission. Prof. Roop Singh Bareth was the V.C. of M.D.S. Univ., Ajmer. Prof. L.K. Jain was the Chairperson of Rajasthan State Commission for Women.

The Department has contributed immensely to the growth of the discipline. Many of the pioneer courses like Modern Political Theory, Comparative Government and Institutions and State Politics were formulated here and were later adopted in other Universities. New course on Contemporary Political theory was introduced in this session. Empirical Research with appropriate research methodologies was initiated and strengthened by Prof. S.P. Verma and Prof. Iqbal Narain and carried forward by its faculty and students. Normative and philosophical research was equally strong. It was carried on by Professor Murthy, Professor Mathur, Professor Mehta and others.

The Department has played a leading role in the study and research of Indian tradition and Political thought. The U.G.C. has sanctioned the Special Assistance Programme for Indian Political Tradition and Contemporary Indian Political Structures and their Processes'. The Department is one of the earliest to be given University Leadership Programme in the

Centre for Rajasthan Studies

About the Centre

The Centre for Rajasthan Studies is one of the oldest research centres of the University and has been instrumental in promoting studies and research in Rajasthan's history and culture. Established on 11th November 1975, the Centre is housed in Maharana Pratap Bhawan of the University to promote and coordinate research on historical, social, cultural, literary, economic and environmental aspects of Rajasthan together with collection, compilation, cataloguing, and publication of relevant source material. Prof. G. N. Sharma, the renowned historian of Rajasthan, was the founder Director of the Centre.

Since its establishment, the Centre has made a seminal contribution towards creation of knowledge on numerous aspects of history of Rajasthan through research projects related to collecting, cataloguing and publishing source material and organizing seminars on various themes related to the history, culture, society, economy and environment of the region. The Centre has so far organized 15 national seminars on various themes of Rajasthan. The 15th National Seminar of the Centre, attended by nearly 500 delegates from various regions of Rajasthan and India, was organised on 23rd and 24th January 2015 on the theme "Historical Dimensions of the Literary Heritage of Rajasthan". The Centre also hosted the CLAI (Comparative Literature Association of India) International Conference on "Culture, Arts and Socio-Political Movements in South Asia: Comparative Perspectives" on March 1 to 4 2015, a four day event. This International Conference was attended by foreign delegates from USA, Germany, Belgium, Netherlands, Belgium, Hungary and Pakistan. The Centre also organised a three day "Rajasthani Kavita Utsav" in collaboration with Sahitya Academy, Delhi from 26th to 28th February, 2015.

The Centre for Rajasthan Studies has brought out 21 publications as follows : *The Sources of Social and Economic History of Rajasthan; Bibliography of Rajasthan Studies; Kachawahani ri Vanshaval; Social and Political Awakening among the Tribals of Rajasthan; Jaswant Singh ri Khyat; New Catalogue of Approved Theses on Rajasthan*, Vol. I, Pt. I & II, 1988; Vol. II, 1989; Vol. III, Pt. historians who have made seminal contribution to historical writings on Rajasthan. Prof. G.N. Sharma Memorial Lecture and Prof. M.S. Jain Memorial Lectures were organised in the last session. The 39th Foundation Day of the Centre was celebrated on 11th November, 2014 with an academic symposium and release of two recent publications of the Centre.

The Centre has built up a good research library consisting of nearly 5000 books and a valuable collection of *Thikana* records. This library is widely utilised by Indian and foreign students and scholars of History, Culture, Archaeology, Anthropology, Sociology, Literature and other disciplines. As a result of persuasive efforts, the Centre was able to obtain as gift, a treasure of 1417 rare books on history and culture of Rajasthan, from late Professor G.N. Sharma's collection.

The Centre had begun a new Course for M.A. in Rajasthani Language, Literature and Culture, w.e.f. the academic session 2011-12 under Self Financing Scheme. This Course has become very popular and is running successfully. This is a unique composite course in Rajasthani Language, Literature and Culture which has been introduced exclusively in the University of Rajasthan.

Presently, there is one permanent Research Assistant in the Centre, namely Dr. G. S. Gupta. The Centre has granted affiliation to 3 foreign scholars to work as Research Scholars with the Centre for Rajasthan Studies :- (1) Ms. Kerstin Sobkowiak, Department of Modern South Asian Studies, University of Heidelberg, Germany, as research worker on the project "Navaratri and Dashara as Court Rituals in Rajasthan", (2) Dr. Heidi Pauwels, University of Washington, U.S.A. for her research project on "Intellectual Culture of the Twentieth Century India : A Case Study of Savant Singh of Kishangarh", and (3) Mr. Drew Thomases, US Fulbright- Nehru Student of Columbia University, New York, USA as a research worker on the Project "Brahma, Pushkar and a History of Encounter". INTRODUCTION

The University Commerce College is one of the biggest colleges of the University of Rajasthan having about 5,000 students on roll. The University Grants Commission has recognized the College as "College with Potential for Excellence (CPE)" in the year 2011.

Apart from traditional courses like B.Com. (Pass Course) and B.Com. (Hons.) the College has gained prominence in recent years in running professional courses - BBA and BCA.

The College has organised the All-India Commerce Conference twice, in 1977 and 1995. It also successfully organised various National & International Seminars and Conferences such as 'Changing Perspectives in Management Education' (2004), 'Globalisation and Changing Business Environment in India' (2004), 'Globalisation: Myth or Reality?' (2005), "Emerging Issues in Commerce and Management" (2006), "Corporate Governance and Ethical Issues in Changing Economic Scenario" (2009), "Professional Orientation of Business Education" (2010), International Seminar on "Rural Marketing" (2010) and a National Seminar on MNREGA : Opportunities and Challenges" (2011). The college organised a National Seminar on "Emerging Issues in Tourism: Opportunities and Challenges" in the month of February, 2015. A short term course on Skill and Personality Development was also conducted in the month of February, 2015. The College organised a job oriented Skill Development Training Programme of 100 hours in association with RSLDC and BSE Institute Ltd., Mumbai from 13th May, 2015.

The College has two big play grounds. It also has three A.C. Computer labs, having 77 computers and two physics labs for BCA students. The college has a smart classroom and a language lab established in April, 2014.

The College has a rich library with nearly 2.50 lakh books, many prestigious journals and magazines.

professional examinations like C.A., C.S., ICWA, MBA & MCA courses. The achievements of the College in the field of games and sports, NSS, NCC and Scouting are highly commendable. Recently, some students have been selected and placed in reputed organizations. The College has highly qualified and experienced faculty for providing quality education in Commerce, Business and Management and Computer Science.

During 2014-15 students of the college participated in inter college tournaments and secured first position in chess.

The college is continuously upgrading its infrastructure in achieving excellence in commerce education in Rajasthan. The college has developed a smart class room, language lab and research facility for teachers with the help of the UGC and the University. These advanced learning centers are fully equipped with all teaching aids of advanced level such as interactive board, visualizers, multimedia projectors and LED presentation systems. These facilities are also helpful for the students of SC, ST, OBC, minorities and other less privileged sections of the society. The college has also installed an advanced security system through (CCTV) cameras and continuous power supply and backup system.

INTRODUCTION

The Law College, as it was originally called, was established in Jaipur by the Government of the erstwhile State of Jaipur in 1947, that is the year corresponding with the foundation of the University of Rajasthan. It was housed, first in the building now known as the University Maharaja's College and had 306 students, a full time Principal, one Reader, three Part-time teachers. In the beginning, only a two-year LL.B. Course was started from 1947 to 1952 and the Law College was affiliated to the University of Rajasthan. On July 1, 1953, the College was transferred by the State Government to the University of Rajasthan.

The foundation stone of a separate *Vidhi Bhawan* was laid by Shri Barkatullah Khan, the then Chief Minister of Rajasthan, on Friday, 22nd December 1972.

UNIVERSITY CENTRAL LIBRARY

The Central Library is located near the main gate of the University. It has a seating capacity of about 400 students. It has collection of about more than 4.75 lac books, bound periodicals, etc. The Library subscribes to about 80 current journals and popular magazines relating to various subjects. In addition about 8085 e-Journals are available for online access under UGC-INFONET Digital Library Consortium.

The Library provides the following services, in addition to consultation and lending facilities of books:

- o Reference Service
- o Current awareness service
- o Reprographic service
- o E-journals on-line accessibility
- o Internet and e-mail facility
- o CD ROM Database Search services offline
- o Research Reference Guidance Service

In order to serve the users, the library collection has been well organised. The books have been grouped in different sequences, such as general books, text books, reference books, theses, reports, set collection, etc.

The periodicals back run has been segregated into two groups-pre-1975 and the rest. The books collection has also been grouped into pre-1951 prints and the rest.

THE ABU COLLECTION:

The library has a rich collection of old documents, including the collection of erstwhile British Resident at Mount Abu, which is popularly known as 'The Abu Collection'. This includes Government reports, gazetteers, and other publications dating back to early 19th Century. These are of research value for Historians, Economists and Sociologists

THE MICRO-FORM COLLECTION:

The library also has the collection of Microfilms, micro-fiches,

UNIVERSITY HOSTELS

The University and its Constituent Colleges have well-furnished hostel accommodation for the students. Hostels are earmarked for particular courses/streams or college campuses.

The University is at present running 19 Hostels, out of which 14 are in the Main Campus and rest are situated in the Constituent Colleges.

Every Hostel has its own unique tradition. Youth festival is organised in each hostel every year. This festival leaves a memorable imprint on hostel inmates. An inter hostel Youth Festival, 'Basant' is also organised so as to provide common competitive platform for the manifestation of cultural talents of the hostel inmates.

RAJASTHAN UNIVERSITY NETWORK (RUN)**RAJASTHAN UNIVERSITY NETWORK**

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The core switch [Cisco 6513] is located in the Infonet Center. The Zonal switch [Cisco 4507] is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line.

The buildings of the University main campus are connected to Core/Zonal Switch through Optical Fiber Backbone. Layer 3 Managed switch are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable.

NATIONAL KNOWLEDGE NETWORK

The NKN comprises of an ultra-high speed CORE (multiples of 10 Gbps), complimented with a distribution layer at appropriate speeds. Participating institutions at the Edge will connect to the National Knowledge Network seamlessly at speeds of 1 Gbps or higher. The network is designed to support Overlay Networks, Dedicated Networks, and Virtual Networks. Advanced applications in areas such as Health, Education, Science & Technology, Grid Computing, Bio informatics, Agriculture, and Governance will be an integral part of NKN. The entire network will seamlessly integrate with the global scientific community at multiple gigabits per second speed. The purpose of such a knowledge network goes to the very core of the country's quest to build quality institutions with requisite research facilities and create a pool of highly trained persons. The NKN while impacting the existing academic and student community will also alter the R&D landscape for future generations.

The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN providing 1

Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, COAC, IMT, VECC, Inst. Of Mat. Science and other premier institutions. Access of any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. University is complying with IP Usage policy, Operations policy and Security policy of NKN.

The purpose for usage of NKN network a) higher knowledge/advanced studies b) regular studies c) research development. The average usage level in a mot and in a year in term of Gbps/Mbps is as 50 Gbps and 1000 Mbps. The NKN connectivity is available on 24x7 basis without any restrictions and the all the telecommunications are sufficiently reliable.

OPEN SOURCE INITIATIVE

The University subscribes to the philosophy of Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql/Perl/PHP (LAMP) platform is employed for all applications.

- Please go through the disclaimer before viewing contents on University websites. The HoDs', Director', DR of concerned units are responsible for information on University website which is technically managed by Infonet Center.

INFONET CENTRE

The technical responsibilities assigned to the Centre are (i) to coordinate all activities pertaining to UGC Infonet project at the University end, (ii) to technically maintain access to E-journals available under Infonet project or subscribed by the University Central Library, (iii) to maintain University Websites, (iv) to maintain University Mail Server, (v) to maintain University Result Server, (vi) to maintain University Research Server, (vii) to maintain the Open Archive Repository, (viii) to manage hosting of e-content on University Server and promote e-content development, (ix) to maintain Rajasthan University Network and coordinate with the NKN

UNIVERSITY WEBSITE

Almost all syllabi are available through the link - Syllabi on the main page of <http://www.uniraj.ac.in> University prospectus and information about University, Jaipur and Rajasthan are available at a click. Several university circulars, advertisements, tender notices are made available through respective pages on Administration tab. Each PG Department has its own page. Contact details of all members of the Syndicate, Senate, Academic Council, and all faculty members are made available. E-journal access is made easy through e-journal access page.

E-contents developed by some faculty members can be accessed. The main page also provides a link to other servers viz. daak server, result server, research server and earxiv server. Students may ask the faculty members about online resources provided by them on the University website..

EXAMINATION TIME-TABLE ON WEBSITE

Examination time-table would also be made available on the university website.

CURRENT STUDENTS TAB ON UNIVERSITY WEBSITE

Students can access information relevant to them through the "Current Students" tab available on the main page.

University Result Server

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on Fedora linux platform using PHP as front-end interface and MySql database at back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section.

UNIVERSITY RESEARCH SERVER

With the view that ongoing research efforts at the University of Rajasthan are not duplicated elsewhere, the Chancellor directed the University to make available all information about ongoing research work of Ph.D. students on the University website. The University of Rajasthan launched the Research Server providing all the necessary information about the research topic including the synopsis in PDF format. Online Comment Submission Form is included using which any interest user can make comments on the ongoing research work. Comments so submitted are forwarded by e-mails to the student, supervisor and Deputy Registrar, (Research) for necessary action. This ensures transparency and accountability.

UNIVERSITY OPEN ARCHIVE REPOSITORY

The University of Rajasthan has set up an Open Archive Repository where every researcher shall deposit a copy of his/her publications or presentation so that it can be easily accessed through internet. The University Open Archive Repository with URL <http://earxiv.uniraj.ac.in> was launched by the Secretary, UGC, New Delhi. The online submission facility is available on NIS authentication. University will also be launching online notice and news and views services too.

BLADE SERVER AND SAN SOLUTION

Recently University has acquired new Blade Server and SAN solution because of the following reasons:

The demand for greater data centre capacity in further and higher education is rising rapidly, for reasons which include:

1. The growing use of internet media and online learning, and demands for faster connectivity from users.
2. A move to web based interfaces which are more compute intensive to deliver.
3. Introduction of comprehensive enterprise resource planning (ERP) software solutions which are much more compute intensive than earlier software;
4. Increasing requirements for comprehensive business continuity and disaster recovery arrangements which results in duplication of facilities;
5. Increasing digitization of data; and
6. Rapidly expanding data storage requirements.

Blade servers pack more computing power into a smaller physical footprint. Going a step beyond rack servers, blade systems offer the Educational

institutions have some characteristics in attitude that result in special requirements for the underlying technical infrastructure used for the education process. Those requirements are quite different from those of operational businesses: Unlike enterprise systems used in their intended context within companies, educationally dedicated systems have to bear the peculiarity of the educators' usage patterns. There are three main characteristics that can be identified: long-term discontinuity, short-term discontinuity and atypical workload

For infrastructures with multiple backup solutions, SAN allows for the consolidation of your backup and

University Health Centre

The University Campus has dispensaries of Allopathic, Ayurvedic, and Homeopathy. Essential medicines are provided free of cost. Medical health check-up camps, both routine and specialized (ECG, B.P., Blood Sugar, Bone Mass Density, Pulmonary Function Tests, Prostate Screening and other Urological Tests) are organized from time to time. The Health centre is providing curative, comprehensive, preventive counseling, rehabilitative, (Including remedial Yoga counselling) services to the students, teachers, employees & their dependents.

Dean Students' Welfare & International Students' Advisor

The office of the Dean, Students' Welfare (DSW & ISA) helps the University students in their overall cultural, social, literary and academic development. This office provides career counseling for the students to enable them to choose academic fields of their interests.

This office also monitors the 'Students' Group Insurance Scheme' for regular students of this University and also facilitates the University in providing financial assistance to the brilliant and poor students out of the Students' Welfare Fund.

International Students Advisor looks after the interests of the international students and coordinates all activities related to them in the University. This office examines all the documents such as mark sheets and academic certificates to adjudge the eligibility of the students for their admission to various courses and takes care of admitting International Students for pursuing their studies. Visa, passport and No objection Certificates issued by the Department of Education, Ministry of Human Resource Development Govt. of India are examined from time to time so that International Students do not face any difficulty in due course of time.

Under the administrative supervision of the DSW there is Rajasthan University Students' Union

Students' Advisory Bureau

Student Advisory Bureau, established in the year 1962, aims to provide information on courses and combinations available in different Universities and Institutions of India and abroad. We enhance the reach and scope of available opportunities for the students and prepare them for future challenges. The Bureau helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities vis-a-vis the realities and job profiles, in the context of highly competitive occupational patterns. There is a vast gap between perception about the market demands and individual

recovery process to one centrally managed software package. SAN provides the ability to backup files, physical servers, and virtual servers, among other key business applications like SQL. Not only did this prove to be an overhead cost on training of IT staff, but complicated their backup and recovery process.

UGC-Human Resource Development Centre

The UGC Human Resource Development Centre (known as Academic Staff College, prior to April 1, 2015) of the University of Rajasthan, Jaipur was established on 11th May, 1988 under UGC's scheme of setting up Academic Staff Colleges (ASCs) in suitable universities in India, in the wake of National Policy on Education (NPE) 1986 which emphasized the crucial link between teacher motivation and the quality of education.

As per UGC XII Plan revised guidelines, the existing Academic Staff Colleges have been renamed as UGC Human Resource Development Centres (HRDCs) w.e.f 1st April, 2015.

On the initiative of the MHRD, in 2012, the NAAC peer review committee had visited our ASC (HRDC) for its accreditation. It was ranked as the second best performer amongst 66 ASCs (HRDCs) in India.

The Human Resource Development Centre conducts Orientation Programmes (for newly-appointed teachers); Refresher Courses (for in-service teachers); Short Term Courses (for senior faculty members viz. Professors and Associate Professors); Summer/Winter Schools (on a specific/thrust area, open for all teachers); and Special Programmes (like Academic Administrators' Workshops; Principals' Meet; Interaction Programmes for Ph.D. Scholars; Non-Teaching Staff Training Programmes etc.).

Since its inception (up to 31st March, 2015) the Academic Staff College/HRDC, University of Rajasthan has organized 96 Orientation Programmes, 332 Refresher Courses, 18 Short Term Courses, 2 Summer Schools, 1 Winter School and a number of Special Programmes including 1 Principals' Meet, 1 Academic Administrators' Workshop and an Interaction Programme for Ph. D. Scholars. In all, 15494 teacher participants have benefited from the various courses run by our HRDC. Out of these, 9440 were male teachers and 6054 were female teachers.

During the financial year 2014-15, the Academic Staff College/HRDC, University of Rajasthan, Jaipur organised 5 Orientation Programmes, 13 Refresher Courses, 5 Short Term Courses, 1 Summer School, 1 Winter School, and 3 Special Programmes (1 Academic Administrators' Workshop, 1 Principals' Meet and an Interaction Program for Ph.D Scholars). In all, a record number of 28 Courses/Programms were organised by our ASC/HRDC, benefiting 930 teachers (607 males and 323 females), hailing from different regions of India. Amongst these courses, some of the programmes were introduced for the first time in the history of the Academic Staff College, University of Rajasthan, Jaipur e.g. Special Winter School, Principals' Meet, Academic Administrators' Workshop, Interaction Programme for Ph. D. Scholars, Refresher Course in Studies on Indian National Movement, etc.

Our HRDC is the hub of academic activities of the city. Among the resource persons are eminent educationists, academicians, scientists, jurists, artists, literary personages, social activists, journalists, critics and other persons specialised in their fields.

Director

Prof. Krishna Gopal Sharma

Dy. Director

Dr. Meeta Mathur

Assistant Director

Dr. Nidhi Mehta

Besides Rajasthan, our HRDC has drawn candidates from various other states like Harayana, Delhi, Chandigarh, Punjab, Uttar Pradesh, Uttarakhand, Himachal Pradesh, J & K, Madhya Pradesh, Gujarat, Maharastra, Goa, Daman & Diu, Dadar Nagar & Havelli, Karnataka, Kerala, Tamilnadu, Pudduchery, Andhra Pradesh, Chhatisgarh, Orissa, West Bengal, Bihar, Sikkim, Assam, Andaman & Nicobar, Mizoram, Nagaland etc.

Our HRDC has 2 AC Seminar Halls, well-equipped with audio-visual aids, and a state-of-the-art Computer Lab with latest version Computers. The HRDC Library, with computerised catalogue facility, has a rich collection of 5208 books, with a stream of regularly subscribed newspapers, magazines and reputed journals. The HRDC has its own Guest House with well furnished double-bedded 32 Rooms and other basic facilities for the comfortable stay of the participants. The Human Resource Development Centre is located on the first floor of the Vice- Chancellor's Secretariat in the university campus and its Guest House is situated behind B-1 premises in the campus, near Gandhi circle.

The HRDC's main philosophy is to keep in mind that the teacher is central to the system. The concept of an orientation/refresher programme emphasizes teachers as agents of socio-economic change and national development and underlines the need to make them skill-oriented teachers. The programmes of HRDC aim at enabling teachers to discover themselves and their potential through a positive appreciation of their role in the total social, intellectual and moral universe within which they function. It is now accepted that a teacher must not be confined only to transmitting information; he/she must also orient students to meet the challenges of life, to become not merely a trained professional, but also a better citizen.

From an elitist approach in the beginning, our system of higher education has now become mass based. This places greater responsibilities on teachers. New methods of teaching and educational technology along with developments in Information Technology have made the job of a teacher more demanding. These subjects form an essential component of the programmes run by HRDC. Especially designed orientation programmes/refresher courses in IT and pedagogy are run by HRDC almost every year. Furthermore, there has been knowledge explosion in every discipline. A college/university teacher has to continuously update his/her chosen field of expertise, or run the risk of becoming totally outdated in a very short period of time. Subject-specific refresher courses are organised

by HRDC to update the knowledge of the teachers in related subjects. It is also envisaged that the programmes run by HRDC must engender in the teachers awareness of the problems that Indian society faces. Matters relating to subject-knowledge and pedagogy would be meaningful when understood in the total context of national development.

For the financial year 2015-16, our HRDC will be organising 19 Programmes as approved by UGC :- 4 Orientation Programmes, 9 Refresher Courses, and 6 Short Term Courses. Some of the Refresher Courses and Short Term Courses, designed by the faculty of our university and subsequently approved by UGC for this year's schedule, are unique and innovatively conceived e.g. Refresher Course in Globalization and Emerging Economic Trends, Refresher Course in Convergence of Sciences, Refresher Course in Subaltern History and Studies, Refresher Course in Law & Social Transformation, Refresher Course in Rajasthan Studies and Culture, Short Term Courses on Rural Studies and Development, E-Governance and E-Learning, Historical and Cultural Tourism, Physical Education and Yoga, Communication Skills and Personality Development etc.

The details of the activities of our HRDC are available on its website www.uniraj.ac.in/asc. The email id of HRDC is: hrdc.uor.jpr@gmail.com.

National Service Scheme

On September 24, 1969, the Union Education Minister Dr. V.K.R.V. Rao launched the N.S.S. programme in 37 Universities covering all the states. The cardinal principle of the N.S.S. programme is that, both students and teachers through their combined participation in social service, get a sense of involvement in the tasks of national development.

At present there are 30 units of N.S.S. with an enrolment of 3,000 volunteers and 30 programme officers dedicating themselves for the successful implementation of the NSS activities. Prof. S.C. Bardia is the coordinator of N.S.S. w.e.f. July, 2014. Some of the contemporary coordinators who have played vital role in mobilizing youth energy include Prof. Vidya Jain; Prof. Shashi Sahay; Prof. Rajurkar; Prof. Joya Chakraborty, Prof. R.V. Singh and Prof. Shyam Gopal Sharma.

The units of N.S.S. are distributed as follows:-

- | | |
|---|---------|
| 1. University Campus (Chemistry Department) | 1 Unit |
| 2. University Law College | 2 Units |
| 3. University Law College Centre II | 2 Units |
| 4. University Commerce College | 5 Units |

Coordinator

- | | |
|---------------------------------|---------|
| 5. University Rajasthan College | 8 Units |
| 6. University Maharani College | 8 Units |
| 7. University Maharaja College | 4 Units |

The N.S.S. volunteers have participated in various programmes which include:

1. Environment enrichment and conservation.
2. Health, family welfare and nutrition programme.
3. Awareness for improvement of the status of women.
4. Social service programme.
5. Production oriented programmes.
6. Relief/Rehabilitation work during national calamities.
7. Education and recreation.
8. Blood Donation Camps.
9. Nukkad Nataks to create awareness.
10. Campus Cleaning Camps

In addition, N.S.S. volunteers are actively participating in the Republic day and the Independence Day Parade on National Festivals. The volunteers are also being sent for various camps of National integration in different states.
